## Environmental Benefits Statement

Markham Life is produced using environmentally safe practices in an effort to save trees, conserve water and energy, and reduce our carbon footprint. It has been printed on 25% post consumer waste recycled paper, using only vegetable based inks.

### Wood Use

30 tons less  
(209 fewer trees)

### Wastewater

252,902 gallons less  
(1 fewer swimming pool)

### Energy

484 million BTU's less  
(5 fewer homes/year)

### Solid Waste

38,217 pounds less  
(1 fewer garbage truck/year)

### Greenhouse Gases

104, 872 lbs CO<sub>2</sub>  
(10 fewer cars/year)

Environmental impact estimates were made using the Environmental Defense Paper Calculator. For more information, visit [www.papercalculator.org](http://www.papercalculator.org). The Paper Calculator is based on research done by the Paper Task Force, a peer-reviewed study of the lifecycle environment impacts of paper production and disposal. The underlying data is updated regularly. Figures used in this statement represent pro-rated paper usage based on four issues of Markham Life (Annual Consumption).

# Foundation for Our Future

Celebrating Markham's 220th Anniversary

Inaugural Address by Mayor Frank Scarpitti  
Inaugural Meeting of the 2014-2018 Council of Markham  
Monday December 1, 2014 - 7:00 p.m.  
Flato Markham Theatre

## Opening Remarks

Good evening Justice Diner, Consuls General, Father Marcos, Members of Council, former Members of Council, special guests, friends and family. And when I speak of family, I want to introduce those who have both supported and inspired me—my wife Nancy, my three children Alessandra, Michael and Daniel, and my brother Paul.

I want to thank Del Silvestri, my Campaign Chair, for his dedication and commitment along with my entire campaign team.

Tonight, we celebrate the 220th anniversary of the founding of Markham. This is a celebration of our rich past, our vibrant present, and our dynamic future. I believe, and have always believed, that the support of the people is the foundation of public service. I stand before you tonight honoured and humbled by your overwhelming support for my leadership. You have given your help. You have given your hearts. And, I thank you for both. In political life, one has opponents, one has detractors, one has non-believers. Not to mention the whims of the media. Some of them would have you believe the odds are against you. However, they really don't know Markham. They don't know us, they don't know you. And they most certainly don't know me.

Together, we stayed positive. We remained strong. We kept the faith. We won the day.

My inspiration to stay the course and keep the faith came from my parents, Antonio and Lucia. I thank them for the strong foundation they provided for me and for my brother Paul. Earlier this year, we lost our mother, Lucia. I want to dedicate this victory to her.

She was, and remains, an inspiration to all of us. She is a shining example. Never give up. See things through with determination, courage and a positive attitude.

## Markham Then and Now

My other source of inspiration is William Berczy and his group of settlers. They embarked on a journey to make a new home. In a place called Markham. With voices telling them to turn back, to give in, to give up, they persevered. Berczy never gave in, never gave up. They faced adversity, they faced hardship. They faced disappointment. They saw many dark nights, before they saw a bright day. They didn't give up. They tried hard, did their best, and eventually succeeded. This positive attitude sets the foundation for Markham today. That's the Markham spirit. That's the Markham way.

## Berczy Square

Tonight, I am pleased to announce I have secured a generous donation for a bronze statue of William Berczy. It will be a monument to Markham's living history.

At the Flato Markham Theatre on December 1, Mayor Frank Scarpitti and the 2014-2018 Members of Council were joined by family, friends, colleagues, invited guests and other members of the community for the official oath of office ceremony administered by the Honourable Alan Diner.

The 2014-2018 Members of Council are (from left to right) Ward 1 Councillor Valerie Burke, Ward 2 Councillor Alan Ho, Ward 3 Councillor Don Hamilton, Ward 4 Councillor Karen Rea, Regional Councillor Nirmala Armstrong, Regional Councillor Jim Jones, Mayor Frank Scarpitti, Regional Councillor Jack Heath, Regional Councillor Joe Li, Ward 5 Councillor Colin Campbell, Ward 6 Councillor Amanda Collucci, Ward 7 Councillor Logan Kanapathi, Ward 8 Councillor Alex Chiu.

It will commemorate Markham's 220th Anniversary and the 270th Anniversary of William Berczy's birth. Located at the northeast corner of Kennedy Road and 16th Avenue, the area will be named Berczy Square. As the sculptor Marlene Hilton Moore notes, Berczy was a protector and mentor to his fellow pioneers. He was also recognized, in his own time, as one of Canada's finest painters. The bronze of William Berczy stands with authority, on a seven-foot high cantilevered bronze base, overlooking the place he founded. The bronze base, and two separate bronze columns, will feature etched replicas of Berczy's most famous paintings. In Berczy Square, Markham history comes alive. In Berczy Square, people will walk with the man who started it all, right here in Markham.

## Objectives

Just as William Berczy came to Markham to realize the dream of a better life, together we will continue to unleash the extraordinary potential of Markham. I will ask the new Council to update our Strategic Plan, Building Markham's Future Together. I want Markham Council to build on our strong foundations:

Together, we will continue to strengthen fiscal stewardship. We will maintain competitive tax rates. We will continue to run an effective and efficient administration.

We will continue to make sure you get value for your tax dollars. Together, we will champion environmental sustainability. Climate change is a reality. We must face it. We will continue to be leaders in energy and water conservation. We will protect our heritage, wetlands and urban forest. We will help make the Rouge Urban National Park a reality. Together, we will create liveable neighbourhoods and vibrant urban centres encompassing high-quality design.

Together, we will build on our leadership, enhancing community engagement and our customer experience through our improvements in technology and service delivery. The economic success of the Greater Toronto Area has created an infrastructure deficit. Together, we will work with our neighbouring municipalities, and all levels of government, to integrate rapid transit and improve our road network. Together, we will continue to be an inclusive community – a community for everyone, of all ages and all abilities. A community that we just don't call home, but is home; Home to peace, order and good government.

Together, we will welcome the world into our homes during the Pan Am Games. The Pan Am/Parapan Games will create lasting sports and cultural legacies. Together, we will bring York University to Markham Centre.

## Closing

In closing, I would like to thank the staff of Markham for your passion and dedication to public service. Your professionalism will guide this community for many years to come. Thank you all for being here to celebrate our history and our future. William Berczy came to Markham with hope and optimism. He had a vision. He had a plan. We each come to Markham with our own hopes and dreams; for ourselves and for our children. We are all connected to Berczy's original journey. We all have our own journey in this wonderful place we call Markham. We seek a brighter future, as Berczy did—one of prosperity, one of harmony, one of hope, one of belonging to something bigger than ourselves.

We need everyone here tonight—every child, every adult, and every senior in every neighbourhood—to help create the Markham of the future. Let's continue our journey together. William Berczy could not imagine what Markham would look like in 200 years. Like Berczy, we are on a journey. Like Berczy, we are on a mission.

Let's have passion.

Let's have energy.

Let's have courage.

Together, let's make Markham happen.

## New Berczy Square Will Be Home to William Berczy Statue Celebrating a 220-Year Legacy

During the December 1 Inaugural Council Meeting, Mayor Scarpitti announced that, through a generous donation, a commemorative bronze statue of William Moll Berczy would be commissioned. The statue will be erected in the new Berczy Square located at the northeast corner of Kennedy Road and 16th Avenue. Markham's official historian, Lorne R. Smith, gave an eloquent tribute to William Moll Berczy as part of Markham's 220th Anniversary. The following are highlights of his historical account delivered at that evening.

In 1792, two hundred people from Hamburg, Germany, led by William Moll Berczy, undertook a two-year journey to Markham. The odyssey began with 13 weeks at sea, followed by a long and difficult trek over rough trails from Philadelphia through the Allegheny Mountains to Painted Post, New York. In 1794, Berczy arrived in Upper Canada, settling in Markham on the promise of free land. Berczy was born in Wallerstein in the community of Nördlingen, Bavaria, Germany. In 2001, Markham and Nördlingen established a cultural alliance through a partnership agreement.

## 83% of York Region residents support a York University Campus in Markham Centre

A recent poll conducted for York University reported that 83 per cent of York Region residents surveyed support the building of a York University campus in Markham Centre. It's no wonder when you consider that York Region is one of the largest and fastest growing urban areas in Ontario, with a large and expanding population of young people. And it is the only municipality of its size in North America that does not have a university campus within its borders.

Earlier this year, York University officially announced that, pending Ontario government approval and support, it would build a new campus in Markham. In September, York Regional Council unanimously approved up to \$25 million in funding. Markham Council unanimously agreed to contribute five acres of land in Markham Centre for the new university site to demonstrate its full support and commitment and to help ensure the proposed campus becomes a reality.

### Economic/ Social/ Community Benefits

Markham and York Region have a great deal to gain from the proposed new university campus. When approved, there will be an estimated \$500 million in economic benefits resulting from construction. Once the campus is built, it is anticipated that there will be 5,000+ full-time students registered within

five years, as well as more than 400 new on-campus jobs. The campus will contribute \$37 million annually, to the local economy.

The proposed site will add to the vitality of Markham Centre. Thousands of students will be within a five minute walk of the Unionville GO station, the vivaNext dedicated busway, as well as local shops and services. It will be at the core of a robust urban hub with easy access to major employers, research centres, the Markham YMCA, the Markham Pan Am Centre, Main Street Unionville, and the sports fields of Bill Crothers Secondary School.

Artist's rendering of the York University campus building proposed for Markham. Significant cost savings can be achieved should Markham Centre be the Province's location of choice. Established infrastructure including close proximity to the future mobility hub, entertainment facilities, sports fields, and resources like the YMCA and the Markham Pan Am Centre, sets York University's bid apart.

### Innovation in Research and Teaching

The new campus will be an incubator for innovative teaching, learning, research and entrepreneurship. York Region is already one of Canada's top research locations: four of Canada's top 10 research and development investors are headquartered in York Region. York U currently has 30+ active research partnerships in the Region. Students at the York Region campus will be linked to knowledge-based industries that are vital to Ontario's economic growth.

### Programs That Meet Job Demand

York University plans to offer new programs in eight fields of study including:

- Arts, media, performance & design
- Business
- Education
- Environmental studies
- Information technology and software
- Liberal arts
- Life sciences
- Continuing studies

Seneca College and York University will build on their longstanding collaboration to create new types of programs and new career pathways for students.

### Say Yes to York!

A York University campus is an important investment in York Region and the City of Markham. We urge you to show your support. Tell the Province of Ontario we need, want and deserve a university campus. Go to [yestoyork.ca](http://yestoyork.ca) and say Yes to York!

# Ready for the World

The Markham Pan Am Centre officially opened on Sunday, November 23, and over three thousand Markham residents came to see the spectacular new building and participate in the opening ceremonies and activities.

The Centre quickly filled to capacity and hundreds of people enjoyed guided tours of the building. Mayor Scarpitti, the Honourable Bal Gosal, Minister of State (Sport), Peter Kent, MP Thornhill, the Honourable Michael Coteau, Minister of Tourism, Culture and Sport/Minister Responsible for the 2015 Pan/Parapan American Games, the Honourable Michael Chan, Minister of Citizenship, Immigration and International Trade, Saäd Rafi, Chief Executive Officer, TORONTO 2015 Pan Am /Parapan Am Games Organizing Committee, PACHI and Canadian water-polo athlete Christine Robinson took part in the opening ceremonies and helped cut the ribbon.

It certainly was a day to remember!

The Centre already has more than 41 local, provincial, national and international events booked between now and July next year. July 10, 2015 is the day Markham is waiting for, when thousands of people from around the world will experience this world-class athletic venue.

Family Day Fun!!!

## Events I can't miss!!!

### January

15th - Tamil Heritage Celebrations  
Markham Civic Centre Great Hall | 5-9 p.m.

16th - P.A. Day in Markham  
Check out [www.markham.ca/paday](http://www.markham.ca/paday) for details!

### February

1st - ALMA: The Life and Art of Alma Duncan  
& Ribbon Cutting Ceremony   
Varley Art Gallery | 2-4 p.m.

15th - 50th Anniversary of the Canadian Flag  
Markham Civic Centre | 1-4 p.m.

16th - **Family Day**

Plan the day @ [www.markham.ca/holidayprograms](http://www.markham.ca/holidayprograms)  
RBC Family Day Skate @ Civic Centre Rink and Milliken Mills Arena

19th - Chinese New Year 2015

25th - Black History Month Celebration  
Markham Civic Centre | 10 a.m.-2 p.m.

### March

4-7th - Clarkson Cup  
Centennial Community Centre  
Find the schedule at [cwla.ca](http://cwla.ca)

5th - Mayor's Chinese New Year Dinner  
Info at [markham.ca](http://markham.ca)

16-20th - March Break in Markham!  
Go to [markham.ca](http://markham.ca) for programs of fun!

# Markham's New Comprehensive Zoning By-law Project

The City is undertaking a comprehensive review of its many zoning by-laws and existing zoning framework, to consolidate them into one modern zoning by-law for the entire City. Provincial legislation requires us to review and update our zoning by-laws to ensure consistency with Markham's 2014 Official Plan within the next three years.

## What is a zoning by-law?

A zoning by-law is a legal document that regulates the use of land and buildings and

provides specific standards for how development can occur on a property. Municipalities are granted the authority to pass zoning by-laws by Section 34 of the Planning Act.

The purpose of a zoning by-law is to implement the policies of a municipality's Official Plan in a legally enforceable manner and to protect people from conflicting land uses.

This multi-year major City project began in September 2013 and is scheduled for completion by the end of 2017. The new comprehensive zoning by-law will:

- conform with and support implementation of the City's new Official Plan;
- guide future land use and development in Markham;
- respond to emerging planning and development trends;
- be innovative, user-friendly, interactive and web-based; and
- improve service delivery to residents and other stakeholders.

Visit [markham.ca](http://markham.ca) to learn more about this and other Major City Projects.

## With 5 Options, It's Never Been Easier to Pay Your Taxes

Your Interim Tax Bill was mailed in January and it's the first of two tax bills you will receive this year. The 2015 interim taxes for your property are based on 50 per cent of the total 2014 annual taxes. Final tax rates for the City, York Region and Province (school boards) will be established later in 2015 and then a Final Tax Bill will be sent to you. In the meantime, we offer FIVE easy ways to pay:

- **Online:** It's the most convenient way to pay. Pay online through your financial institution.
- **At the bank:** If you prefer to pay in person, pay your property tax at the same time you pay other bills at your bank.
- **By mail:** Please ensure that cheques are dated for the instalment due dates and full instalment amounts. Include the remittance portion of the tax bill and include your Tax Roll Number on the front of your cheque.
- **At the Civic Centre (Thornhill Entrance):** Cashiers are available at the Civic Centre, Monday-Friday 8 a.m.-5 p.m. and Thursdays until 7 p.m.
- **Pre-authorized Tax Payment Program:** No more cheques or postage. Choose a payment schedule that meets your needs: 4, 6 or 11 instalments.

## WHY WAIT IN LINE?

Ask us about

**BANK ONLINE**  
payments

## It's the Law: Carbon Monoxide Alarms Now Mandatory

All single family homes and multi-unit residential buildings in Ontario are now required, by law, to have carbon monoxide (CO) alarms. As of October 15, 2014, every house and

apartment with a fuel burning appliance, a fireplace or an attached garage must have a CO alarm placed next to all sleeping areas and in service rooms. In multi-residential homes, CO alarms must also be located next to sleeping areas.

Carbon monoxide alarms can be hardwired into the building, battery-operated or plugged into a wall socket.

Carbon monoxide is a colourless, tasteless and odourless gas produced when fuels such as propane, gasoline, natural gas, heating oil or wood have insufficient air to burn completely. This can happen in any device that burns these fuels, such as stoves, furnaces, fireplaces, hot water heaters, vehicle engines, and portable generators.

Exposure to CO can cause flu-like symptoms such as headaches, nausea and dizziness, as well as confusion, drowsiness, and loss of consciousness. In high concentrations, it can be fatal. Because carbon monoxide is odourless, only a CO alarm can detect dangerous levels.

**CO alarms are not expensive – and can save lives.**

## It's Budget time. GET INVOLVED!

Your input is welcome. Attend the Public Meetings at the Civic Centre and provide your feedback on the 2015 Budget. Budget meetings dates are as follows (subject to change):

### Budget Sub – Committee

Jan. 23, Feb. 4, 9, & 18 | 9 a.m. – noon  
Feb. 10 | 11 a.m. - 2 p.m.  
Mar. 9 | 9 a.m. - 12 p.m.

### Public Meeting 2015 Budget Input

Mar. 4 | 7 p.m. | Council Chamber

### Budget Recommendation to General Committee

Mar. 23 | 9 a.m. | Canada Room

### Budget to Council for Decision

Mar. 31 | 7 p.m. | Council Chamber

All Budget Sub-Committee meetings are open to the public and agendas and materials are available at [markham.ca](http://markham.ca) ahead of each meeting. Residents unable to attend can listen, in real time, to an audio stream on [markham.ca](http://markham.ca). Presentations discussed during the meeting, and a full audio recording, will be posted on the City's website following the meeting.

For agendas and materials, visit the Municipal Government section on [markham.ca](http://markham.ca)

# Markham's EAB Management Plan on Track

The planned removal of 6,000 additional dead and hazardous City ash trees, along with 4,000 stumps, was completed in December 2014. An additional 500 trees that had declined rapidly since the last health assessment were also removed by year end.

Markham is also undertaking an inventory of all City trees to help determine maintenance and replanting needs to preserve and increase our tree canopy over time. This inventory is the largest undertaken, in-house, by a Canadian municipality. Markham inventoried about 80,000 trees in 2014 and expects to have the remainder done by summer 2015.

Once completed, the inventory of all City trees will support Markham's diverse replanting plan. The objective is to improve the makeup of the City's urban forest, which will help limit the impact of future threats of invasive insects and diseases. The inventory has already helped identify tree care issues that may not have otherwise been visible.

Markham's strong and diverse replanting program will begin in full force this year. The plan is to plant at least 6,000 trees; 3,000 in the spring and 3,000 in the fall. Using the most current research available, City arborists will ensure a variety of trees are planted on boulevards, where they will have the best chance to thrive.

At the same time, we will continue to treat ash trees that may benefit from our treatment program. These trees are identified by green tags with barcodes on them.

## What you can do to help

- Remove dead and dying ash trees on your private property as soon as possible. They can become a hazard quickly and can be more costly to remove if action is delayed.
- Help offset the loss of ash trees in our community by planting other kinds of trees on your private property. Trees provide important environmental and health benefits.

- Care for your trees. Water them during periods of drought and do not damage their roots. A little extra care will go a long way.

We need to be patient with our urban forest and do what we can to support its regrowth. To learn more about Markham's EAB Management Plan and the resources available to you, such as LEAF's Backyard Tree Planting Program, visit [markham.ca](http://markham.ca).

# Markham's Flood Control Program

In the summer of 2015, residents will see a \$47 Stormwater Fee on their tax bills. This Fee will be applied to all residential properties. Combined with money received from the federal Gas Tax Fund, the Fee will provide financial support for Markham's stormwater flood remediation projects as part of the Markham Flood Control Program. The Stormwater Fee will also be applied to non-residential properties in 2016.

The Flood Control Program is a long-term, city-wide initiative to help protect public and private property and make critical infrastructure more resilient to climate change. It includes:

- Undertaking flood control engineering projects to improving the capacity of the existing system to handle stormwater run off

- Upgrading drainage systems to better withstand potential effects of climate change, such as more extreme storms

In addition to flood remediation projects under the program, the City is taking steps to manage stormwater by:

- developing innovative design requirements for new developments to reduce stormwater runoff;
- working with surrounding municipalities and the conservation authority on area-wide flood reduction plans;
- working with the conservation authority on demonstration projects so established communities can become more environmentally friendly and ready for climate change; and
- encouraging property owners to reduce paving and hard surfaces, like parking areas and driveways, where practical. Hard surfaces do not allow water to soak into the ground, increasing run off that can overload City drainage systems and affect natural watercourses.

For more additional information about Markham's Flood Control Program and the new stormwater fee, visit Major City Projects at [markham.ca](http://markham.ca), email [customerservice@markham.ca](mailto:customerservice@markham.ca) or call us at 905-477-5530.

# Awakening the Competitive Spirit

## Markham Enters Battle of the Buildings Competition

City of Markham community centres are participating in the Battle of the Buildings Competition from January 2015 to March 2015. The competition, adopted by Natural Resources Canada's (NRCAN) ENERGY STAR program for Canadian companies, now includes more than 5,500 buildings across North America striving to reduce their energy use. Markham's aggressive internal target is to reduce each building's overall electricity consumption by at least 15 per cent\* before the end of the three months.

We plan to achieve the targets by:

- using lights only when needed;
- properly sealing doors and windows;
- setting building temperatures according to best practice temperature guidelines to prevent over-heating or over-cooling; and
- engaging staff and citizens to get them excited about saving energy.

Markham is a proud leader in renewable energy and conservation. We continue to blaze a path by hosting one of the largest

municipal solar installations (1.4 megawatts of solar), developing the Greenprint, our Community Sustainability Plan. This will help Markham become one of the most sustainable communities in North America, constructing all new facilities to be LEED Silver or better and saving a minimum of \$200,000 per year as a result of energy conservation measures.

We'll keep you posted on our progress! For more information visit [energystar.gov/battleofthebuildings](http://energystar.gov/battleofthebuildings) or the Sustainability office at [sustainability@markham.ca](mailto:sustainability@markham.ca) or 905-477-5530.

\*relative to our 2013 baseline

## OFFICIAL COMPETITOR

## Leading the way together Markham Celebrates Earth Month

greenprint Markham.ca/sustainability

April is Earth Month. How will you take part this year? In the City of Markham, we will be celebrating all month long with lots of local activities, from park cleanups to community events. Mark your calendar today: Markham's Earth Month Celebration will take place at the Thornhill Community Centre on April 11.

Forty-five years ago, Earth Day was established to create awareness and appreciation of our precious—and increasingly fragile—planet. Celebrated annually on April 22, Earth Day has over a billion participants worldwide. Individuals, businesses, schools and governments celebrate what has been achieved and develop solutions for what remains to be done to protect our planet. Perhaps the best development over the last 45 years is that Earth Day has grown into Earth Week and Earth Month.

For more information about Earth Day, visit [earthday.ca](http://earthday.ca) and watch [markham.ca](http://markham.ca) for ways to get involved locally.

"It's Our Turn to Lead" is Earth Day Canada's 2015 theme. Together with residents, Markham has been leading Earth Day activities for some time. Through Greenprint, our plan is to make Markham one of the most sustainable cities in North America, and along with community members, we will celebrate our many environmental achievements:

- Markham Sustainability Fund was established supporting 45 completed community projects;
- Markham Energy Conservation Office developed programs resulting in \$200,000 in operational energy savings in City buildings;
- Developed the Adopt-a-Park program encouraging community pride and green space preservation;
- Established the Seeds for Change, York Region Food Charter, Markham Organic Home Gardens and Markham Seed Library programs to create sustainable, local food sources; 2,500 residents have "borrowed" seeds from our Seed

Libraries at Cornell and Milliken Mills public library branches;

- More than 280,000 trees were planted, as of December 2014, through our Trees for Tomorrow initiative;
- 12,300 street lights were converted to LED, saving energy, money and improving safety;
- Newly constructed City buildings are LEED Silver certified or better;
- Received the Ontario Power Authority, Community Conservation Award, 2012;
- Achieved the Municipal Special Program Silver Award in 2014 from the Recycling Council of Ontario for our Milk Bag Program;
- Recognized by the Federation of Canadian Municipalities, in 2014, for our measured targets and plans to reduce greenhouse gas emissions; and
- Our sustainability initiatives and achievements are reported annually using the Global Reporting initiative as part of Markham's Annual Report.

# Be Prepared and Be Safe This Winter

In December 2013, winter kicked off with an unprecedented ice storm, reminding everyone how important it is to be prepared for an emergency. Here are some simple steps to make sure you are ready for whatever this winter may bring.

## Make a plan with your family

Having a family emergency plan saves time and makes real situations less stressful for you and your family. All you need is about 30 minutes and you and your family are on the way to being prepared. Things to consider:

- Safe exits from home and neighbourhood
- Meeting places to reunite with family or roommates

- Health and insurance information
- A place for your pet to stay
- The location of your fire extinguisher, water valve, electrical panel, gas valve and floor drain

## Have Emergency Kits

It is important to build emergency kits for your home, pets, car, and one to take with you should you have to evacuate your home. If you have a family member with special needs, ensure you include their special items in your Home Emergency Kit, which should include:

- Water
- Non-perishable food
- Manual can opener and wind up or battery operated flashlight and radio
- Extra keys for your home and car

- First aid kit
- Money in small bills and change
- Special items like prescription medications and infant formula

When a winter storm does hit, it is best to stay indoors. If you must go outside or travel, remember these important tips:

- Dress for the weather
- Know your physical limits
- Travel during the day
- Maintain a half tank of gas in your car
- Watch for downed wires and branches, and hanging power lines
- Wait several hours after freezing rain ends to drive

For more information and resources, visit [markham.ca/areyouprepared](http://markham.ca/areyouprepared).

## Winter is Here!

### Clear Roads and Public Safety is a Top Priority in Markham

We can get a lot of snow in Markham over the winter. In most cases Markham's operations crew clear our roads and sidewalks of snow in 16-18 hours. Trucks begin service at the start of a snowfall and at the first sign of roads beginning to ice. When snow reaches a depth of 7.5 centimeters or more (about 3 inches), and 5 centimeters (about 2 inches) on sidewalks, our crews begin clearing the streets. Public safety, and ensuring access for emergency vehicles, is a top priority at Markham and that means clearing primary and secondary roads first, along with primary sidewalks. Residential roads and laneways are cleared once these routes are completed.

### What Can You Do To Help?

- Remove snow from fire hydrants and street drainage basins.
- Don't push snow back on the street. It causes a safety issue and it's illegal.
- Where possible pile snow on the right side (facing the road) of your driveway. This reduces snow accumulation in your driveway from the snow plough.
- Avoid street parking during the winter. Vehicles interfering with snow plough operations may be ticketed and/or towed.

### How We Will Keep You Updated

Communication is critical during severe weather or an emergency. We use a variety of channels to provide up-to-date information to as many people as possible, including:

- visit [markham.ca](http://markham.ca) – go to our **Winter and Emergency Information** button on our homepage;
- listen to Markham's local radio station 105.9 The Region for the latest winter storm/emergency updates;
- follow us on Facebook and Twitter – we post updates there regularly;
- download Markham's mobile app for updates on our road and sidewalk plowing standards and special alerts – get it from iTunes or the Play Store; *or*
- call our Contact Centre for live updates during an emergency or severe weather conditions at 905-477-5530.

### What About Windrow Clearing?

Windrow clearing services are available to qualified residents – go to [markham.ca](http://markham.ca) for details on who is qualified to receive this service, and how to register or call our Contact Centre at 905-477-5530.

## Markham Bylaws and Winter Weather

Here are a few things to keep in mind this winter:

- 1. Snow Removal:** The snow you (or your contractor) remove from your driveway must be deposited on the boulevard of your own property. Snow must not be pushed into the road or onto boulevards across the street from your home.
- 2. Parking:** Parking rules ensure that our streets are clear to accommodate traffic flow, emergency vehicles and snow ploughs. During winter months, parking on both sides of residential streets severely restricts access for emergency response vehicles. Markham Winter Parking Community Safety Awareness Program requires that vehicles must be parked on the odd side of local residential streets between November 15 and April 15. This restriction will not apply to streets with existing posted parking restrictions.

Parking is not allowed on City streets from 2:30 a.m. to 6:00 a.m. Though temporary parking permission can be granted for overnight visitors at most times during the year, exemptions are not granted between November 1 and March 31 when street parking will interfere with snow removal.

Vehicles parked on the road during this period may receive a fine of \$150 and be towed.

- 3. Idling:** The City of Markham's Idling Control Bylaw limits idling to 3 minutes. Drivers who do not follow the Bylaw may be subject to a fine of \$185.00.
- 4. Wildlife:** As the temperatures begin to drop, our urban wildlife look for winter den sites, sometimes within area homes. To animal proof your home be sure your chimneys, roof vents, and any existing openings are screened. Also, to prevent easy access onto your roof, trim back trees and vines away from the roof edge. To arrange for a complimentary wildlife audit of your home, contact the City Bylaw Department at 905-477-5530. To report an incident regarding wildlife in distress, orphaned or injured, please call the Toronto Wildlife Centre at 416-631-0662 or visit [www.torontowildlifecentre.com](http://www.torontowildlifecentre.com).
- 5. License Your Pet!** Markham's Animal Control Bylaw requires that all dogs and cats residing within the City of Markham be licensed. Licensing your dog or cat could play a critical role in identifying your pet should it become lost. Go online to purchase or renew your pet's licence or return the completed renewal form with your cheque to the return

address indicated on the form. Click on our Online Services at [www.markham.ca](http://www.markham.ca) for complete details.

- 6. Taking a Cab?** Look for the Markham plate! Licensed Taxicabs in the City of Markham are identified by a distinctive red and white licence plate. Vehicles licensed as taxicabs by the City are inspected for safety and model year limits, and drivers must carry commercial vehicle insurance. As well, taxi drivers must be licensed by the City of Markham, which requires criminal and driver record checks. Taxi drivers must complete training and testing.
- 7. Opening a Business in Markham?** If you plan to operate a business in Markham, you may require a business licence from the City. Restaurants, stores selling food or tobacco, and personal service shops such as spas and auto repair garages, are among the businesses that must be licensed. To obtain more information or to find out if your business requires a licence, contact the City of Markham Licensing and Standards office at 905-477-5530.

## YOU CAN RECYCLE ALL YOUR TEXTILES!

## REDUCE WASTE BY RECYCLING YOUR TEXTILES!

Donate all your textiles (torn/stained clothes, shoes, curtains, bedding, towels etc.) to one of the many drop bins in Markham.

Items will be re-used or repurposed as filler for upholstery, vehicle seats, insulation and more.

Visit [Markham.ca](http://Markham.ca) or call our Contact Centre at 905-477-5530 for more information.

# What's Been Happening in Markham

**Remembrance Day**  
On the eleventh day of the eleventh month, the City of Markham held a ceremony to remember and honour Canada's veterans at the Flato Markham Theatre. Each year, stories of Markham veterans are told. This year, the lives of Thomas West Read, Flying Officer, and the late Robert James Wilkins, Staff Sergeant, were highlighted. Both served in the Royal Canadian Air Force.

**Scaryfest**  
Little ghosts and goblins trick-or-treated their way around the grounds in search of candy during Markham Museum's annual ScaryFest event on October 25 and 26. The annual Scaryfest event was a great success with kids of all ages in costume, enjoying some early Halloween fun.

**Santa Claus Parade**  
The cold didn't scare away thousands of adults and kids from the 2014 Markham Santa Claus Parade on November 29. More than 100 floats brought fun and joy to kids of all ages.

**RBC Markham Bollywood Film Night**  
Markham families had a great time at the RBC Markham Bollywood Film Night at Flato Markham Theatre on October 19. Ticketholders enjoyed the feature film *Bhoothnath Returns*, a live performance by the Punjabi Bhangra dancers, and great food and door prizes.

**Olde Tyme Christmas Candlelight Parade**  
On Friday, December 5th the Candlelight Parade delighted children of all ages with floats, bands and dance troupes all decked out for Christmas. The street was closed so visitors could enjoy an artisan market, marshmallow roasting, carollers, and jugglers.

**Take Our Kids to Work Day**  
November 5 was national Take Our Kids to Work Day. City employees who are parents to kids in grade 9 brought their sons and daughters to work, giving them a taste of a professional work environment and helping them consider their future career options.

**Festival of Lights**  
Main Street Markham kicked off its holiday celebrations with the annual Festival of Lights on November 28. Crowds were entertained by jugglers, live music, stilt walking elves, fire artists from Zero Gravity Circus, carollers and a surprise visit from Santa himself.

**Blue Shirt Day**  
 October 17 was Blue Shirt Day – Ontario Stop Workplace Bullying and Harrassment Day in Markham. Mayor Frank Scarpitti and Ana Nair, Founder/President of the Anti Bullying Support Group raised the Anti Bullying flag.

**World Polio Flag Raising**  
 Rotary International is dedicated to the global eradication of polio. On October 24, at the Markham Civic Centre, Mayor and Honorary Rotarian Frank Scarpitti, Rotarians, and representatives from the City of Markham and York Region gathered to commemorate “World Polio Day.”

**RBC Sports Day**  
 On November 20 the City of Markham and community partners came together to offer residents the opportunity to experience sport demonstrations and a variety of try-it sports. This free event was in honour of RBC Sports Day in Canada, a national event celebrating the power of sport.

**Theatre Gala**  
 On November 15, Canada’s jazz sweetheart, Nikki Yanofsky, headlined the 2014 Puttin’ on the Ritz Gala at the Flato Markham Theatre. Theatre goes from Markham, York Region and the GTA also had the opportunity to bid on spectacular silent auction items celebrating the arts, raising funds in support of the Theatre’s Discovery initiative.

**Hockey Helps the Homeless**  
 Rekindling an old rivalry, former Maple Leaf Alumni Gary Roberts and Johnny Bower joined former member of the Montreal Canadiens Steve Shut along with Markham residents and business owners to benefit Hockey Helps the Homeless. A full house watched the game at Markham’s Centennial Community Centre, cheering as the Maple Leafs alumni won the game 5-3 with an empty net goal at the end.

**Accessibility Fair**  
 The third annual Markham Accessibility Fair took place at the Thornhill Community Centre on November 1. The event featured local businesses and organizations that offer products and services to people who face barriers in their communities. ParaSports Ontario Ambassadors were also present to promote an active and healthy lifestyle for people with all abilities.

**Design Excellence Awards**  
 The City of Markham honoured the winners of the 2014 Design Excellence Awards on November 12. These prestigious awards recognize and promote excellence in urban design. Presented once each Council term, the awards competition is open to architects, designers, planners, landscape architects, engineers, developers, consultants, owners and individuals. A jury of five recognized industry professionals presented 10 awards in four categories. City of Markham projects received six awards.

- Information Markham and Volunteer Centre (Community Information) 905-415-7500
- Markham Public Library (all locations) 905-513-7977

## Clerk's Department 905-475-4744

The City Clerk is the official secretary of Council and the official record keeper. Dealing extensively with the public, the City Clerk answers a variety of questions pertaining to the City. The Office of the City Clerk is responsible for:

- Recording of Council/Committee minutes and agendas
- Business licensing
- Municipal Freedom of Information and Protection of Privacy Act Requests (FOI)
- Registering deaths and issuing burial permits
- Receiving and opening of tenders, quotations
- Enforcing by-laws and parking control
- Maintaining Corporate Records
- Lottery licensing
- Municipal Election Administration
- Overseeing Contact Centre
- Overseeing Animal Services Delivery
- Providing notification to residents on zoning changes and Official Plan
- Issuing marriage licences
- Performing civil marriages
- Photography permits for weddings
- Approving film permits
- Processing insurance claims

Ratepayer Groups are registered with the Clerk's Department. For contact information and a map of the groups, visit our website.

## Parks 905-415-7509

Markham maintains more than 200 parks, from urban parkettes like Church Street Parkette on Main Street Markham to neighbourhood gathering places like Millennium Square in Unionville to large-acre parks like Pomona Mills in Thornhill. Residents and groups may book many of Markham's parks and sportsfields for events and use. For more information, call Sportsfields at 905-415-7509.

## Pathways 905-477-5530

Markham has kilometres of scenic pathways that provide access for walkers, joggers and cyclists to enjoy some of the most beautiful areas in Markham.

We take pride in keeping Markham beautiful. By maintaining our parks and public green spaces, we promote an active and healthy quality of life.

## Sign Management 905-477-7000 x. 5530

To enhance the City's award-winning urban streetscapes, the placement of mobile and temporary (Mobile Signs/A-Frame/Banner) signs are regulated within the community. Permits may be obtained from the Licensing and Standards Division for short-term placement of these signs. Commercial advertising signs on public boulevards are prohibited and are subject to immediate removal by enforcement staff.

## Zoning 905-475-4743

If you wish to determine what uses are permitted on a property in the City and the standards that apply to those uses, you must submit a written zoning inquiry. A fee may apply in some cases.

## Road Authorities - Maintenance

Maintenance is handled by a number of organizations. Roads within Markham are "owned" by one of five road authorities: City of Markham, Region of York, City of Toronto, Ministry of Transportation or SLF Joint Venture (Hwy. 407 ETR). In general, roads that extend beyond the Markham boundaries (e.g., Woodbine Avenue, 16th Avenue, Highway 7) are not the responsibility of the City of Markham; they fall under the jurisdiction of another authority. For a listing of road authorities and who has responsibility for maintenance, visit our website or call 905-477-5530.

## Waste Management 905-415-7535

Markham's current curbside diversion rate is 80 per cent – one of the highest municipal diversion rates in Ontario. The City has an ambitious new waste diversion program for schools and condominiums. Our diversion programs encourage reducing, reusing, recycling, composting, and embracing and promoting a zero waste policy. A leader in zero waste recycling programs, Markham is one of a handful of municipalities to have received two Recycling Council of Ontario (RCO) Platinum Awards for achieving top-recycler status.

With clear bags for garbage, bi-weekly waste collection, Big Belly Solar Compactors on Markham Village Main Street and Unionville Main Street; Zero Waste special event containers; 450 parks recycling cages; 1,500 Super Mailbox recycling containers; and 350 public space recycling containers, Markham is on its way to being a zero waste community.

## Hours for Markham Household Hazardous Waste Depot

To better serve Markham residents, the Region of York expanded the hours of the Markham Household Hazardous Waste and Electronics Recycling Depot. The depot, on Rodick Road at Miller Avenue, is open Thursday to Monday, 8:30 a.m. to 4:30 p.m. It is closed Tuesdays and Wednesdays, and all Statutory Holidays. For more information, visit our website.

## Waterworks 905-477-5530

Markham's Waterworks division provides a safe and sufficient supply of water to all system users in our community. Qualified staff will answer inquiries from the public regarding water services and sanitary sewer issues. Waterworks operators are licensed by the Ontario Ministry of the Environment and receive ongoing training to ensure that the water and wastewater (sanitary sewer) systems are operated according to the current regulatory standards and requirements.

**T**he City of Markham is committed to working cooperatively with the older adults in the community to explore opportunities and support an active and independent lifestyle. In addition to the information in this section of the magazine, older adults are welcome to join any program in the Adult Section of the guide at a reduced fee.

Many of these City of Markham programs are run through the Seniors Clubs. The mission of the clubs is to **“provide programs and services that promote independent living, empowerment, community involvement, public education, advocacy, social activity, physical activity, friendship and partnerships.”** This section of the magazine outlines the programs offered through the clubs as well as those open to the public.

Information sessions, programs, and health and education fairs are occasionally offered at the Seniors Clubs. These include support services such as foot care and fall prevention, walking and hearing loss programs, and fire safety. Contact the Seniors Club nearest you for more information.

## Seniors Extravaganza at the Flato Markham Theatre

The Flato Markham Theatre was filled to capacity on the afternoon of Monday, October 21, as people from across Markham and beyond attended the 16th annual Seniors Extravaganza.

This year's event commemorated the 100th anniversary of the start of World War 1 and the 70th anniversary of D-Day and the program included a remembrance of the hundreds of thousands of young Canadians who lost their lives in both conflicts. The North Shore Chorus, 81 singers from several area choirs – all seniors – performed some popular songs from both eras, including *It's a Long, Long Way to Tipperary*, *Pack up your Troubles*, *Keep the Home Fires Burning* and *K-K-K-Katy* and the audience enthusiastically sang along to several. The choir was under the direction of Judy Scott-Jacobs and piano accompaniment

".....we couldn't do it so successfully – and offer tickets costing just \$10 – without our many volunteers and sponsors who support us year after year."

by Claire Bresee. Master of Ceremonies Michael Korn kept things humming and the audience entertained.

"Every year the Seniors Extravaganza is a sold out event," says one of the event organizers, Tony Murphy. "But we couldn't do it so successfully – and offer tickets costing just \$10 – without our many volunteers and sponsors who support us year after year."

Those sponsors also attended, showing their services and giving free goodies from tables in the lobby as pianist Les Miscampbell entertained.

The afternoon brought back many memories for everyone – and created new memories of a great time with friends at the Flato Markham Theatre.

See you next year!

## Angus Glen Older Adults

**Location:** Angus Glen Community Centre  
3990 Major Mackenzie Dr. East  
Markham, ON L6C 1P8  
Crosby C.C.,  
210 Main St., Unionville

**Program offered at:** Markham Seniors Activity Centre, Thornhill Seniors Centre.

## Volleyball

Members of the Markham Seniors Activity Centre only are welcome to join in this fun game of volleyball. Improve your spike, volley, serve and bump as you exercise. Please bring a good pair of running shoes.

**Program offered at:** Cornell C.C.

## Watercolour Painting

Reveal your hidden painting talent by joining in this watercolour course. Instructors will assist and help develop painting techniques. Please speak to staff regarding materials for the course.

**Program offered at:** Markham Seniors Activity Centre, Thornhill Seniors Centre

## Yoga for Seniors

Join our certified yoga instructor as she leads you through a series of stretches that will gradually increase your flexibility, building strength and creating balance while reducing stress.

**Program offered at:** Cornell C.C., Markham Seniors Activity Centre, Thornhill Seniors Centre, Armadale C.C.

## Yuanji Dance

Yuanji dance originated in China and is a combination of exercises, dancing, acupressure, and the martial arts. This dance is easy to learn, good for strengthening the muscles and improving flexibility in the joints. Join in the dance and get a great workout too.

**Program offered at:** Milliken on the Move

## Zumba

This active dance class is a fusion of Latin and international music, and dance that creates a dynamic, exciting and effective cardio workout.

**Program offered at:** Markham Seniors Activity Centre, Thornhill Senior Centre, Milliken on the Move, Cornell C.C.

## THE LEARNING PLACE

**A**t Markham Public Library you can participate in a variety of learning opportunities. Programs and workshops are designed to help you learn a new skill, discover a new passion and make informed choices. Whatever your interest, explore it at the library!

### Preschoolers

Learning starts at birth! You and your baby, toddler or preschooler will enjoy books, songs, rhymes and fingerplays at our drop in storytimes. Learn tips and techniques to use at home that build on the storytime experience and develop language and pre-reading skills in your child.

### Children

Grade appropriate programs have been developed for MPL by teachers to support the learning that happens at school. Your child will be engaged in fun and educational activities in a small group setting that will develop skills and confidence.

### Teens

MPL has great spaces for teens to study or hang out with friends. Our Teen Librarians can help you find information or suggest books, movies and music. MPL also has a variety of fun or academic programs for teens.

### Adults

MPL offers language programs, computer programs, book discussion groups, and health, parenting or business workshops that will have you learning new skills and exploring new ideas. Seniors (65+) receive a 30% discount on programs.

### New to Canada?

Visit MPL for settlement services, ESL classes and programs aimed at newcomers. You'll also find books, newspapers, music, movies and online resources in other languages.

MPL's programs can be found in the program section of this magazine – or visit MPL's website and click on "Programs" [www.markhampubliclibrary.ca](http://www.markhampubliclibrary.ca). Register online through ezReg.

## Victoria Day to Thanksgiving (May 19 - October 12)

Open Monday to Sunday:  
12 noon to 5:00 p.m.

Markham Museum offers a unique family and educational experience featuring over 20 historic buildings on 25 acres of parkland. One of the first LEED gold standard museum spaces in Canada, the Museum represents the main themes of settlement as it relates to the environment, and the technologies used to adapt to life. Our many quality, affordable programs focus on the ongoing growth of the region. Our exhibitions and events engage the community as a whole and attract over 50,000 visitors to Markham and the Greater Toronto Area each year.

## Volunteer

Be a part of an exciting and engaged team, make friends and learn new skills! Opportunities are available for teens, adults and seniors. We need your help with:

- Camps
- Special Events
- Family Sundays
- Children's Programs and Birthday Parties
- Maintenance and Gardening

Find out more information by calling 905-305-5970 or sending an email to [museuminfo@markham.ca](mailto:museuminfo@markham.ca)

## Exhibitions Markham and the Great War

On now until May 24, 2015

More than 250 Markham Township residents were recognized for their services overseas during World War I. Still more community members contributed to the war effort without leaving home. Drawing upon the objects and stories of individuals from our community, this exhibition explores what life was like for those who lived through the conflict, and documents how they continue to be commemorated 100 years after the conflict began.

## Canada: Day 1

January 16 – June 7, 2015

Visit the bilingual exhibition *Canada: Day 1* and explore first steps, first impressions and first experiences of newcomers to Canada, from Confederation to present day. The exhibition explores diverse personal immigration experiences in a thoughtful way through oral histories, archival images, original artworks, objects and your participation. You will be transported back to your first day in Canada, or inspired to imagine yourself in a newcomer's shoes.

*Canada: Day 1* is a travelling exhibition produced by the Canadian Museum of Immigration at Pier 21 as a legacy project of our nation's 150th anniversary in 2017 and supported by RBC Foundation.

## Join us for Family Sundays at Markham Museum

Regular admission fees apply

Looking for something to do with family on a Sunday afternoon? Drop in and take part in our fun, hands-on, family-oriented activities - all this available as part of your Museum membership or regular admission.

## Pottery Classes

Come and join us in our NEW pottery studio. We offer a variety of pottery classes for children, adults and families. Classes are taught by professional artists and range from beginner to advanced levels. All courses are hands-on and provide the opportunity to experiment with the pottery wheel and hand building techniques in a fun and relaxed environment. All classes are listed throughout the Markham Life Program Guide and on our website. For details, see "Museum - Parent & Me Pottery" on page 31, "Museum - Teen Pottery Wheel Throwing" on page 53, "Museum - Introduction to Pottery" on page 62.

## All types of Tours!

Whether it's a snowshoeing trek, a KEVA block-building adventure, a garden geocache experience, or a traditional tour of the historic homes, there are many fun ways for everyone to explore the Museum's 25 acre site

## Events

### Winterfest on Family Day

Mon., Feb. 16 | 10 a.m. to 4 p.m.  
\$3 per person (kids under two are free)

Celebrate Family Day at the Museum! Explore the science of snow, and try snowshoeing and ice block building. There will be lots of activities, crafts for the kids, music, the new exhibits and great food.

### March Break Destination Markham

Mar. 14-21 | 12:00 noon to 4:00 p.m.  
General Admission prices

Are you looking for some educational family fun during March Break? Take

a journey through the Museum's many hands-on studios and interactive exhibitions including the:

- Blacksmith Shop
- Print Shop
- Textile Studio
- NEW Pottery Studio

At each location, explore our shared histories and technologies through the creation of your very own unique luggage tag that tells the story of your adventure at the Markham Museum.

### International Museum Day

Sun., May 17 | 12:00 noon to 4:00 p.m.  
FREE admission

Take this opportunity to visit the Museum, participate in our family drop-in activities and see our current exhibitions.

## Book your next event at Markham Museum

Whether it's a corporate meeting or barbecue, wedding, birthday or family get-together, we are the perfect setting for your event. Indoor, outdoor, big or small, call us to discuss your event and arrange a site visit. We offer our Transportation Hall, Outdoor Pavilion and Gazebo, and the Church.

## Children's Birthday Parties

Ages 3 to 12

Party at the Museum! We deliver interactive and educational 2-1/2 hour parties that include hands-on activities and free time for your group in the party room. Choose from our standard birthday party package or our newly-introduced KEVA blocks, and Geocaching Treasure Hunt parties. Please visit our website for details.

## Volunteer

Play an important role at the gallery by interacting with visitors, supporting special events, or raising funds for educational programs. As a volunteer, you will meet new people, learn about Canadian art and support your community!

The Varley presents exhibitions of historical and contemporary Canadian art, and offers educational programs for members of the community. Through research, exhibitions, public programs, and publications, the gallery explores the art of F.H. Varley – a founding member of the Group of Seven – and that of his peers and other artists who have explored and shaped Canadian artistic practice.

## Current Exhibitions

Alma Duncan, *Self-Portrait with Red Stripes*, 1958, courtesy of D & E Lake Ltd. Toronto Fine Arts

### ALMA: The Life and Art of Alma Duncan

On view until May 3, 2015  
Organized and circulated by the  
Ottawa Art Gallery and funded in  
part by the Government of Canada

Ottawa-based artist Alma Duncan spent her entire life creating, interpreting, observing, and rendering. With pen in hand, she travelled the world recording the beauties of the land and the stories of her models, transcending the lines between modern interpreter and visual activist. Inherently interdisciplinary, from painting and drawing to film and puppetry, encompassing realism, abstraction and machine aesthetics her subjects ranged from nature, to industry and portraiture.

F. H. Varley, *Mirror of Thought*, 1937, oil on canvas, 50 x 60 cm, Art Gallery of Greater Victoria, Gift of Harold Mortimer Lamb. Photo: Stephen Topfer

### Through the Looking Glass: F.H. Varley in British Columbia

On view until January 2016

Frederick Horsman Varley (1881-1969) was a founding member of the Group of Seven and one of Canada's foremost portrait painters. *Through the Looking Glass* explores the rich landscapes of Varley's British Columbia period; a productive time in Varley's life during which his own individual style flourished. Also on view is a rotating selection of works from our permanent collection representing Western Canada.

## Events

**Opening Reception for ALMA: The Life and Art of Alma Duncan**  
Sun., Feb. 1 | 2 – 4:00 p.m. | Free

**Curator tour with Catherine Sinclair and Jaclyn Meloche**  
Sun., Feb. 1 | 1 – 2:00 p.m. | Free

**PechaKucha Night Markham Vol. 6**  
Fri., Feb. 6 | 7:30 – 10:30 p.m. | Free

**Teachers' Night Out**  
Wed., Feb. 11 | 5:00 – 7:00 p.m. | Free

**Family Day with the Puppetmongers**  
Mon., Feb. 16 | 12 – 4:00 p.m. | \$5 per family  
Recognized as a leader and innovator in the field of puppetry, Puppetmongers will present an interactive puppet show followed by a hands-on workshop that will delight the entire family. Hot chocolate and cookies will be served.

**ANNOUNCING NEW SUMMER CAMP PROGRAM**

**Kinder Theatre**

To meet the demands of our customers, the Flato Markham Theatre has developed a performance camp **SPECIALLY DESIGNED FOR CHILDREN 4-5 YEARS OLD**. This program is an ideal entryway to establishing skills in the performing arts. **Each week of camp is entirely different!** Our campers will step into one of their favourite storybooks, poems or songs, and bring them to life through specially selected music, dance, and drama activities. Campers will take part in fun-filled activities including: theatre exercises, movement games, dancing, and singing. This is a well-balanced program that includes playtime, games, crafts, and other fun! Your child will obtain meaningful skills, make new friends, as well as build their confidence and understanding of teamwork. **"Kinder Theatre Camp"** culminates in a performance in the classroom on the last day for family and friends to attend. This camp runs for 1 week from 9 am - 4 pm, with one-hour (supervised) lunch. Before & After Care available. Campers must be potty trained and able to use the restroom by themselves in order to be enrolled. Refer to Guide for complete details.

**Registration Starts at 6:30 a.m.**

The personal information collected herein is subject to the Municipal Freedom of Information Act and the Personal Information Protection and Electronic Documents Act. The information collected may be used for registration and marketing purposes and will be stored electronically by the City for a period of time to facilitate annual registrations, surveys and mailings. Completion of this form constitutes consent by the applicant/user to these terms and uses, unless otherwise modified or revised in writing delivered to the City.

Getting Started

# Summer Camp Before and After Care Registration

Please ensure that your extended care location corresponds with the appropriate camp location. Some camps do not offer before or after care. **Note:** two-week camps require two separate before care and two separate after care registrations.

Child's Name	Camp Start Date	Before Care Code	After Care Code	Before/After Care Location	Fee

# ECO Camp at Chimo Busing

Child's Name	Camp Start Date	Route #	AM Pick Up Location	PM Drop Off Location

# Before and After Care

This service provides supervision to children before and after their regular camp hours. (Library camps do not offer before care.) Activities include board games, cards, puzzles, arts and crafts and more.

Hours	4 Day	5 Day	
Before Care	7:30 a.m. - 9:00 a.m.*	\$15	\$18.75
	8:00 a.m. - 9:00 a.m.	\$10	\$12.50
After Care	4:00 p.m. - 6:00 p.m.	\$20	\$25

\* Courses beginning at 7:30 a.m. are listed in Markham Life with an asterisk

# Camp Refund and Change Policy

In order to get a refund or registration credit, all cancellation requests for camps must be received in writing **at least 5 full days prior to the first day of the camp session.** No refunds or credits will be processed less than 5 full days before the start of the camp session.

Refund and change requests must be received 5 full days prior to start of camp. For example: if your child starts camp on Monday, you must request a refund online or via the form no later than the Tuesday prior.

<b>Markham Public Library</b>	905-513-7977
<b>Program Coordinator</b>	Karen Nowicki x 2868

## What if the program I want to take is already full?

If the program is full, applicants will be placed on the wait list. Cheques will not be cashed and will be held at the Contact Centre up to six months and then destroyed. Cheques may be picked up directly from the contact centre.

## How will I know if a spot becomes available after I have been wait-listed?

The Automated Callback telephone system will call if a spot becomes available. If no one is home, a message will be left indicating that you must call the Contact Centre to confirm by 3 p.m. on the next business day. If no confirmation is received by 3 p.m., the next person on the wait-list will be contacted and offered the spot.

## Can I transfer classes?

Transfers are permitted where space is available. Transfer requests may be made by:

- Completing a 'change request' form, available online, and submitting it to the Contact Centre or the community centres
- Withdrawing and re-registering online through the EZ Reg system
- Withdrawing and re-registering on the telephone registration system
- Emailing the Contact Centre directly

Please note that telephone and online changes are only available up to 24 hours in advance of the course start date. All transfers as of the start date of the course must be made with option 'a' or 'd'.

## Program cancellation

Cancellation of programs occurs when there are not enough course registrants. Please sign up early to avoid disappointment. If your course is cancelled, we will do our best to place you elsewhere. If no accommodation can be made, a full refund will be issued.

## Older adults

Older adults, aged 65+ years, may register in any adult program for 30% off the registration fee. Please note that if supply costs are required, they must be paid in full.

## Non-residents

Non-residents of the City of Markham are welcome in our programs. A non-resident fee of \$10 will be applied to all programs and registration will occur after resident registration has begun. Please see Page 1 for dates.

## Children's Tax Credits

The Federal and Provincial governments offer tax credits for participation in recreational and extra-curricular activities. Please verify your course confirmations to determine whether your course is eligible for the credits and retain for your records. For more information on these tax credits, please visit the Canada Revenue Agency website at [www.cra-arc.gc.ca/fitness](http://www.cra-arc.gc.ca/fitness) and/or the Ontario Ministry of Finance website at [www.fin.gov.on.ca/en/catc](http://www.fin.gov.on.ca/en/catc).

## Returned cheques – oops!

Please note that an administration fee will be charged for returned cheques.

## Financial assistance

The City of Markham believes that recreation opportunities should be available to all residents. Residents experiencing financial difficulty may be eligible for assistance. For more information, please call **905-475-4731**.

## Find a mistake?

We make every effort to ensure that the information printed in this magazine is correct. However, if a mistake is found, please email [customerservice@markham.ca](mailto:customerservice@markham.ca)

 indicates an active course, **PAN AM** indicates a Pan Am sport.

# Refund/Withdrawal Policy

IF you submit a written request to cancel <b>at least five (5) days before the start of the first class...</b> (e.g. if the class begins on Monday, the request must be received by the end of the day the Tuesday before.)	⇒	<b>YOU WILL RECEIVE</b> a full refund.
IF you submit a written request to cancel <b>less than five (5) days before the start of the first class and the day before the program starts...</b>	⇒	<b>YOU WILL RECEIVE</b> a full refund less a \$10 administration fee. The administration fee will be waived if you accept a credit on your account.
IF you submit a written request to cancel on the first day and up to and including <b>the second class/day*...</b> * your written request must be submitted one (1) day prior to day of the third class.	⇒	<b>YOU WILL RECEIVE</b> a pro-rated refund less a \$10 administration fee. The administration fee will be waived if you accept a credit on your account. No refund will be issued after the 3rd class/day of a program.
IF your request is received after the 3rd class...	⇒	<b>YOU WILL NOT RECEIVE</b> a refund.
IF we cancel your program <b>prior to the start date...</b>	⇒	<b>YOU WILL RECEIVE</b> a full refund.
IF we request an applicant be withdrawn due to lack of program compatibility...	⇒	<b>YOU WILL RECEIVE</b> a refund less fee for classes attended prior to withdrawal request.
IF you have registered for Aquatic Leadership, or Varley Art Gallery adult programs, workshops or camps...	⇒	<b>YOU MUST</b> submit a cancellation request five (5) days prior to first class for refund.

# WIN A FREE WEEK OF CAMP!

Register between  
**February 9 – 28** and  
automatically get a  
chance to win a  
**FREE week of camp!**

Visit [markham.ca](http://markham.ca) for details.

Welcome to the 2015 summer camp season. Markham values children and is committed to ensuring that all summer camps focus on safe, inclusive and high quality programs. With a mixture of recreation, culture, and library camps offered in one and two week sessions, you are sure to find a great camp for your child. We look forward to seeing you this summer!

## Staff

The camp staff are chosen for their enthusiasm, creativity and leadership skills. All Recreation and Culture camp staff are qualified in Standard First Aid and HIGH FIVE®, and have previous camp experience and leadership skills.

**HIGH FIVE** is a national quality standard for children's sports and recreation. It is designed to promote safety, well-being, and healthy development of children. HIGH FIVE achieves this by providing camp staff with tools, training and resources to support the principles of Healthy Child Development.

All Library camp staff are qualified in Standard First Aid with CPR certification.

## Summer Camp Ratios

Under 6 yrs      1 counsellor : 7 campers  
7 and up      1 counsellor : 10 campers

Many of our camps have Jr. Camp Counsellors and volunteers in addition to the regular camp staff.

## Inclusion Support (3-16 years of age) Fee: \$358.75 per week

Children with disabilities are always welcome at camp. The majority of our facilities are accessible. If you are unsure about how your child would fit into a particular camp setting, please call the location at which you would like your child to participate. Should you require one-on-one support for your child, please add the cost of the Inclusion Counsellor when registering for camp, or speak to Janet Beatty at 905-477-7000 x. 3930. To arrange for support, please apply by **Friday, May 23, 2015**. After this deadline has passed, you will be required to provide your own support. Please note, this service is not available for camps at the library.

Inclusion Counsellors are trained in the following:

- Non-violent crisis intervention;
- Physical intervention;
- Programming adaptation;
- Behavioural support; and
- Communications.

## Before and After Care

This service provides supervision to children before and after their regular camp hours. Activities include board games, cards, puzzles and arts and crafts.

Hours	4 Day	5 Day	
Before Care	7:30 a.m. - 9:00 a.m.	\$15	\$18.75
	8:00 a.m. - 9:00 a.m.	\$10	\$12.50
After Care	4:00 p.m. - 6:00 p.m.	\$20	\$25

## ECO Camp at Chimo Before/After Care

ECO Camp at Chimo has Before Care and After Care available at the following sites: **Crosby Arena, Armadale Community Centre and Thornhill Community Centre**. Please use the information below to register for Before and After Care. **Note:** if you are selecting Before and After Care, your bus stop should correspond with the appropriate location.

## Important Information for Parents

- Children must be the specified minimum age within the calendar year to attend camp. Children registered in Kiddies Corner must be 3 years old and toilet trained by the first day of camp.
- Campers should wear clothing for indoor and outdoor activities.
- Parents will receive emails throughout the summer. Please call the Contact Centre at 905-477-5530 if your email address is not on file.
- If swimming is part of the camp, campers will be supervised by counsellors and lifeguards.
- Campers must be signed in and out of camp each day. Photo ID may be requested.

## Camp Changes and Transfers

Changes and transfers can be made up to the camp start date based on availability. Please see the Refund Policy on page 4 for withdrawal information.

# 2015 SUMMER DAY CAMPS

## Registration Begins Feb. 9

Visit [markham.ca](http://markham.ca) for more details on Summer Camps.

### ECO Camp at Chimo Bus Transportation

Busing is mandatory for ECO Camp at Chimo. To register for your bus, simply complete your online camp registration. At checkout, you will be prompted to enter your information for the ECO Camp at Chimo bus.

The bus schedule for ECO Camp at Chimo indicates the route number that corresponds with each camp.

Children eight years of age and under MUST BE signed on and off the bus each camp day by a parent or guardian. Each route bus is staffed and supervised by Markham Camp personnel.

## Absolute Sportacular Camp

Participants will enjoy a variety of adrenaline-filled activities. Ultimate Frisbee, lacrosse, touch football, volleyball and a recreational swim are part of this extreme experience. This year the camp will celebrate the Pan Am games with the introduction of table tennis and badminton.

## Academic Camp

A balance between recreational activities and casual learning. Campers will learn in a fun and interactive way, with focus on reading, writing, mathematics and more. **Recreational swimming is also included.**

## Acrobatics Camp

This fun camp focuses on teamwork, balance, flexibility and coordination. Acrobatics is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the camp for you.

## **NEW!** Adventure Lab

Have you ever wondered why the Leaning Tower of Pisa doesn't fall over? Or maybe you've wondered how gravity stops us from floating away into space? In the Adventure Lab campers will have a chance to choose their favourite scientific mystery and use their problem solving and research skills to see if they can answer some of the questions scientists and engineers have spent centuries trying to explain!

## Adventures in Math and Science

Campers investigate concepts in math, science, and nature through activities, games and crafts designed to stimulate their natural curiosity and develop their interest in scientific discovery and sensory exploration.

## Animation and Web Design Camp

Campers will work in pairs to learn the basic skills to develop a website and a simple animated design. Campers will receive at least 2 hours of computer time per day and will also engage in other activities including swimming. This camp is geared to those who have some computer knowledge and would like to learn more.

## Archery & Rock Climbing Camp

Campers will learn archery and rock climbing skills at this unique camp. Other activities include team building games, healthy eating and swimming. All activities are onsite in outdoor and indoor spaces. A different way to stay active this summer!

## Archery Camp

This camp is designed to teach children basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

## ART - Art and Illustration

The literary and visual art worlds collide in this fun and interactive camp! Incorporate text, writing and poetry in unique and interesting ways and explore ways of creative

expression in drawing, painting, mixed media collage and sculptural projects. See the written word like never before and learn from artists who use this device in their artwork. **All materials provided.**

## ART - Art Revolution!

Who said that you have to paint on rectangular canvases and with a paintbrush? Enjoy experimenting with painting, sculpture and more in new and unexpected ways. Learn how art has changed over the ages and the artists and movements that were involved in these revolutions! Gallery visits and discussion will give campers the inspiration to take creative risks. **All materials provided.**

## ART - Animal Adventures

The Animal Kingdom comes alive at the gallery this summer. Kids will love creating artwork from their rich imaginations using colour and texture. Explore printmaking, sculpture and painting and create your own furry and feathered friends! **All materials provided.**

## ART - Art Meets Movement

Great for kids who love art and are always on the move! Making art doesn't mean you have to be sitting indoors all day. Use your hands, feet and elbows too! Incorporating yoga and movement, campers will be engaged, rested and inspired through mixed media activities that get them up on their feet. This is the perfect camp for the active and creative young artist. **All materials provided.**

## ART - Art Meets Science

This camp intersects basic scientific and mathematical principles with design principles in new and unexpected ways. Projects will explore balance, order, chemistry, cause and effect and more to inform artistic decisions. Learn about artists that use scientific inquiry, experiment and be amazed by outcomes that provoke, challenge and invite more curiosity. **All materials provided.**

## ART - Cartoon Art

Calling all young cartoonists! Here is your chance to create your own cartoon characters and the amusing situations in which they find themselves! You will learn how to draw settings, faces, perspective, and examine the use of line, text and colour. **All materials provided.**

## ART - Cirque des Arts

The circus comes to Markham this summer full of magic, colour, animals and fun! Children will use their imagination to create circus-themed art projects using a variety of media such as paint, clay, wire and more. Campers will be introduced to and learn about the elements of art using concepts of shape, colour, texture and form in their creations. **All materials provided.**

## ART - Colour Your World

The perfect camp for your curious child! Learn about how colours are made, represented and used in artwork. This camp

will sharpen campers' observational skills and challenge how they see and capture the world around them through the use of a variety of materials and activities. **All materials provided.**

## ART - Comic Book Camp

In this imaginative camp, kids learn how to put their creativity to the page. Campers will be encouraged to bring their characters, stories, voice and visions to life to create their very own comic book using drawing and illustration techniques. A comic book illustrator will be invited to provide further insight and enhance the campers' experience and understanding. **All materials provided.**

## ART - Cultural Landscapes

How do our own cultural perspectives and experiences affect how we see and express ourselves? How do we connect to and interpret the changing world around us? Through visits and discussions of our current exhibition, campers will explore how contemporary artists address identity, migration and culture. Young artists will discover what it means to be a global citizen and be challenged to respond to these themes through art activities that incorporate a variety of media including drawing, painting, model-making and digital media. **All materials provided.**

## ART - Digital Media for Pre-teens

Pre-teens in this camp will create digital art using the laptops and digital cameras that they bring to camp. A professional digital media artist will assist in leading this camp to provide children with basic knowledge of how to create digital videos, including storyboarding and sound elements and explore augmented realities. **Campers must be able to bring in a laptop and digital camera for this camp. Some materials provided.**

## ART - Dino Camp

Travel back in time to the time when dinosaurs roamed the land. Create your own dinosaur, real or imagined. Make fantastical drawings and paintings of what the world looked like at the time. This is the perfect camp for a child whose imagination has no bounds. **All materials provided.**

## ART - Drawing 101

The perfect camp for the creative child who would like to learn more about honing their drawing and sketching skills. Explore form, pattern, design and more through exercises and projects. Learn about the different types of drawing materials such as chalk, pencil, marker, conte and charcoal and how they are used. **All materials provided.**

## ART - Drawing and Doodling

All great art begins with a doodle! Young artists will explore drawing techniques such as line, cross-hatching, shading and much more using pencil, marker and conte as well as challenging campers to draw outside of the lines and think outside of the box. **All materials provided.**

## ART - Earthworks

For the curious artist who is inspired by the natural beauty of the great outdoors. This camp will discover new approaches to capture and express the world around us. Venture into the forest and create a landscape using objects you encounter and then see how it changes over the week as the elements such as time and weather intervene. Paint en plein air in the tradition of the Group of Seven, use filters and effects to create your own digitally created landscapes. *All materials provided.*

## ART - Express Yourself!

This exciting program explores themes of self-discovery and cultural and social identity. How do our memories, experiences and traditions shape who we are and how we express this visually? Campers will have animated discussions and will complete projects that incorporate artwork and installation referring to artists and artwork who explore these themes. *All materials provided.*

## ART - Food Frenzy

The colours, shapes, patterns, and textures found in natural and processed foods will be used to create a variety of mixed media works. Using goods you would store in your pantry for projects including mosaic art and sculpture, and fresh produce for printmaking and fabric dyeing, children will gain an appreciation for how food can both nourish you physically but creatively as well. *All materials provided.*

## ART - Imaginary Worlds

As we grow older the realities of the world can sometimes curb our imagination. Young artists are encouraged to express themselves and unleash their imagination through art and costume making, creative play and storytelling. Create worlds inhabited by interesting characters and landscapes that delight and inspire. *All materials provided.*

## ART - Imagination & Fantasy

This camp exposes campers with active imaginations to push the boundaries of what is possible. Children will learn through new and interesting exercises, activities that stimulate pre-teens to create artwork in new and fascinating forms. Kids will be pushed to redefine their concept of what art is and how it is created. Activities could include drawing and painting while blindfolded, creating models of imaginary lands and spaces using a limited number of objects, turning paintings into live-action scenes. *All materials provided.*

## ART - Junior Fashion Designers

For the fashion lover in your child, this camp takes an artistic approach to clothing and accessory design. Campers will produce a sketch book with a variety of designs including formal, hot trends, futuristic and theatrical costuming, as well as learn about proportion, form and pattern creation. Discussions on past and current trends in fashion design will create a more rounded approach. *No sewing experience required. All materials provided.*

## ART - Junior Interior Designers

Aspiring designers will learn to draw and plan their ideal environment. Create a model/mock-up 'designed to the nines' using fabric and paint samples. Kids will also learn interior design terminology and concepts to enhance their understanding. There will be some emphasis on understanding balance, scale and proportion in design and learning about colour combinations. Discussions on past and current trends in interior design will create a more rounded approach. *All materials included.*

## ART - Junior Jewellers

Create unique, wearable art using a variety of media! Campers can express their individual style through projects like beaded puppets, keychains and more. Each day will be a new design adventure! *All materials provided.*

## ART - Little Eco-Art Explorers

Art is about observing and perceiving the world around you in new and different ways. Campers will venture outside and use it as the inspiration for artwork. Use found materials, recycled items and natural materials from the great outdoors to incorporate into your environmentally friendly artwork. Paint outdoor landscapes, sketch beautiful Unionville Main Street and make an artwork using plants and flowers in the McKay Garden. *All materials provided.*

## ART - Mixed and Mingled Media

This camp is designed to provide young artists with creative opportunities and fun and in depth-access to various art media. Students will experiment with painting, drawing, collage, printmaking and sculpture. *All materials provided.*

## ART - Mythical Creatures

Live your week in a world of magic, where dragons and beasts roam free! Uncover fantastical creatures hidden within your imagination while you step back into a time when mythology and folklore guided everyday life. Be inspired by myths and narratives from cultures around the world and create a storyboard and a sculptural project using art materials both man-made and found in nature. *All materials provided.*

## ART - Outer Space Art Adventures

If your young one is interested in how the world works and the mysteries of outer space, then this is the perfect camp for them! Create a rocket to take them to their imaginary planet full of interesting creatures, colours and landscapes! *All materials provided.*

## ART - Painting & Printing

Painting is so much more than putting brush to paper! Learn about fabulous techniques and styles of painting, and how it has changed through the years. Still life, landscapes, portraits and abstract styles will be taught in a fun and creative environment. Campers will also learn about the different types of printmaking and try their hand at relief printing and serigraphy or stencil printing. Prepare for mess and heaps of fun. *All materials provided.*

## ART - Pan Am Art and Culture

Celebrate the spirit of Pan Am! This camp explores the artistic, cultural and culinary traditions of the Aboriginal, Francophone, Caribbean and Latin American nations participating in the Pan Am/Parapan Am Games. Through hands-on mixed media art activities, lively discussions, and a cultural cooking class at Whole Foods Market Unionville, this may well be your child's favourite week all summer! *All materials provided.*

## ART - Passport to Art

Be inspired by the global spirit of Pan Am! Kids, pack up that suitcase and bring your sense of adventure and wonder as we 'travel' and explore the world through art. Visiting different countries and continents, we'll learn about the art of different cultures through painting, collage and three-dimensional creations. We'll return from our trip around the globe with lots of souvenirs so don't forget your passport! *All materials provided.*

## ART - Photography for Kids

Photography is both an art and science. Introduce your child to a new way of seeing and recording the world around them. This course will teach the basics of photography using digital cameras, as campers will be encouraged to communicate their unique perspectives. This camp offers kids the opportunity to work with a professional guest photographer. *All campers are asked to bring in their own digital cameras, batteries, and USB connector cables, as well as be prepared to have a selection of photographs developed on Thursday night for the Friday art show. Some materials provided.*

## ART - Photography for Pre-Teens

This fun and interactive camp puts campers behind the lens of a camera. Tweens will learn about visual composition, flash and non-flash photography and photograph outdoor landscape scenes, people and action shots. Find out about how to express their voice, ideas and vision through their photographs and study works from established photographers. Campers also have a unique opportunity to work with a practicing photographer. *Kids must bring their own digital camera and are responsible for printing out their own photographs on Thursday for the Art Show on Friday. Some materials provided.*

## ART - Play with Paint!

The perfect class for the youngster who loves to paint and explore colour! Find out about the fundamentals of design, colour mixing and brushwork and examine various painting techniques and mediums. Students will work in watercolour, acrylic and tempera paints to create various types of 2D and 3D paintings. *All materials provided.*

## ART - Sculpture Factory

Work in 3D! Kids will design and create sculptures not only in clay but so much more. They'll learn the techniques of relief and additive sculpture to bring their creations to life. Play with texture, materials and form in this tactile camp. *All materials provided.*

## ART - Sculpture for Children

Dress for mess and have fun working with clay and other materials to create your own 3-D objects. Learn different techniques for creating forms, including coil, pinch and modelling methods. Explore surface design and various decoration styles and learn from artists who explore this medium. Young artists will be introduced to both traditional and modern styles of sculpture and will inspire them to create their very own masterpieces. This camp is suitable for younger artists who are being introduced to the three-dimensional world of art and sculpture. *All materials provided.*

## ART - Sculpture for Pre-teens

Dress for mess and have fun working with clay and other materials to create your own 3-D objects. Explore surface design and various decoration styles using a variety of materials, learning from artists works and practices. Kids will be introduced to both traditional and contemporary styles, and approaches to sculpture. Campers will learn different techniques for creating forms, including coil, pinch and modelling methods and will hand-build and paint a sculptural piece that will be fired up! *All materials provided.*

## ART - Stop-Motion Animation

Campers interested in exploring the fascinating world of animation will 'create, freeze, capture, and repeat' in this technically advanced camp. Campers will learn how to make physically manipulated objects appear to move on their own, in addition to working as a team to develop a story for a short animation film that they will work on collaboratively. Children will learn how to build sequences between photographed-frames to create the illusion of continuous movement, using the same techniques that the pros use! *Campers must bring their own laptop, digital camera and USB adapter for this camp. Some materials provided.*

## ART - Superhero Story

Let your kid's imagination run wild as we enter the fantasy world where superheroes are there to save the day! Kids will have an opportunity to create their very own superhero, and a short storybook where they will draw and paint their creation and bring it to life. They will also create a 3-D version of their superhero which they can proudly display. *All materials provided.*

## ART - Varley in Unionville

Fred Varley's legacy is alive and well in historic Unionville. Campers will get a chance to walk in his footsteps, working outdoors en plein aire, and in the gardens of the McKay

House where he lived. As one of the finest portrait artists in Canada and one of the founders of the Group of Seven, be inspired to create both self portraits and portraits of each other. Kids will get to work in all the media that Varley had including watercolour, acrylic and pastel and see works of the artist both in the gallery and in the vault. *All materials included.*

## ART - Young Muralists

There have been murals on walls throughout the world for as long as there have been people on Earth. Learn about the history of the mural from cave paintings to street graffiti. Campers will be involved in the brainstorming, project planning and execution of a mural to bring their collective vision to life for the public to enjoy. The program encourages creative freedom, imagination, teamwork and exploration of painting techniques. *All materials provided.*

## ART - Young Set Designers

Campers will bring a story to life at the end of the week in a presentation to friends and family. In this camp, kids work on creating sets, props, costumes from scratch and use a variety of media to design posters, tickets and promotional material. The camp is designed to promote conceptual thinking, teamwork and communication, and is a great introduction to design and production. Campers will also have the opportunity to work with a guest theatre professional on the performative elements of the presentation, which will be inspired by the spirit of the Pan Am Games! *All materials included.*

## Art and Nature Camp

Campers will have an opportunity to explore their environment, learn about preservation, and identify wildlife and plant specimens. Campers will use their environment as a backdrop for art projects of different media including drawing, and painting. Campers will also enjoy traditional camp activities like crafts, games and water play. *Recreational Swimming is included in this camp.*

## Awesome Authors Camp

Campers will learn how to write a story and have the chance to present their stories in front of family and friends. Campers will participate in crafts, theme days, swimming and special events.

## Badminton Camp

Campers will learn drills and skill development daily for all levels of play. Also included are games, tournaments, theme days. *Recreational swimming is included.*

## Ball Hockey Camp

Campers will learn the basics of ball hockey including ball handling, passing, and scoring. The focus is on fair-play, sportsmanship and fun. Campers will also participate in games, sports, arts & crafts, and other activities.

## Basketball Camp

Campers will learn dribbling, passing and shooting along with exploring the positional

aspects of the game. *A tournament will be held on the last day. Swimming and special events included.*

## Cheerleading Camp

Campers will be taught the basic cheerleading skills of jumps, acrobatic skills, and teamwork by USAF certified instructors. Routines will include dance moves. Cheerleading develops coordination, balance and a strong sense of self-esteem. Campers will showcase their new routine at the end of the camp session.

## Chess & Badminton Camp

Campers will learn to challenge their minds and bodies with daily chess and badminton instruction. *Swimming is also included in this camp.*

## Chess Camp

Campers will receive 3 hours of chess instruction daily. They will also participate in activities that teach them how to work as a team. By the end of the week, campers will know how to play Chess and how to work well in a group.

## Circus Camp

Campers will learn juggling, magic, storytelling, puppetry, clowning, and cheerleading. *Parents will be invited to a performance at the end of the week.*

## Computers, Games & Fun Camp

Campers will explore the use of computers for one hour each day and learn how to use a variety of Microsoft software. Also included are games, theme days, special guests, and swimming.

## Dance & Drama Camp

Campers will participate in dance, drama and arts & crafts. Also included are games, theme days, special guests and swimming. *Parents will be invited to a performance at the end of the week.*

## Drawing & Painting Camp

Campers will learn a variety of mediums such as watercolours, pencil, ink and pastels. Campers will spend time on an individual project that they will take home at the end of the week. Other camp activities and swimming are also included in this camp.

## ECO Camp @ Chimo 12-14 yrs

Campers will learn an appreciation for nature at this truly unique outdoor camp. This camp includes weekly rotations of archery, canoeing, arts & crafts, high/low ropes and swimming at one of the City pools. Also included are nature hikes, outdoor games, theme days, hiking and special guests.

## ECO Camp @ Chimo

Campers will learn an appreciation for nature at this truly unique outdoor camp. This camp includes weekly rotations of archery, canoeing, arts & crafts, high/low ropes and swimming at one of the City pools. Also included are nature hikes, outdoor games, theme days, hiking and special guests.

## Economics Camp

Economics is not just money. It's businesses and how they work. Campers will use fun money to buy, sell and trade in their own make believe camp world. Also included are games, special events and swimming.

## Extended Care - Before and After Care

This service provides supervision to children before and/or after regular camp hours (where available.) Activities include quiet games, puzzles, arts and crafts, etc.

## Extended Care - After Care with Swim

This service includes both after care and a swim lesson.

## Extended Care - Lunch Extended Hours Program

This service is for campers registered in both morning and afternoon camp at Varley Art Gallery or McKay Art Centre.

## Firefighter Camp

This camp will provide the perfect training ground for the firefighter in you! Come explore the Markham Fire Department's fire trucks, physical exercises, find out how a fire extinguishers really works and more!

## Fitness Camp

Campers will learn about the principles of fitness including healthy eating and exercise. Campers will experience classes such as boot camp, zumba, low impact, martial arts and more. The focus is on developing confidence and self-esteem. ***This is the perfect camp for participants of all fitness levels.***

## Fun in the Sun - Optional Swim Program

Campers registered in the Fun in the Sun camp will learn swimming skills through lessons. We run the Lifesaving Society learn to swim program and will place the campers based on their ability.

## Fun in The Sun Camp

Campers will enjoy a variety of indoor and outdoor activities with a focus on fun, making friends, arts & crafts, games, theme days, special guests and swimming.

## Fun, Fashion & Fabulous

Calling all girls! Campers will explore their inner and outer beauty, build on self confidence and most importantly, make lasting friendships with other girls just as fabulous as themselves.

## Get Ready for French Immersion Camp

This camp is aimed at students entering or enrolled in a French Immersion school. Campers will get an introduction to a wide variety of vocabulary and grammatical concepts necessary for success in French Immersion. Topics begin basic, and progress to the point where they will be able to comprehend small french paragraphs. The program includes hands on activities, reading, art, songs, and games. This program is aligned with the French Immersion provincial expectations.

## Get Ready for Kindergarten Camp

Children get their first taste of school while learning typical kindergarten routines. This half day camp prepares children with the skills they need for school with a focus on developing literacy, communication and social skills in a fun, safe and friendly environment.

## Girls on the Go Camp

This camp is for girls who are energetic and like to learn new skills and participate in sports. ***Swimming and a special event are included.***

## Golf & Sports Camp

Campers will develop the fundamental skills in a variety of sports through drills, practice and play. Campers will also receive expert instruction twice per week from golf pro at Markham Golf Club. ***Recreational swimming is included in this camp.***

## Golf & Tennis Camp

Campers will participate in golf and tennis instruction provided by Canadian Professional Golf Association pros and Ontario Tennis Association coaches. Campers participate in basketball, volleyball, floor hockey,

## Health & Wellness Camp

Campers will participate in yoga, pilates and will learn about healthy eating and wellness. This camp also includes other sports and arts and crafts.

## Heritage Discovery Camp

Campers will be introduced to the people and places of different cultures represented in our community and around the world. They will learn about cultural traditions and customs through fun group activities and structured crafts. Campers will develop an understanding and appreciation of different cultures in a fun and accepting environment. ***Recreation swimming is also included.***

## Hockey Camp - Advanced

This advanced hockey camp is geared to players who are currently playing competitive rep hockey at a A or AA level. The program will include power skating, puck & stick handling, break outs, passing, shooting and team work. This is a 3 hour on ice with a short 15 minute break. ***Players must wear full hockey equipment and bring a labelled water bottle and snack each day to the program.***

## Hockey Camp - Unionville

This program is geared to house league and select level players who want to learn and improve their hockey skills. This program will focus on developing skating strides, starting, stopping, backward skating, lateral mobility, stick handling, passing and shooting drills and game play.

## Hunger Games Camp @ Chimo

Join us for Hunger Games Camp @ Chimo focuses on archery, canoeing, ropes, cooking over a camp fire, geocaching and lots of fun

games. There is no bussing for this week so drop off your child at the camp. We do have before and after care at the Chimo location for this week.

## Imagination in Motion

Bright young minds don't take a break so let your child's imagination run wild! With the help of Lego and other building tools this camp helps children develop problem solving, reasoning, self-expression and teamwork skills through a series of creative and engaging activities.

## Inline Skating Camp

Campers will learn the basics of safe in-line skating. Campers will also participate in traditional camp activities such as games, sports and arts & crafts. ***Skating equipment is not included.***

## Journey Around the World Camp

The infamous Cat Burglar has struck again, this time running off with the world's largest Cubic Zirconia and it's your job to find him! Explore the globe and experience different cultures and customs while searching for clues that will help crack the case. Our junior detectives will have their problem solving skills put to the test as they decipher a series of mysteries and riddles in the hopes of catching the Cat Burglar once and for all.

## Junior Animal and Nature Camp

Campers will take part in a variety of animal and nature-based activities. Designed for the pre-school child, this camp explores the outdoor world in a fun and exciting way.

## Junior Sports Camp

Campers will develop the basic skills needed to play a variety of sports. Each day will focus on developing their skills through drills, practice and play. ***Swimming is also included at some locations.***

## Kiddies Korner

A fun-filled half day pre-school camp that offers campers crafts, songs, co-operative games, outdoor activities, cooking, theme days, and special guests. ***Children must be 3 years of age and toilet trained at the start of the camp program.***

## Lacrosse Camp

Participants will develop hand - eye coordination, movement, throwing, catching, team play and game play. There will be a fun short game at the end of each week.

## Leader In Training Camp

Campers will learn leadership skills and improve their knowledge of group dynamics, effective communication, safety management, program planning and behaviour management. Skills are taught in an interactive environment. ***Campers will complete their HIGH FIVE training as part of this camp. This camp includes two weeks at camp and a one week volunteer placement.***

## LEGO Camp

Campers will learn building techniques used by professional LEGO designers. This is a great camp for serious LEGO builders who are ready to learn how to turn that bin of LEGO into something amazing.

## Magic, Mystery & More

Campers will learn magic through hands-on activities and participation in a magic show. Campers will also participate in outdoor play, arts & crafts, sports, games, and theme days. *Swimming is offered at some locations.*

## Math and Science Camp

Campers discover the worlds of science and math through fun and exciting games, activities and experiments. Activities are designed to help campers investigate the properties of science and apply real-life uses for math in a new and challenging way. *Recreation swimming is also included.*

## Media Mania Camp

This camp will give children hands-on experience in News and Media. Campers will create their own video and use computer technology to put together a music video. Children will also enjoy outdoor games and activities.

## Multimedia Journalism Camp

Junior reporters investigate hard-hitting stories and get the scoop. Participants will explore critical thinking skills, deductive and inductive reasoning, problem solving and various styles of writing that are critical for success in school. Participants will have a chance to record their own news story and present it on the final day of camp.

## Museum - Archaeology Camp

Ready, Set, Dig! This summer prepare to find out what it's like to be an archaeologist through daily simulated digs and hands-on activities that teach basic archaeology techniques from excavation to classification. Through theme days, games and crafts we will explore many of the ancient civilisations that fascinate archaeologists around the world while also examining the many archaeological finds the Museum has in its collection from in and around the Markham area.

## Museum - C.S.I. - Camp Scene Investigation

Time to step into the shoes of a Camp Scene Investigator! There is something amiss at the Museum this summer and we need your help to figure out this mystery. Throughout the week, campers will learn about the science behind crime scene investigations and what it takes to be a real CSI. Campers will work hands-on to gather evidence, take photographs, look for fingerprints, solving riddles and more to solve daily cases.

## Museum - Fashion, Fabric and Fun Camp

Calling all creative kids who have a passion for fashion! Throughout the week campers will explore our interactive Textile Studio and try their hand at basic weaving, sewing,

and felting techniques. Campers will draw inspiration from the Museum's own textile and fashion collection to create their own fashion accessories. By the end of the week, these budding designers will get to show off their works at a fashion show.

## Museum - Junior Archaeologists

Ready, Set, Dig! If your child loves to explore and get a little messy this is the camp for them. Campers will engage in a wide range of indoor and outdoor activities that emphasise discovery, fun, and learning through hands-on archaeology based experiments and activities. Through daily simulated digs your Junior Archaeologist will discover the basics of archaeology from the scientific processes involved in their excavation to classifying everything they find.

## Museum - Junior Gardeners Camp

Become a gardener at the Museum! Children can cultivate their green thumbs this summer at the Museum. Campers will grow their own garden at the Museum while learning about eco-friendly gardening, growing their own vegetables, which plants and flowers attract different wildlife, and even how to compost! Along with active games and cooperative activities campers will create their very own garden treasures to take home and care for.

## Museum - Junior Science Magic

Explore the magic of science through kitchen chemistry, engineering challenges, and cool electronic projects! Mix slimy concoctions, connect simple circuits, create rockets, and even make play dough glow. Each day, campers will participate in a variety of hands-on experiments, fun outdoor activities, games, interesting projects and crafts.

## Museum - Junior Sports Scientist

With the Pan Am Games coming to Markham, it's time for campers to exercise their minds and bodies. As a Sports Scientist, campers will have the opportunity to participate in a wide variety of individual and team sports while also learning the science behind them. Your child will enjoy a wide range of games, fun experiments, science projects, and competitions. Campers will also get to experience our new travelling exhibition 'Perfect Match Sport vs. Science' which explains through hands-on activities how science and technology have contributed to improve athletes' performance in sports, from the types of equipment used to the foods they eat.

## Museum - Junior Super Hero Science

Children love Super Heroes, so why not learn science through their favourite comic book characters? This program will engage and encourage children to learn about real life science and technology through the mythical powers of Super Heroes such as 'weather change' through Storm, 'force' through the Incredible Hulk or 'Energy source' through Ironman. Children will experience being part of a Super Heroes team and the benefits of helping in the community!

## Museum - Little Engineers Camp

Put your hard hat on as we begin to explore the basics of engineering! Campers will use creativity, team work, and problem solving skills to investigate force, buoyancy and balance. Through a variety of hands-on learning experiences, outdoor activities and cooperative games we will experiment with different shapes, materials, and basic mechanical principles to build structures and other amazing engineering projects.

## Museum - Mini Machines Camp

Does your 4-8 year old love trains, trucks, tractors and anything else that moves? This is a camp geared towards younger children who are fascinated by machines and technology. Campers will discover the wonderful world of simple machines that are the foundations for these amazing complex machines through a variety of hands-on learning experiences, outdoor activities and cooperative games.

## Museum - Mini Mystery Camp

Put your Junior Detective on the case! Campers will spend the week using their super sleuthing skills to find clues, solve puzzles, and in the end crack the case. Through teamwork, activities, games and crafts the case shall be solved!

## Museum - Munchkins Camp

Museum Munchkins Camp is an interactive, fun-filled half day adventure for young campers on the Museum's 25-acre grounds. Each week is a new theme with a new set of creative activities, fun outdoor & indoor games, arts & crafts, songs, and experiential learning. Check Markham Museum's website for the weekly program theme and description. **\*\*\*Children must be toilet trained to attend camp.\*\*\***

## Museum - Museum Explorer Camp

Are you ready to explore the Museum? Throughout the week, campers will get a taste of what the Markham Museum has to offer within its 25 acres from amazing machines to archaeology and from pond exploration to eco-crafts. Each day of the week is themed and filled with fun new experiences for both new and returning campers.

## Museum - Science Magic Camp

Explore the magic of science through kitchen chemistry, engineering challenges, and cool electronic projects! Mix slimy concoctions connect simple circuits, make things levitate, play with small robots, and even build a touch screen table. Each day, campers will participate in a variety of hands-on experiments, fun outdoor activities, games, interesting projects and crafts.

## Museum - Sports Scientist

With the Pan Am Games coming to Markham, it's time for campers to exercise their minds and bodies. As a Sports Scientist, campers will have the opportunity to participate in a wide variety of individual and team sports while also learning the science behind

them. Your child will enjoy a wide range of games, fun experiments, science projects, and competitions. Campers will also get to experience our new travelling exhibition 'Perfect Match Sport Vs. Science' which explains through hands-on activities how science and technology have contributed to improve athletes' performance in sports, from the types of equipment used to the foods they eat.

## Museum - Summer Camp KEVA!

Design - Build - Play! Blending science with art, KEVA Planks brings out the designer, architect and engineer in each of us. With imagination and just a little help from gravity, campers will build structures and sculptures using identical construction blocks. Each fun filled day at camp will include new challenges, indoor and outdoor activities, and of course fun with over 15,000 KEVA blocks.

## Museum - Super Hero Science

Children love Super Heroes, so why not learn science through their favourite comic book characters? This program will engage and encourage children to learn about real life science and technology through the mythical powers of Super Heroes such as 'weather change' through Storm, 'force' through the Incredible Hulk or 'Energy source' through Ironman. Children will experience being part of a Super Heroes team and the benefits of helping in the community!

## Museum - Survivor Camp

Campers will put their body and mind to the test as they work within their tribes to complete a week full of exciting challenges on the Museum's 25 acre grounds. During the team work competition, campers will learn about the Museum, the environment, and basic camping skills. **Best of all these new found skills and team spirit will be put to the test on Thursday night at our camping sleepover. Don't forget your sleeping bag!**

## Museum - Triple Threat: Singing, Dancing and Acting Camp

Learn some basics about singing, dancing and acting. Each day campers will learn one of the threats while exploring the past, present and future of these arts. Participants will blend the different skills with their own imagination while working as a team to produce their very own show that they will present to parents on the Friday.

## Musical Munchkins

Music, songs and rhymes build your child's communication, movement and language skills. In this camp children will memorize and act out classic rhymes and songs while creating crafts and props leading up to the big performance at the end of camp.

## My Little Camper

Little campers will enjoy a themed week full of fun. They will participate in games, sports, outdoor water play, arts and crafts, and story time. They will also experience a special guest or activity each week!

## Public Speaking Camp

In this camp, children try different activities to practice their speaking and presentation skills and learn the art of effective communication. Participants will use fun interactive activities, and games to develop self-confidence and learn to overcome nervousness.

## Ringette Camp

This program will focus on developing skating strides, starting, stopping, backward skating, lateral mobility, stick handling and much more. This program is designed for the house league, U10\_Novice and U12-Petite players who want to improve their Ringette skills. **Equipment is not included.**

## Robotics Camp

Campers will learn the mechanics of robots through hands-on programming. Robots are made from LEGO Mindstorm NXT. Campers will receive a photograph of their robots at the end of the week. **This camp includes swimming and special events.**

## Rocketry Camp

Campers will explore the world of rocketry by building and programming their own rocket. At the end of the week, campers will launch their rockets. This camp also includes games, activities and swimming.

## Science and Discovery Camp

Explore the wonders of science through fun and hands on experiments. Through weekly themes campers will participate in a variety of science activities, as well as outdoor play, recreational swimming, sports and games.

## Science and Discovery Optional Swim Component

Campers registered in the Science and Discovery camp will learn swimming skills through lessons. We run the Lifesaving Society learn to swim program and will place the campers based on their ability.

## Science and Exploration Camp for Juniors

This camp is designed for the pre-school child to discover the world of science through fun and exciting games, activities and experiments. Activities are designed to help campers investigate the properties of science.

## Skateboard & Scooter Camp by Evolve

This camp focuses on improving campers fundamental physical skills like balance and coordination, while finding their style on their board. Our staff are seasoned skateboarders with experience teaching skateboarding and scootering in a safe, fun way. Here campers are given time to master tricks and challenge themselves to learn and develop. Campers also participate in traditional camp programming and other sports daily. This Camp is run by Evolve, a skateboard and scooter company. **Equipment is not included.**

## Soccer Camp

Campers will develop their soccer skills, including ball control, passing and shooting on a daily basis. **Also included are games, tournaments, theme days and swimming.**

## Sports Camp

Campers will develop the basic skills needed to play a variety of sports. Each day will focus on developing their skills through drills, practice and play. **Swimming is also included.**

## Summer Registration Session SuperHero Training Camp

From Princess Elsa to Batman – this is the perfect camp for any child who dreams of being a superhero! Superboys and supergirls will be inspired through stories, dramatic play, games and challenges.

## Tae Kwon Do Camp

Campers will learn basic Tae Kwon Do techniques including breaking, blocking, kicking, striking, and punching. This martial art delivers mental and physical benefits including increased self-discipline, strength, flexibility and coordination. Sports, games, arts and crafts complement the Tae-Kwon Do instruction.

## Take Action Leadership Camp

Children will develop their leadership skills, as well as their ability to critically think and collaborate with others. With an emphasis on anti-bullying initiatives, participants will be challenged to become active citizens and a positive influence throughout their community.

## Tennis Camp - Children

Campers will work with certified Ontario Tennis Association coaches to improve their ground strokes, volleys, serve, game play and knowledge of game rules. Campers will take part in a friendly match every day.

## Tennis Camp - Elite

Players will work on tennis drills including increased power in serves, forehand, backhand, volleys and speed, and acceleration around the court. Each daily session consists of development of tactical, technical, physical and mental skills geared to individual players. Participants will work with a certified Ontario Tennis Association level 3 coach. Designed for advanced players who are currently competing in tennis tournaments and are looking to improve their game, the camp consists of 3 hours of on-court instruction.

## Tennis Camp - Pre Teen

Campers will work with certified Ontario Tennis Association coaches to improve their ground strokes, volleys, serve, game play and knowledge of game rules. Campers will take part in a friendly match every day.

## Theatre - Actors Workshop

The Actors' Workshop is designed to give aspiring actors the opportunity hone their talents and build up their stage experience - no experience necessary. Performance skills aren't just for the stage, but can benefit young adults in all aspects of their lives: speech, confidence, presentation skills and building a sense of self. Throughout the session Actors' workshop campers will take part in all aspects of a theatrical production. They will be responsible for learning their lines, cues, blocking, songs, and choreography. Actor's workshop campers are also encouraged to take on some leadership roles in areas where they are comfortable; be it helping with creating props and sets, or backstage. On a daily basis, a variety of theatre techniques are explored, such as improvisation, puppetry, accents, stage combat, dramatic movement, script and character analysis, and more. Actors Workshop students are given an additional opportunity to create their own piece, to be performed on the final day of camp for their fellow campers. Actors Workshop Camp takes place at the Flato Markham Theatre and culminates with a live, fully staged show created on the prestigious stage of the Flato Markham Theatre. **We produce two plays each summer: session 1 and 3 are the same play and session 2 and 4 are the same play. This camp runs for 2 weeks 9 a.m. to 4 p.m., with one hour (supervised) lunch. Before & After Care available.**

## Theatre - Junior Stars Theatre Camp

The Flato Markham Theatre Junior Stars program will allow your little budding performers to learn performance skills such as acting, dancing and singing in a completely inclusive, fun, and friendly environment. They will be directed by professional performing artists who specialize in younger talent. Above and beyond learning their lines, cues, blocking, songs, and choreography for the final performance, a variety of theatre techniques are explored on a daily basis, such as improvisation, tableau, dramatic movement, and more. This is a well-balanced program that also includes outdoor playtime, games, crafts, and other fun! Your child will obtain meaningful skills, make new friends, as well as build their confidence and understanding of teamwork. Junior Stars Camp takes place at the Flato Markham Theatre and culminates with a live, fully staged show created on the prestigious stage of the Flato Markham Theatre. **We produce two plays each summer: session 1 and 3 are the same play and session 2 and 4 are the same play. This camp runs for 2 weeks 9 a.m. to 4 p.m., with one hour (supervised) lunch. Before & After Care available.**

## Theatre - Kinder Theatre Camp

To meet the demands of our customers, The Flato Markham Theatre has developed a performance camp specially designed for children 4 and 5 years old. We believe this program is an ideal entryway to establishing

skills in the performing arts. Each week of camp is entirely different! Our campers will step into one of their favorite storybooks, poems, or songs, and bring them to life through specially selected music, dance, and drama activities. Campers will take part in fun-filled activities including: theatre exercises, movement games, dancing, and singing. This is a well-balanced program that includes playtime, games, crafts, and other fun! Your child will obtain meaningful skills, make new friends, as well as build their confidence and understanding of teamwork. Kinder Theatre Camp culminates in a performance in the classroom on the last day of camp for family and friends to attend. **This camp runs for 1 week 9 a.m. to 4 p.m., with one hour (supervised) lunch. Before & After Care available. Campers must be toilet trained and able to use the restroom by themselves in order to be enrolled in Camp.**

## Theatre - Summer Drama Camp

Flato Markham Theatre Discovery camp offers an exciting educational opportunity for young people to learn performing arts skills in a completely inclusive, fun and friendly environment. Throughout the two week session, camper's work together to rehearse an age appropriate Musical Play that has been specially written for every camper to explore and develop their unique talents in acting, singing and dancing. This experience matches a professional theatre performance in every sense. Every camper will be responsible to learn his or her lines, cues, blocking, songs, and choreography. On a daily basis, a variety of theatre techniques are explored, such as improvisation, puppetry, dramatic movement, and more. This

is an incredible developmental opportunity for building confidence, sense of self, speech, presentation and artistic skills. The staff are lead by experienced arts educators with years of professional performing experience. Drama Camp takes place at the Flato Markham Theatre and culminates with a live, fully staged show created on the prestigious stage of the Flato Markham Theatre. **We produce two plays each summer: session 1 and 3 are the same play and session 2 and 4 are the same play. This camp runs for 2 weeks 9 a.m. to 4 p.m., with one hour (supervised) lunch. Before & After Care available.**

## Triathlon Training Camp

Campers will train for triathlon including designing training logs, fitness and practical work. At the end of the week, campers will participate in a mini triathlon. **Campers must be able to swim.**

## Volleyball Camp

Campers will participate in indoor and outdoor volleyball and focus on skill development. This camp includes daily tournaments. **Recreational swimming is also included.**

## Writer's Workshop

Join other students in a relaxed atmosphere and explore a range of writing styles: manga, poetry, mystery, fantasy, plays, fiction and non-fiction. Try them all! Campers will expand their interest in writing and experience writing as a fun and creative opportunity for self-expression and communication. **Confirmation Text: Camp takes place from 9:00 am to 4:00 pm. Since the library does not open until 9:30, you are asked to meet camp staff at the library's main entrance.**

# Drop-in Camp

Cornell C.C. | Jul. 7 – Aug. 20

Sir John A. MacDonald P.S. | Jul. 6-10 & 13-17

The City of Markham welcomes and encourages all residents to participate in our recreation programs. Every effort will be made for the child or adult to participate in an integrated or adapted program. It is important to consider the participant's ability when registering. If a participant requires a caregiver or volunteer to assist them, one will be admitted to the program free of charge.

## How do I know if support is required?

Please consider the following when registering:

- Extra support is required at school in the classroom
- A physical, development, and or learning disability exists
- Extra support is needed at home for basic care
- Participant is supported by an agency
- Participant has a safety plan with their educational institution
- There may be behaviours that need to be managed, such as: biting, pinching, slapping, or running.

Participants will be required to complete a City of Markham Intake Form to assist with integration. This will help our instructors adapt the program and provide the best possible service.

You are welcome to provide your own support. Following is a list of suggestions:

- A support worker that is provided by a social service agency or the family
- A family member or friend
- A caregiver that is familiar with the participants needs and abilities i.e. nanny/babysitter

## Volunteers

When requesting a volunteer through the City of Markham, please consider that volunteers:

- May not always be available during the day and time you have selected
- Are 14 and 15 years of age
- Do not support individuals with challenging behaviours
- Cannot provide lifts and transfers
- Cannot be alone with a participant

### Volunteers can:

- Provide encouragement during participation
- Break down instructions and program rules
- Repeat skills
- Be a buddy
- Provide a safe environment

### Inclusion Support Staff:

Caregivers can hire paid support for one-to-one assistance. These individuals are 16 years of age and older, have their Standard First Aid and experience working with various needs, and are High Five certified. Please note that there is a fee for this service.

## How to Request a Volunteer for Recreation Programs:

You will need to request a volunteer by calling the Community Centre where you will be participating. (See page 5 for contact information. Please provide us with at least two (2) weeks notice.)

For Aquatic Programs, please contact the pool where you have registered. (See page 41 for contact information.)

For additional information:

- **Special Needs/Adapted Programs:** Janet Beatty, 905-477-7000 x 3930
- **Markham Public Libraries:** Andrea Cecchetto, 905-513-7977 x 4997
- **Markham Museum:** Andrea Carpenter, 905-477-7000, x 3165
- **Varley Art Gallery:** Cheryl Rego, 905-477-9511, x 228

Our City of Markham Fitness Centres are accessible! We encourage everyone to join! Benefits include:

- Kranck Cycles for the upper body
- Lots of free weights and pulley selectorized pieces
- Whirlpool's are 104°F (not wheelchair accessible)
- Thornhill Therapeutic Pool 93°F and fully accessible
- Fitness staff are able to create and adapt a program specific to your needs

## Behind the Line Drama - Special Needs

Let your voice be heard. Let your story be told. With Behind the Line you are centre stage! Produce your own fun and interactive art or media project. Make a short movie, create a superhero, or become a character in a comic book. **No experience necessary**, a fun and unique opportunity to meet new people and develop your communication skills. A new media and interactive drama program dedicated to strengthening social and life skills of participants through action based learning strategies. This program is in partnership with Community Living.

## Everyday Healthy Cooking

Prepare real dishes at home. In the Everyday Healthy Cooking classes we open up to the world of cuisine and get in-depth about ingredients, nutrition, equipment selection and culinary techniques. Through these classes you will be able to master basic dishes and important techniques that will keep you cooking for life.

## Relationship Course

This Relationship Course will cover many important topics including: consent, personal space, public vs. private, strangers, acquaintances, friends, romantic relationships, dating, sex education, internet safety, lawful acts, and healthy relationships. This course was designed by Behaviour Management Services of York and Simcoe's Sexuality Clinic. Staff instructors have been fully trained.

## ART - Art Therapy - ADHD/ADD <sup>Varley</sup>

This eight week course offers children with Attention Deficit Hyperactive Disorder (ADHD) and Attention Deficit Disorder (ADD) a structured and creative environment for artistic expression. Through individual and collaborative art making, children will practise social skills, deepen relationships with others and correct attention and impulsivity issues. **There will be an initial meeting between Art Therapist and participants prior to the course. All materials provided. Note: no refunds 5 business days prior to the program.**

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee
Behind the Line Drama - Special Needs	18 yrs+	Centennial C.C.	Thu.	9:30 a.m. - 11:30 a.m.	Apr. 23	10	260688	\$112

	10 - 12 yrs	Varley Art Gallery	Wed.	5:30 p.m. - 6:30 p.m.	Apr. 8	8	257927	\$80

## ART - Art Therapy - ASD

This eight week course offers children with Autism Spectrum Disorders a safe and supportive environment for creative growth. Through drawing, painting and sculpting, children will have the opportunity to express themselves, use imaginative thinking, stimulate developmental growth and gain social skills. They will work independently as well as collaboratively on art projects. Art projects will be based on goals set in the initial meeting between participants and art therapist. *All materials provided. Note: no refunds 5 business days prior to the program.*

## Ballet and Jazz - ASD

Children learn a combination of ballet and jazz. All classes are visually supported, offer frequent breaks and ensure sensory needs are met while keeping the dance moves sharp and energized. A great way to improve muscle tone, coordination and have fun!

## Music Mania

This program is designed for children with special needs who enjoy music and its elements. This unique program is for children aged 7 - 15 who have various needs. Young musicians will have an opportunity to participate in instrument playing, movement to music, singing, improvising, song writing and listening to music. Musical opportunities will be presented in a fun, non-threatening environment.

## Wheels and Walkers Dance Class

All dance classes are accessible and modified to meet different mobility needs. Classes are designed to increase body awareness, embrace dancing on wheels and foster individual areas of strength and need.

## Adapted Aquatics

This 45 minute program incorporates water exercise and basic learn to swim techniques for participants who require more 'hands on' assistance. Adapted Aquatics is volunteer driven under the supervision of a specialized instructor.

# Multi-Sensory Room

The multi-sensory room is a therapeutic room for all abilities. It provides a respite from noise, an anxious home or school environment. It is a gentle introduction to relaxation, provides a quiet corner to manage stress. It is a safe, non-threatening, non-clinical environment. **Located at Cornell C.C., \$3.70 per parent and one child, \$6.00 per family.**

Monday	12:00 p.m. - 1:30 p.m.
Tuesday	9:30 a.m. - 11:30 a.m. 5:00 p.m. - 7:00 p.m.
Wednesday	9:30 a.m. - 11:00 a.m. 4:00 p.m. - 6:00 p.m.
Thursday	9:30 a.m. - 11:30 a.m.
Saturday	9:30 a.m. - 11:30 a.m.
Sunday	9:30 a.m. - 11:30 a.m.

(Mar. 23 - Jun. 12)

Sundays are closed for birthday party rental. To book a party, call 905-479-7753 ext. 4521

## ABC - Fit Club

Children will have fun learning the alphabet and basic language skills while hopping, skipping, running and getting active in our Indoor Playground. Activities will also reinforce counting and numbers skills. Fitness, fun and learning! *Children must be able to participate without parent.*

## Alphabet Adventures

This program will allow your child to learn through play. Each class will focus on different letters of the Alphabet. Creative activities, songs, stories and games will enhance the learning experience.

## Baby Jumpstart

Share special times with baby by participating in sensory activities and exploration through the use of books, bouncing rhymes, music, and games in order to stimulate brain development and promote early literacy in a fun social environment.

## Baby Massage

Touch is the primary sense for infants. A nurturing touch is essential to the growth and health of infants. Infant massage is a wonderful tool to help parents develop confidence when caring for their baby. Benefits for baby include, improved sleeping patterns, reduced discomfort from colic, gas and constipation and stronger digestive, circulatory and intestinal systems.

## Adventures in Math & Science

Discover math and science concepts through literature and hands-on activities based upon familiar situations. Activities capitalize on children's natural curiosity and help foster a positive attitude towards mathematics and scientific discovery.

## Ballet

This ballet course combines the basic movements of ballet and rhythm, and an opportunity to participate in a multi-level instructional class setting. Children will become familiar with steps and movements, following the directions of the instructor. *Parents do not participate.*

## Ballet - Intermediate

This ballet course continues and develops the basic movements of Ballet and Rhythm. *Ballet Beginner is a prerequisite. Parents do not participate.*

## Babygym

You and your baby will experience body awareness through specially designed movement, play and exercise.

## Bollywood / Hip Hop

This program is ideal for children who wish to learn a combination of Bollywood and Hip Hop Dancing. Our instructor will lead your children through a variety of dance steps each week with the goal of performing full routines by the end of the season.

## Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, checks, checkmate, stalemate and pawn promotion.

## Combo Craze

A combination of ballet, jazz and creative movement steps will be taught in this class.

## Cupcake Surprise

Preschoolers will learn delicious cupcake recipes and decorating techniques. They will also learn the basic safety skills in the kitchen. Each preschooler will actively participate in the preparation of each recipe and will assist in the clean up. All chef's creations will be eaten at the end of the class. *A \$2.00 per class extra food fee payable to the instructor*

## Dance P13y

The DANCEPL3Y Preschool program is designed specifically for children ages 3-5 to discover dance in a playful and interACTIVE way through creative story lines and music that MOVES them. Building the foundations for dance through rhythms, fundamental movement skills and playful group formations, young dancers will discover a love of dance as they leap, hop, crawl, turn, spin and jump into their “Bubble of Awesome”.

## Dealing with Feelings

Through books, songs, and activities, this fun program will enable children to explore and understand various feelings they may have. It will cover day to day feelings children experience, understanding them, controlling impulsive reactions, and learning that everyone’s reactions may be different. Independent learning program.

## Energy Burner

Perfect for the pre-schooler who has energy to burn! Cooperative games, soccer, and basketball are all included. Running shoes must be worn. *Please send your child to class with a water bottle.*

## Fun with French

Give your child the opportunity to have fun with French. This program is for the older pre-schooler, to learn French in a recreational setting. Children will learn numbers, letters, and simple instructions in French.

## Fun with Numbers

This program will allow your child to learn through play. Each class will focus on different numbers. Creative activities, songs, stories and games will enhance the learning experience.

## Fun with Spanish

Give your child the opportunity to have fun with Spanish. This program is for the older pre-schooler, to learn Spanish in a recreational setting. Children will learn numbers, letters, and simple instructions in Spanish.

## Get Ready Drama

Dramatic play helps children express themselves and put thoughts into words. This program will build your child’s literacy skills through rhyme, song and movement as your child memorizes and acts out a familiar children story. Crafts and props are created for the final performance whereby parents are invited to watch the children dazzle, surprise, and entertain! Independent learning program

## Get Ready for French

MPL Learning Place-Through the use of books, songs, music and movement this program teaches the alphabet, basic vocabulary with a new theme each week preparing young learners to foster a positive attitude towards French language.

## Get Ready Mandarin

This literacy based program will introduce young children to many aspects of the Chinese (Mandarin) culture. Child will learn to speak, understand, and write using

simple chinese characters in Mandarin. In order to retain this knowledge and recognize its roots, part of the program will be dedicated to learning about the culture. Books, arts, craft activities, and games that are rooted in the chinese culture will be presented. Independent learning.

## Get Ready for Public Speaking

Your child’s first public speaking class! This program introduces JK/SK children to simple activities that help build confidence and provide opportunities to communicate effectively with their peers. A great introduction to public speaking skills.

## Get Ready for School

Children will enjoy fun-filled, cooperative-play activities focusing on literacy, arts, math and science. Participants will also build emotional skills, self-confidence and independence, fostering greater social and academic success at school. Independent learning.

## Gym for Life

This program has been developed around studies fo long term athlete development. This program will provide your child with a strong foundation of physical preparation for all sports. Rotation will be set up to include acrobatic and circus skills, the manipulation of hand apparatus and proper ball technique. Skills will be geared to the age and level of each child. Music will be incorporated into this program while the children move to each activity your child will improve focus, eye and hand coordination, flexibility, agility and core strength. *Course will be taught by NCCP certified instructors.*

## Hop, Skip, Jump and Thump

Join us for a fun active program where you child will learn about their bodies through active games. They will learn about their muscles and healthy eating through the Canada's food guide.

## Jazz Dance

This course combines all pre-school jazz dance abilities. It is suitable for both beginner and intermediate levels. **Participants must be 3 years at the start of the program. Parents do not participate.**

## JK/SK Enrichment Program

This program is geared to kindergarten aged children who are interested in furthering their reading, writing and math skills. A fun,

language-based program that would support the Kindergarten curriculum through music, poetry, art and movement. This class is intended to reinforce or extend skills that are to be learned in kindergarten.

## Jr. Sports Soccer - with Parent

Interested in getting in shape in a fun environment and love soccer. Each day the parent will participate in soccer drills, skills, scrimmages and your preschooler participates in their own mini games.

## Junior Sports - Basketball

An opportunity to play recreational sports with other young friends. A general warm-up, skills session and playing time will be offered each week.

## Junior Sports - Floor Hockey

Pre-schoolers will make friends, develop motor skills and social skills while playing a variety of recreation sports. A general warm-up, skills session and playing time will be offered each week. **A CSA approved Hockey Helmet with face mask is mandatory.**

## Junior Sports & Games Club

An opportunity to meet new friends and enjoy a variety of recreational sports and games every week.

## Junior Sports Soccer

An opportunity for young boys and girls to play with other young friends and be introduced to recreational soccer through active, fun soccer related games and activities.

## Junior Sports with Mom

Hey Mom! Bring your child to a jam packed 90 minutes of sports, games and fun. You will play a variety of sports including, soccer, floor hockey, basketball and other fun games and activities.

## Junior Sports with Mom / Dad

Hey Mom, hey Dad! Bring your child to a jam packed 60 minutes of sports, games and fun. You will play a variety of sports including, soccer, floor hockey, basketball and other fun games and activities.

## Kids on the Go!

Hey, Kids! Let's move and play! This is an active program with a combination of choice play and cooperative group activities. Each week the program will feature different activities like sport skills, obstacles, dodgeball and active games.

## Kindercreations

This is a program for children who love to draw, doodle, glue, paint and create. The children will have opportunities to experiment with modelling clay, felt and recycling materials. **Parent Participation.**

## Kindergym - Level 1

A fun-filled program for you and your child to experience and play on gym equipment. This program is designed to develop coordination, motor skills and body awareness through exercise, games and songs. **It is best if children are walking to take advantage of the full program. Walking to 2 years old PARENT RATIO - 1 Child to 1 Parent**

## Kindergym - Level 2

**2 and 3 years of age PARENT RATIO - 1 Child to 1 Parent Parents participate.** A fun-filled program for you and your child to experience and play on gym equipment. This program is designed to develop coordination, motor skills and body awareness through exercise, games and songs.

## Kindergym and Swim - Level 2

This program is designed to introduce children to a variety of climbing and gross motor apparatus as well as fun in the water. The program offers children the opportunity to combine kindergym and swimming in a recreational capacity. **The swimming session is not an instructional swim lesson. Parents participate.**

# INDOOR PLAYGROUND

**P**arents are responsible for the supervision of their children. No registration required — just drop by. **Cost: \$3.00 per adult and one child (\$0.75 per each additional child). For details, contact the community centre nearest you. (see "Program Contacts" on page 4 for details)**

**Angus Glen C.C. (Mar. 27 - Jun. 21):**

General Programs

## Le Petit Tennis

Le Petit Tennis is a visual story based tennis program to help children of ages 3-5 to discover tennis through a series of engaging stories while traveling across countries and cultures. The story and image based component that allows for better communication with children and maximizes their attention span and focus. Kids learn in a safe fun environment with small format courts, age adapted equipment like large inflatable balls, lower nets and smaller racquets.

## Little Learners

Participants will learn about numbers, letters, seasons, animals and nature in a stimulating and engaging environment. Little Learners will enjoy activity stations, circle time, songs and theme days.

## Little Movers

This is a Parent & Top program is available in two groups to suit the developmental stages of your child. Small equipment, songs and stretches and activities will be included to let your child grow cognitively and socially and refine their motor skills.

## Little Sneakers

Time to lace up the sneakers and burn off some energy! Physical activity is the focus of this energetic camp. Each class children will participate in a variety of activities that

encourage the development of motor skills and social interaction. Children will participate in a variety of sports, co-operative games, arts and crafts and more.

## Magic of Dinosaurs

This program is geared to children who enjoy the mystery and magic of dinosaurs. Children will participate in crafts, games, scavenger hunts, gross motor activities and many other exciting activities related to dinosaurs.

## Mini Chefs

Children learn the basic safety skills in the kitchen and will be preparing fun, nutritious finger foods. We have partnered with York Region Public Health to provide a healthy program. Each preschooler will actively participate in the preparation of each recipe and will assist in the cleanup. All chefs' creations will be eaten at the end of the class. **A \$2.00 per class extra food fee payable to the instructor will be required.**

## Mom and Tot Ballet

This program is for Mom and tot to experience the movements of dance and ballet. You will participate with your child as the instructor leads you through a series of beginner ballet movements. Children will learn to work together, and enhance their early childhood coordination.

## Mommy and Me Yoga

Yoga can be a fun and playful time for new moms and babies to receive a gentle workout, and great relaxation. The postures and breath work provide stretching, strengthening and rejuvenation for mind and body. Share your experience with other mothers. Suitable for infants ages 2 months to crawling.

## Movin and Groovin'

Move and groove to the music and enjoy the active play, songs, musical instruments, and creative movement this exciting class offers. Age 2.5-5 yrs.

## Museum - Amazing Afternoons

Looking for something new to do with your active preschooler? Join us at the Museum for fun, educational and interactive activities specifically designed for you and your little one. Classes are lead by our experienced program instructors and incorporate the museum's unique features including our heritage orchard, exhibitions, and historic buildings. Each 4 week session has a new theme and activities, so you can sign up for multiple sessions! **Cost for 1 child and 1 adult, additional children \$40.00 each (max 3 children per adult).**

## Museum - Mini Mornings

Looking for something new to do with your active preschooler? Join us at the Museum for fun, educational and interactive activities specifically designed for you and your little one. Classes are lead by our experienced program instructors and incorporate the museum's unique features including our exhibitions and historic buildings. Each 4 week session has a new theme and activities, so you can sign up for multiple sessions! **Cost for 1 child and 1 adult, additional children \$40.00 each (max 3 children per adult).**

## Museum - Parent & Me Pottery

Join us as we explore the wonderful world of clay in our NEW Pottery Studio! This program provides an opportunity for those big and small to play with clay, to each make a special treasure, and best of all spend time together while being creative. We will explore methods of hand building such as sculpting, surface decoration, slab building and coiling. Together with our professional artist instructors participants will also get to glaze their work before being fired. **Cost for 1 child and 1 adult, additional children \$75.00 each to a max of 3 children. Includes all supplies and firing of one piece per person.**

## Museum - Spring Munchkins

'Spring Munchkins' was designed to provide preschoolers with a memorable one-of-a-kind experience. Each Saturday, the 3 hour program will be filled with exciting crafts, activities, games, and songs. Educational and exciting themes will be experienced in a creative and caring environment designed to engage and captivate. [www.markham-museum.ca](http://www.markham-museum.ca) for the weekly program details.

## Music Corner

The use of songs, stories, movement and percussion instruments will develop the child's language and listening skills, sense of rhythm and his/her confidence and sense of self-esteem.

## Music for Babies

Connect and interact with your baby through rocking songs, poems, instrument playing and lot of wiggles and giggles.

## My Little Carpenter

This program is designed to introduce preschoolers to the art of woodworking in a safe and creative environment. Children will learn to safely use a hammer, nails and will bring home their project at the completion of the course.

## Our Time Together

Come and enjoy a relaxing morning of friendship and activities in the company of parents and children. Have fun participating in various learning activities with your

child under the supervision of a qualified instructor. It is an opportunity to make new friends and share conversation and concerns. **Newborns welcome if an older child is also registered in the program. \$21.00 each additional child - excludes newborns (max.3).**

## Our Time Together - Additional Child

Join the fun for a creative morning of crafts, play centres, stories, circle activities and finger plays while socializing with other children in a positive setting. Cost covers additional child only.

## Parent & Tot Mini Chefs

Join your child in this class learning kitchen safety, nutrition and fun recipes. You will both actively participate in the preparation of each recipe and will also assist in the clean up. **A \$15.00 cost for materials and food will be required.**

## Parent & Tot Yoga

This program will relax yourself and your child. This class is a gentle way to exercise the body for you and your child. Learn how to relax, tone, and strengthen the body.

## Parent and Tot - Ball Hockey

Come out and participate with your preschooler to learn the basics of ball hockey. They will learn through active drills, recreational games and hockey related activities **Players must wear CSA hockey helmets, face masks and gloves.**

## Read and Play

Play is one of the primary ways preschoolers learn about the world. Play-based activities, stories, songs and crafts will appeal to your child's natural curiosity and support development of literacy skills through sounds in words, creative thinking and problem solving skills to prepare for school success. (Based on Every Child Ready to Read practices)

## Read and Sing

Music based activities help develop children's language abilities, social skills and teach pre-reading skills. Have fun with singing, movement, stories and musical games to stimulate your child's creativity and imagination. (Based on Every Child Ready to Read practices)

## Read and Talk

Talking with children helps with oral language. Enjoy shared reading activities, crafts, and play that will encourage conversation and storytelling to help your child learn new words, learn to express themselves and develop their pre-reading skills. (Based on Every Child Ready to Read practices)

## Read and Write

Reading and writing go together. Developing fine motor skills, understanding letters, shapes, drawing and scribbling are all important steps to learning to write. Help your child develop reading and writing skills in a fun environment. Get a great start on school success! (Based on Every Child Ready to Read practices)

## Ready to Read

Reading together remains the single most effective way to help children become readers. Enjoy shared reading activities to develop vocabulary and comprehension through stories, rhymes, songs, and crafts to help your child prepare for reading readiness (Based on Every child Ready to Read practices)

## Rolling Strollers

This program is designed for caregivers at home who enjoy walking with and want to get out for some social interactions. You will be using the indoor track at Cornell and we will provide the stroller to keep our track clean.

## Sandwich Surprise

Preschoolers will learn delicious sandwiches for a healthy start to school lunches. They will also learn the basic safety skills in the kitchen. Each preschooler will actively participate in the preparation of each recipe and will assist in the clean up. All chef's creations will be eaten at the end of the class. **A \$2.00 per class extra food fee payable to the instructor**

## Spectacular Science

This program will allow children to learn about science, nature, biology, colour, volcanoes and much more through simple experiments and crafts.

## Speed Math

See "Speed Math" on page 44.

## Stories and Crafts

Come and join the fun as we select a special story geared to young children followed by creating a craft. Children will have the opportunity to use their imagination and create a craft around the theme of the story book.

## Super Hero Training Club

Calling Superman, Batman and Wonder Woman. The time is now; the place is here for the Super Hero Training Club. Children will explore the world of being a super hero through sports, games and theme days. Children will have the opportunity to develop their own superhero character.

## Teeball with parents

A wonderful sport to introduces children to baseball. Our trained instructors will lead your child through fun activities and exercises that will help develop throwing, catching and hitting skills. **Parents participate**

## Tennis Tots

This new tennis program is geared for young children who have an interest in learning tennis. Focus of the program will be fun, introduction to ground strokes and movement on the court. This program is geared for children between 4 - 6 yrs. and must be 4 yrs at the start of the program. Progressive

Tennis is the teaching method used at the Angus Glen Tennis Centre and is used as a development tool to allow young children to improve their overall tennis skills faster as they can transition to the regular court with more ease. Half court tennis is the first step in progressive tennis. The transition to successful half-court tennis will require a period of skill development where basis coordination and cooperative activities will lead to the development of the basic stroke and fundamentals.

## Toddler Jumpstart

Share special times with your toddler by exploring the world around them through stories, rhymes, music, creative play, and craft creation in a social environment for toddler and caregiver. Program encourages fine and gross motor skills, and supports language learning and early literacy skills.

## Tot Spot - Program 1

2-3 years of age. Must be 2 by start of program. **Parents do not participate.** This program is designed to provide a variety of learning opportunities for your child. Children will be introduced to a wide selection of crafts, music, and co-operative games with the opportunity to socialize with their peers. **NOTE: Instructors do not change diapers.**

## Tot Spot - Program 2

3-5 years of age Must be 3 by start of program. This program is designed to provide a variety of learning opportunities for your child. Children will be introduced to a wide selection of crafts, music, and co-operative games with the opportunity to socialize with their peers. **Please bring a painting smock for your child. NOTE: Instructors do not change diapers. Please bring a peanut free snack to each class.**

## 3D Creation and Printing 2

Learn how to design and model 3D structures using easy software. Students will be able to create 3D objects like a cup, house, building etc. This program will engage students with the tools required for design, inventing, and fabricating which can lead to various career paths such as industrial design and engineering. Bring your imagination and creativity, and take home a small 3D structure you will print from a 3D printer (*\$15 fee payable at time of registration for technology supplies*)

## Acrobatics

Acrobatics is a discipline of gymnastics which focuses on team work, balance, flexibility and coordination. Acrobatics is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the class for you. **NOTE: No shoes are required, only bare feet.**

## Archery

This program is designed to teach children basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

## ART - Easter Egg-citement at the Varley

Easter marks the beginning of spring and the end of winter! Children will make their own Easter-themed artwork and decor! We'll end of the afternoon with a good old-fashioned Easter Egg hunt in the gallery, where kids will keep all the goodies they find! **All materials included.**

## ART - Elements of Art & Design

Would you like to challenge your children to explore their creativity in a fun and creative environment? Our professional artist/instructor will introduce your children to the principles and elements of colour and design, whilst encouraging self-expression and experimentation. Children will build on this knowledge and explore drawing, water-colour and acrylic painting, printmaking, clay & multi-media sculpture. These art fundamentals are essential in developing both observation, spatial skills and co-ordination. Classes will also include visits into the Gallery where the kids will be inspired by the masters of Canadian art. At the end of the term, kids will be proud to show off their work in their own in-class Art Show! **All materials provided.**

## ART - French PA Day Extravaganza!

A full day of art making in French! Students will participate in a full day mixed media art workshop for children ages 6-12. The art adventures begin with exhibition inspired projects in painting, drawing and sculpture creations both morning and afternoon. **All materials included. Please bring a nut-free snack and lunch. Program is from 9am-4pm; extended care is included from 8-9am and 4-6pm.**

## ART - Mixed Media for Mini Artists

If your little one has shown an eye for colour and loves to get his or hands messy, this is the perfect class to start their artistic journey. Kids will learn about a variety of media; printmaking, pastels, paint and more! It is never too early for your child to explore their creative side, and improve their spatial, observation and self-expression. Kids will enjoy interactive tours of the cur-

rent exhibitions at the gallery and learn and be inspired by original works of art. **All materials provided.**

## ART - PA Day Extravaganza

Students will participate in a full day mixed media art workshop for children ages 6-12. The art adventures begin with exhibition inspired projects in painting, drawing and sculpture creations both morning and afternoon. **All materials included. Please bring a nut-free snack and lunch. Program is from 9am-4pm; extended care is included from 8-9am and 4-6pm. All materials included.**

## ART - Sculpture & Design Fundamentals

For the intermediate student, kids will take their knowledge of colour and design principles to the next level. More challenging and Designed especially for the curious and tactile child, this class will explore the wonderful world of three-dimensional art! Classes will focus on sculpture creation from a variety of media including clay, recyclable materials, paper and everyday objects. Projects emphasize creative thinking and exploration of materials while developing additive and subtractive sculpting techniques, building skills and improvement of co-ordination. **All materials provided; additional \$10 cost of glazing and kiln-firing payable at time of registration.**

## ART - Start with Art!

Bring your creative geniuses to the gallery and harness their energy and imagination in a positive and encouraging environment. Children will be introduced to the wonderful world of colour and imagination through drawing, painting and sculpting projects. Focus will be on the fundamentals of art, colour mixing and brushwork.

## ART - Young Art Masters

The perfect way to whet your young ones' creative appetite. Art allows children to express their ideas and concepts visually, and leads to a balance in development. Children are encouraged to engage in both traditional and non-traditional art projects in a variety of media, and explore their diverse roots and experiences through art. **No experience required but come with an open mind! All materials provided.**

## Badminton

Here is an opportunity to play recreational badminton with your friends. Matches and round robins will be set up for your enjoyment. **Birds supplied, racquets required.**

## Ballet - Beginner

A basic course covering the technical aspects of ballet, positioning of arms and legs while combining several dance steps. The program also provides an opportunity for the development of grace and creativity.

## Ballet Creole Dance

Fitness, Creativity and Fun! Dance to live Afro-Caribbean rhythms of the drum with this Creole Dance Class for KIDS! Learn dance movements from a professional Afro-Caribbean dancer. Combining movements from Afro-Caribbean culture with contemporary dance, this dance class will enhance key childhood development mental skills - including coordination, concentration, and confidence and get them moving like never before! The class offers a warm up, Contemporary Afro-Caribbean Dance exercises and a short dance combination. On the last day, enjoy watching the progress

with an in-class performance! *Offered by the Flato Markham Theatre, in partnership with the renowned Ballet Creole Dance Company, this session is designed for kids to get moving and have fun!*

## Basketball

Recreational basketball including a general warm-up, teaching sessions and playing time.

## Basketball for Girls

This recreational basketball program has been planned for girls to enhance their skills through specific drills and game play.

## Bollywood / Hip Hop Dance

This program is ideal for children who wish to learn combination of Bollywood and Hip Hop Dancing. Our instructor will lead your children through a variety of dance steps each week with the goal of performing full routines by the end of the session.

## Car Modelling

ZoooommM!! Get an opportunity to build a model vehicles! Learn from modelling experts in putting the model together and spray painting your finished product. *An additional cost of \$20 for supplies payable upon registration.*

## Cheerleading

The focus will be on basic stunting, with an emphasis on technique of basic jumps and acrobatic skills, and teamwork. Routines will include dance moves with a different motions. Cheerleading develops coordination, balance and strong sense of self esteem. Classes will be taught by USASF certified instructors.

## Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship traits for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, check, checkmate, stale-mate and pawn promotion.

## Chess & Badminton

Participants will exercise their minds and bodies in this one of a kind program (no experience required). Our chess & badminton specialist will lead instructional

drills, exercises, and supervise friendly matches every class.

## Circus

This program is designed to develop strong physical base of coordination, balance, strength and focus. Your child will learn skipping rope skills, hoola hoop, juggling and acrobatic dance to music. There will be an artistic presentation at the end of the 9 weeks.

## Computer Animation - 2D Stick-man

Whether it is your first time or you have taken animation before, this program will provide you with excitement as you create moving animation. Become an animator in full control of 2D stick figure movements by dragging handles and moving joints, and the opportunity to create any type of action you want!

## Computer Animation-Cartoons

Come unleash your imagination in this program by creating your own animated cartoon movie. You will be guided step by step using your own voice and funny special effect sounds in a computerized environment, as you create and watch your cartoon come to life! This course develops logical and motor skill, stimulating creativity and self expression. At the end of the program children will bring home a DVD.

## Computers-Keyboarding - Beginner

Students learn the correct typing technique including the correct finger position on the keyboard, typing lower and uppercase letters without looking at the keyboard. In addition to lessons completed in class, students will have access to personalized online accounts for the duration of the course to learn and improve their typing skills at home. The typing accounts contain lessons, exercises and exciting typing games tailored to each students needs.

## Computers-Microsoft Excel

Designed to introduce students to complex Excel features that assist in completing school work. Upon completion of the course students will be able to enter and format data, autofill, sort, create and format charts. Lessons on formulas and functions include: sum, average, count, max, min, as well as logical functions: if, sumif(s), averageif(s), countif(s), and more

## Computers-Microsoft Word

Students learn all necessary functions of Microsoft Word required for school projects. Lessons are provided on formatting, graphics, spell-check, page layout, columns, track changes, tables, smartart, hyperlinks, table of contents etc.

## Computers-My First Computer Workshop

Students learn to type and use basic features of Microsoft Word and Paint. Topics include: printing, saving, clip art pictures, font, drawing and educational games. Students will also have access to personalized online accounts to complete typing lessons, activities and games.

## Crafty Kids

If crafts are your game, this program is for you. You'll experience a variety of fun and exciting crafts to bring home each week. Join us for the fun!

## Creation Station

Create it, build it, and share it. Children will have the opportunity to use their imagination and create a story through the use of building with LEGO bricks. Participants will take home their creations and share their story with others. Each week a new theme will be introduced and demonstrated on building something new and exciting using a variety of LEGO pieces. **Please note that this program is not sponsored by the LEGO Group. There is a \$15 material fee payable to the instructor at the first lesson.**

## Creative Writing

Learning the tools to craft stories strengthens creativity, communication skills, speech and vocabulary. In addition writing allows children to explore their own feelings and allows them to stretch their imaginations beyond their wildest dreams.

## Cricket

A fun action packed recreational sport based on the elementary rules of cricket. It's easy to learn so no previous knowledge or experience is required. Softball Cricket is used for instructional purposes. Check out the ACTION!

## Dance 2 the Beat

Do you love to dance? This class will give you a great chance to explore and enjoy a variety of music and dance styles such as jazz, hip-hop, lyrical, musical theatre and more all in one energizing and upbeat class! Participants will perform selected dances at an end of the session dance showcase.

## Dance P13y

Are your kids ready to get active and playful with dance? DANCEPL3Y is innovative kids dance/ fitness program that uses simple movements from a variety of dance styles (Hip Hop, Urban, Ballroom, Bollywood,

Lyrical, Jazz/Funk) to explore the elements of dance while developing Fundamental Movement Skills! Our unique 360-degree use of space is paired with creative story lines and playful group formations to create a safe, interACTIVE and engaging class where every kid can develop confidence through dance. Guaranteed to help meet the daily recommended 60 minutes of moderate to vigorous physical activity

## Dodge Ball

Join us for a very active hour of fun playing dodge ball by the official rules. You will also learn variations of dodge ball such as king's court, corner, and all for one. This program is for those who have a lot of energy.

## Drawing and Painting

A basic course offering instruction in the different categories of drawing using a variety of mediums such as watercolours, pencil, ink and pastels. Participants will spend time on an individual project involving most of the media covered. **Materials will be supplied.**

## Drawing and Painting - Intermediate

For those who have taken beginners program and are looking to further their artistic talent.

## Drumming

Qualified staff will lead you through basic drumming skills to enable you to play along with your favourite songs. Drums are provided and we work in a 1:4 instructor - student ratio.

## EQAO HELP! Preparation

MPL's Learning Place - EQAO standardized testing provides information on how well students have learned the Ontario curriculum in reading, writing and math. *This program reviews grade appropriate curriculum and test taking strategies to prepare students for EQAO testing for Grade 3 and Grade 6.*

## Essay Writing for Children

Students progress through the process of report writing, including organization, research, note taking, and paragraph writing to develop a well structured essay. *Ideally suited for students in grades 4 to 6.*

## Floor Hockey

An opportunity to play recreational sports with other friends. A general warm up, skills session and playing time will be offered each week. *Sticks will be provided. CSA hockey helmet is mandatory for all participants.*

## Floorball for Children

Floorball is an exciting, fast-paced form of hockey focused on highly skilled play. Floorball is one of the fastest growing sports in the world today because it is low cost, safe and extremely exciting to play and watch. This program will cover the basic skills according to The Ontario Floorball/Unihockey Federation. *All equipment will be provided.*

## Fun with Spanish

Give your child the opportunity to have fun with Spanish. This program is for the school age children, to learn Spanish in a recreational setting. Children will learn numbers, letters, and simple instructions in Spanish.

## Get Ready for French

MPL Learning Place-Children in grade 1 and 2 will learn simple instructions in a fun French environment. Children will master pronunciation of the alphabet, basic rules, and simple vocabulary using activities, French songs and storybooks. By the end of the program, children will be capable of conducting a brief French conversation.

## Get Ready Math

Develop a solid foundation in Grade 1 & 2 Math. Explore curriculum related concepts in number sense, measurement, patterning and geometry. Program includes problem solving and reasoning to help students apply their understanding to real life situations.

## Girls Get Crafty

Girls Get Crafty motivates young girls to create items they can be proud to show friends and family or to give as gifts. They will produce high-quality crafts that come in prepackaged kits. Projects are fun, fairly mess-free and very cool. Some examples of what they will create are hair accessories, bracelets, magnets and more. *All materials are included in the price of the course.*

## Girls on the Go

From basketball to volleyball to soccer and badminton, this program is for the energetically inclined. Tons of sports to keep you active from head to toe!

## Glee - Musical Theatre

This class combines dancing, singing and acting. Musical numbers from popular shows will be chosen and participants perform at the end of the session.

## Grammar

Through language-oriented activities students will learn how the English language works, while learning parts of speech, punctuation and sentence structure. Students will improve their knowledge of language conventions to correct errors, refine expression and present their work effectively.

## Guitar Lessons - Beginner

An introductory course offering the novice instruction in guitar through practice and theory. *An acoustic guitar is required by each student.*

## Guitar Lessons - Intermediate

Assuming student has knowledge of notes and chords, more advanced techniques will be covered including learning the entire fretboard including finger style and picking techniques to play more advanced songs with ear training to transcribe tunes from CD's. Theory to be learned will cover major and minor scales as well as chord construction. *Own guitar is required.*

## Guitar - Advance

In this class participants will continue learning new techniques and songs. Some

theory will also be taught. *Participants must have taken the beginner and intermediate program. Guitar is required.*

## Gym Ringette

Gym Ringette is an excellent program for both boys and girls as a team sport that emphasizes fun while providing participants with the opportunity to develop strength, balance, flexibility and muscular coordination. Gym Ringette develops cooperation with team mates, socialization and health competition.

## Hip Hop - Level 1

Are you in tune with the latest hip hop moves? Do you want to learn how to dance like some of your favourite hip hop artists? This program is designed for children who love to dance!

## Home Alone

This workshop is designed to prepare children for the challenges of being home alone. Participants will learn how to deal with phone calls and visitors, handling emergencies, safety around the house and how to prepare simple meals and snacks.

## In-Line Skating Clinic

This program is for beginners to learn the basics of in-line skating in a controlled environment. *Participants must have their own equipment. CSA approved hockey helmets are mandatory. Elbow and knee pads, as well as wrist guards are highly recommended.*

## Indoor Ball Hockey

Fast-paced action will be featured during this program. Each day includes a warm-up, skills drill and a game. *Players must wear CSA hockey helmets, face masks and gloves.*

## Indoor Golf

Whether you need to learn the basics or brush up on your skills, our golf instructor will help you. *Please bring a #7 iron to the first class.*

## Indoor Hockey

This program is for boys and girls who like to play hard and have fun. Cosom hockey or floor hockey is a game of running and teamwork. Participants will be split into teams and play 45-minute games plus a warm-up. *White-soled running shoes and C.S.A. approved helmets with face masks are mandatory.*

## Indoor Soccer

PANAM

This basic recreational soccer program is designed for both boys and girls interested in the game of soccer. The emphasis will be on active, fun soccer related games and activities. Warm up, fitness training and skills development aspects will be dealt with in a manner appropriate to each group and to the individual children. *Shin pads mandatory to participate in program. Children must be 6 years old by the start of program.*

## Indoor Tennis

PANAM

This basic recreational tennis program is designed for both boys and girls interested in the game of tennis. Progressive Tennis is the teaching method used at the Angus Glen Tennis Centre and is used as a development tool to allow young children to improve their overall tennis skills faster as they can transition to the regular court with more ease. Half

court tennis is the first step in progressive tennis. The transition to successful half-court tennis will require a period of skill development where basis coordination and cooperative activities will lead to the development of the basic stroke and fundamentals.

## Indoor Tennis - Level 2

PANAM

Ideal for those who have taken indoor tennis lessons previously. The class will focus on adjusting to technical and practical play. Participants will learn weight distribution, proper footwork and stroke fundamentals including the forehand, backhand and serve. Players will learn how to put spin on the ball. Learn to judge where the ball is going and can direct strokes with moderate success and sustain a rally from 3/4 of the court. *Tennis racquet and proper footwear required. This class is geared to the participants who currently plays tennis.*

## Jazz Dance - Beginner

Through the teaching of basic dance steps and movements, girls and boys will develop simple jazz routines. *The class is for beginners only.*

## Junior Public Speaking

mpl

Public Speaking is a powerful tool for communicating and learning. Participants will have opportunities to speak for a variety of purposes, including sharing information, questioning, storytelling, and group activities to develop themselves as confident speakers.

## Karate

PANAM

This program is designed for girls and boys to learn traditional Japanese style Karate, and achieve Self Confidence, Discipline, Leadership and physical strength. The students will utilize all areas of kicking, punching, throwing, and sparring. Work towards Belt training, details in class.

## Karate - Children/Pre Teen PANAM

Karate and jiu-jitsu is a realistic and effective form of self-defense, discipline and self-esteem. *This introductory karate class incorporates kata, punches, blocks and throws.*

## Kids in the Kitchen

Children will enjoy cooking and eating a variety of fun recipes. We have partnered with York Region Public Health to provide a healthy program. Basic cooking skills, kitchen safety and fun will be emphasized. *Additional food cost of \$2.00 per class payable to the instructor will be required.*

## Kids in the Kitchen- Cookie/Square lover

Children will enjoy cooking and decorating a variety of cookies and squares. Kids and cookies go great together! Basic cooking skills, kitchen safety and fun will be emphasized. *Additional food cost of \$2.00 per class extra food fee payable to the instructor will be required.*

## Kids Just Wanna Have Fun

It's true.....kids do just wanna have fun! This exciting program is held in the Indoor Playground at Cornell Community Centre. The programming will include: scavenger hunts, theme days, crafts, team building activities and active play.

## Kids Love Lego

A creative fun program where kids can learn to build items using Lego. Participants will be challenged to create their own model using balance, stability, mechanics and colour.

Each week a new theme will be introduced and demonstrated on building something new and exciting using a variety of Lego pieces. Experienced staff will lead the program and work with the participants using teamwork, creativity and problem solving techniques. *There is a \$10.00 material fee payable to the course instructor on the first class. Please note that this program is not sponsored by the LEGO Group.*

## Kids Love Lego - Advanced

This Lego program is geared to children and youth who have experience in working with Lego and want to further develop their building skills. *The introductory course is recommended prior to taking this advanced course.*

## Knitting & Crochet

In this course students will learn basic knitting and crochet. Students will learn how to use a crochet hook and knitting needle. Class projects including learning how to make a scarf, hat and place mat using crochet and knitting techniques.

## Kung Fu

Kung Fu originally means a continuous long term effort put forth to complete a task. Nowadays, Kung Fu generally stands for Chinese martial art. The concept of Kung Fu teaches about discipline and assertiveness which can be applied to every aspect in life. Shaolin Kung Fu, one of the most practiced martial arts worldwide is taught in this program.

## Kung Fu Level 2

This course is for those who have completed the beginner course and are interested to continue to learn more about kung fu. Level 2 students will learn additional footwork and new routines. *Participants must have taken Kung Fu and passed an assessment test.*

## Leadership and Self Confidence Development mpl

Develop self-confidence and leadership skills! This program fosters self-esteem and enhances talents, skills and motivation through a variety of exercises and activities.

## Looney Tunes Cartooning

Don't just watch cartoons and read comics, come and learn to draw your own. For participants who enjoy doodling and creating their own cartoon characters.

## Lyrical / Contemporary Dance

Lyrical / Contemporary Dance combines the elegance of Ballet and intensity of Jazz and Contemporary Dance. The performer interprets and conveys the lyrics and emotion of the music through dance with the goal of developing grace, expression and fluidity. Students should have some jazz/ballet background prior to enrolling in this class. Classes will begin with a warm-up to stretch your muscles, centre floor work to strengthen technique ability and work toward leaps and turns across the floor.

## Magic

Learn advanced moves, misdirection, palming and professional techniques. Whether you wish to learn to do card flourishes, vanish cards, or make cards appear out of the air. **No experience required, bring your own playing cards and coins and let's get started.**

## Microsoft Xbox and PC Interactive Game Creation 1

Would you like to create your own Xbox or PC games? This program uses new visual programming language made specifically for creating games, and is oriented for students with no previous knowledge of programming. It is designed to be accessible for children and enjoyed by anyone. Students will be able to run their games on a PC or Xbox. .

## Museum - Clay Creations

Join us as we explore the wonderful world of clay in our NEW Pottery Studio! Beginners will learn all the steps from beginning to end of how pottery pieces are created. Participants will explore methods of hand building such as sculpting, surface decoration, slab building and coiling. Together with our professional artist instructors participants will also get to glaze their work before being fired and have an opportunity to try basic techniques on the potter's wheel. **Includes all supplies and firing of two pieces.**

## Museum - French P.A. Day at the Museum

Bust PA Day boredom in French! This program has been specifically designed for those children attending French Immersion schools in the Markham area. Children will explore the many on-site attractions while participating in fun and educational activi-

ties that have been specially programmed to keep kids active and practicing their French while school's out. **Please send your child with a nut-free lunch/snacks and dress them for the weather as many of the activities will be outdoors.**

## Museum - Fun with Science and Technology: Racing Challenge

Join us for fun and project-based learning, while also improving your Science and Math skills! This course will help guide students into a non-linear approach to setting goals, planning how to meet them and ultimately achieving them. Through various activities, students will also develop core understanding about science and engineering. The students will get to learn how to control of the remote control model car and also the anatomy of the car. The course will coach students how to organize data rather than following traditional 'build' directions teaching approach. Students will work in groups so they will also learn about group work and leadership. Course material based on an international recognized STEM (Science, Technology, Engineering, and Math) education program. **This course is provided by EcoWatch Canada - Future Engineer Academy ([www.ecowatch-canada.org](http://www.ecowatch-canada.org))**

## Museum - P.A. Day at the Museum

Bust PA Day boredom for your kids! Children will explore the many on-site attractions while participating in fun and educational activities that have been specially programmed to keep kids active while school's out. **Please send your child with a nut-free lunch/snacks and dress them for the weather as many of the activities will be outdoors.**

## Origami & Craft Paper Work

This program will teach children the basic skills and techniques in folding and making three dimensional animals and objects with paper. Many other different types of paper crafts will be made. **Supplies included.**

## Outdoor Golf

Enjoy the increasingly popular sport of golf. This recreational program is designed for both boys and girls interested in the sport. The classes will be taught by a C.P.G.A. Instructor. Participants may use their own equipment or it will be provided for them. **Please note that this program is geared to children 7 years and up. Participants will be taught to put, chip and use a 5 iron.**

## Outdoor Tennis

This basic recreational tennis program is designed for both boys and girls interested in the game of tennis. Progressive Tennis is the teaching method used both indoors and outdoors and is used as a development tool to allow young children to improve their overall tennis skills faster as they can transition to the regular court with more ease. Half court tennis is the first step in progressive tennis. The transition to successful half-court tennis will require a period of skill development where basis coordination and cooperative activities will lead to the development of the basic stroke and fundamentals.

## P.A. Day Workshop - Lego Camp

Participants will be challenged to create their lego models using balance, stability, mechanics and colour. Participants will work on their teamwork, creativity and problem solving skills. **Please note that this program is not sponsored by the LEGO Group.**

## Parent and Child Cupcakes

Parent and child will work together to create fun and beautiful cupcakes! Participants will learn delicious cupcake recipes and decorating techniques. They will also learn the basic safety skills in the kitchen. Each child will actively participate in the preparation of each recipe and will assist in the clean up. All chef's creations will be eaten at the end of the class. **A \$2.00 per class extra food fee payable to the instructor**

## Public Speaking for Children

Public speaking is one of people's greatest fears yet the ability to communicate well is an important life skill. Through non-threatening oral language and drama activities participants will develop self-confidence in their speaking skills and learn strategies for dealing with nervousness in order to become effective communicators.

## Reading for Meaning

Through guided activities participants will develop strategies for reading comprehension. Learn to select strategies appropriate for different reading activities such as in reading for information or reading for entertainment, and engage with and enjoy written language in all its varieties.

## Rhythmic Gymnastics

Learn the Graceful Art of Rhythmic Gymnastics. This course teaches an introduction to the hand apparatus of rope and ribbon in combination with free dance movement to music.

## Rock Climbing

Are your kids climbing the walls? Send them to Armadale for fun and excitement on our climbing wall. Trained Instructors will teach participants the skills of rock climbing through trust activities, bouldering and climbing. **All equipment is provided.**

## Science Wiz Exploration

Are you ready to learn and discover new things through hands on experiments? Come join the Science Wiz Exploration team in discovering the fascinating marvels of science through curious investigations and various activities. Experiments vary from creating bubbling concoctions or slimy mush to simulated volcanic eruptions models. Get ready to get your hands dirty!

## Scratch-Introduction to Programming

Come learn coding using Scratch (MIT Massachusetts Institute of Technology programming) Scratch makes it easy to create your own interactive stories and animations. Kids are prepared for future by creating and learning basic concepts of programming,

important mathematical and computational ideas, while also learning to think creatively, reason systematically, and work collaboratively. Coding is literacy.

## Skipping for Kids

You'll love the amazing sport of rope jumping, and learn new skills/games each class. The fitness benefits to jumping rope are amazing, not to mention all the fun you'll be having with your friends.

## Speed Math

This program enhance your child's calculating and numbering skills. Will also develop the child's right brain, activate their wisdom and intelligence, lengthens their attention span, stimulates their strive excellence, improves memorizing ability, promotes self-confidence, develops creativity and enforces discipline.

## Sports Club

An opportunity to meet new friends and enjoy recreational sports with the guidance of an Instructor. Participants will play a variety of sports including basketball, soccer and badminton.

## Sports with Dad

Hey Dad! Bring your child to a jam-packed 90 minutes of sports, games and fun. You will cover soccer, floor hockey, basketball and much more.

## Study Skills

Find the best way to maximize your learning experience both in the classroom and at home. Learn how to manage your time and get organized to make the most of studying and achieve your academic goals!

## Table Tennis

A recreational program which will provide an opportunity to play table tennis with your friends. Matches, round robins and basic instruction will be provided. **Table tennis bats are required.**

## NEW! Table Top Hockey

A Canadian all time favourite activity! Join us for one on one action playing the exhilarating game of table top hockey. Players will be matched up and compete in weekly tournaments.

## Tae Kwon-Do

The most practiced martial art world-wide. The art of Tae Kwon-Do is guided by the principles of self-respect, respect for others and non-violence. The student of Tae Kwon-Do is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit.

## Tae Kwon-Do - Intermediate

For those who have taken our beginners programs and wishes to further develop your skill level.

## TrackMania Game Creation

In this game creation program you will create and customize your own challenging fun race tracks with loops, jumps, checkpoints and so much more! Once track is created, you can improve your driving skills, work on world records, edit your race videos, and share games with friends. Tracks will allow you to change your environment, respawn if you mess up and earn money to add special features.

## Underwater Hockey - P.A. Day Fun

Only in Canada would you have the opportunity to play this fun and exciting sport - underwater hockey. Lead by coaches and lifeguards, participants will have the chance to play hockey in the shallow end of the Milliken Mills Pool. **No experience necessary. All participants must be able to complete swim test in order to participate.**

## Violin Lessons - Beginner

Every child can learn the violin! This program is based on the principles of Suzuki, taking a holistic approach to music-making that involves an active mind and healthy body. Children will be taught persistence, listening, observing and repeating through playing the violin. **Participants must bring their own violin**

## Volleyball for Children

Join us for a night of recreational fun. If you are a beginner, please join us and we will teach you a few volleyball techniques.

## Water Polo Try it - P.A. Day Fun

**No experience necessary to try out this fun and exciting sport.** Participants will have the chance to play water polo in the shallow end of the Milliken Mills pool. Lead by coaches and supervised by lifeguards, this program will be sure to set your child in motion! **All participants must be able to complete swim test in order to participate.**

## Yoga for Kids

Yoga poses with movement, music and laughter will help children to build flexible and healthy bodies, increase concentration, build confidence and find their own creativity.

Program Name	Age	Location	Day	Time	Start Date	# of Classes	Course Code	Fee

		Centennial C.C.	Tue.	5:30 p.m. - 6:30 p.m.	Mar. 24	12	257536	\$103

## Acrobatics

Acrobatics is a discipline of gymnastics which focuses on team work, balance, flexibility and coordination. Acrobatics is highly interactive where boys and girls learn and master skills on their own and with partners. For those who enjoy creativity and movement, this is the class for you. **NOTE: No shoes are required, only bare feet.**

## Android Appwizard Beginner

Learn to create Android apps with App Inventor from MIT. Using their simple, intuitive interface, even non-programmers can take their Android phones for a fun spin! Android Appwizard Beginner introduces students to the basics of Android app development. Throughout the course, students will learn how to incorporate components of the phone including the various sensors, storage, graphics, and GPS. At the end of this course, students will take home their very own app, designed and tailored to their own imaginations!

## Archery

This program is designed to teach pre-teens basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

## ART - Building your Portfolio for Pre-teens

This studio instruction class is designed to improve the student's technical skills and artistic knowledge to build a strong art portfolio. The course will focus on the basics of drawing such as comparative sight training and incorporate the study of perspective, shading, composition and color theory. Students will learn to render using a variety of media, while developing their own personal style. Different approaches to art will be incorporated including representational and expressive art. The class includes discussion and trips to the gallery to learn through interacting with the artwork in the current exhibitions. All students are welcome, whether you are a beginner pursuing art as a form of recreation and an outlet for self expression or are looking to improve your body of artwork for art school submission. **Most materials included.**

## ART - Drawing for Pre-Teens

Express yourself through learning different drawing techniques, using a variety of subjects. Explore cartooning, gesture drawing, design, perspective and more with our professional artist. This course can be a great foundation for other art making courses and also a perfect exercise to build up your portfolio or prepare for art school entry exams. **No art experience required. All materials provided. Classes are based at the McKay Art Centre, Varley's studio. (8 weeks, 20 hrs)**

## Babysitting Course

Do you enjoy the responsibility of supervising children? Learn how to babysit effectively. Topics includes child care, feeding, child development, child safety, how to handle emergency situations, and first aid. Meet friends and learn new skills. This leadership program is sponsored by the Canadian Red Cross Society, Region of York Branch. **Please note, participants must be 11 years old at the start of the course.**

## Badminton

Here is an opportunity to play recreational badminton with your friends. Matches and round robins will be set up for your enjoyment. **Birds supplied, racquets required.**

## Ballet - Beginner

A basic course covering the technical aspects of ballet, positioning of arms and legs while combining several dance steps. The program also provides an opportunity for the development of grace and creativity.

## Baseball Skills

This course allows participants an opportunity to explore the game of baseball before committing to a team or league. The program will focus on building the fundamentals of baseball. It will concentrate on hitting, throwing and catching as well as fielding. **All participants must have a baseball glove.**

## Basketball

Recreational basketball including a general warm-up, teaching sessions and playing time. *White-soled running shoes required.*

## Basketball for Girls

This recreational basketball program has been planned for girls to enhance their skills through specific drills and game play.

## Basketball Pre-Teen League

Markham Recreational Basketball is an after school basketball league for pre-teens. MRB will be focusing on facilitating a league that is safe, organized and fun for players to improve their basketball skills. Players will be assessed for the first 3 weeks and then placed on a team. After being placed on their teams, players will get their team schedules and will play a different team each week leading up to the playoffs where the champions will be crowned.

## Basketball Select

This intense Basketball Program is for the skilled player or for those who want to improve their skills. Staff will be on hand to coach, refine skills and motivate individuals. Coaches will also analyse player's game play and work on skills that could be improved. Special attention will be focused on strategic play, defence, shooting, passing, dribbling, footwork, speed and agility.

## Break Dancing

This introductory break dancing program will teach you all the basics you'll need. Learn basic moves such as One Legged Swipes, Six Step Shuffle, and Windmill. We're here to help you groove!

## Chess

Chess is an excellent avenue for learning both logical and intuitive thinking skills as well as increasing a child's attention span. The game develops good sportsmanship traits for handling wins and defeats and it's fun. Participants will learn starting positions, moves, captures, check, checkmate, stalemate and pawn promotion.

## Computer - Animation

Learn to create and animate graphics using the latest software in this fun, hands-on setting. Specifically, participants will learn how to incorporate animation using Flash in order to create movies, sounds and other forms of animation.

## Computer - Hands-on Hardware

Hands on Hardware will teach you everything you need to know to build your own desktop PC. This popular course will provide participants all the knowledge they need to choose the right PC hardware and put them all together! Understand the functionalities of components and learn how to assemble a

computer from scratch. They will also receive the benefits of saving money in the future, when they learn how to purchase and piece together a system geared towards a specific need without overspending on unnecessary system parts.

## Computer Programming - C++ Level One

C++ is one of the most popular programming languages, and is used to make a variety applications and software. This course is intended for beginning programmers who want to learn programming from the ground up. Participants will learn basic building blocks of C++ syntax, general programming rules, and develop problem solving skills. Upon the completion of this course, participants will be able to write a simple number guessing game.

## Computer Programming - Java Level One

Java Level One target participants who are new to Java. Focusing on the basic building blocks of Java's syntax e.g., data types, loops, conditions, etc. Participants will also learn general programming rules and develop problem solving skills. Upon the completion of this course, participants will be able to write a simplified version of a rock-paper-scissors game.

## Computer Programming - Java Level Two

This course is a continuation to the Computer Programming - Java Level One course. Participants will explore more advanced Java topics like creating classes and objects. Upon the completion of this course, participants will get a final project that incorporates all the topics covered in this course in a practical manner. **Requires completion of Java Level One or C++ Level One**

## Computer Programming Level 1

This course is intended for students who want to learn about object-oriented programming. Concepts presented are exemplified using the Turing, Qbasic and Visual Basic programming language. Knowing the basics of these languages will prepare you in your high school years.

## Computers - Hands on Robotics

Hands-on Robotics will immerse students in the exciting world of robotics. Using Lego Mindstorms NXT, students will grasp concepts on building structures and gearing. Upon the completion of the course, students would have built at least six robots. They will be very familiar with how to build a solid robot, understand how the different sensors work, and how to tweak the robot so that it is suitable for the current environment, whether it is navigating a path, throwing a ball, or avoiding obstacles. This course will challenge students to think critically and work in a team in solving problems.

## Computers - Hands on Robotics - Level 2

Hands-on Robotics - Level 2 will immerse students in the building and programming of Lego Mindstorms NXT. Students will learn essential programming skills, including

how to make robots move and how to use sensors. Gaining knowledge to develop their own out-of-this-world creations. Students will have the opportunity to showcase their robots at the end of term during the class robotic competition on the last class. Upon the completion of the course, students will be introduced to computer programming through the Mindstorms robot. Students program by simply dragging-and-dropping symbols onto the screen to control the motors and sensors such that the robot will perform the intended action.

## Computers - HTML Web Design

Students learn to create websites using the foundations of HTML(Hypertext Transfer Mark-up Language). Lessons include using HTML tags and attributes to create and structure pages, apply hex colour codes, place and format images, tables, hyperlinks, and much more.

## Computers-HTML 5

Students learn to create complex web applications through step-by-step instructions using HTML5. Introduction to features that have been designed for the usage of modern websites on computers, smart phones, and tablets will be introduced. **Basic working knowledge of HTML is recommended.**

## Computers-Microsoft PowerPoint

Designed for students with little or no experience with PowerPoint. Detailed instruction will be provided on creating and formatting slideshows using practical and advanced features of the program including drawing, design tools, as well as the use of smartart, charts, hyperlinks and more. Students learn to control presentations using transitions and custom animations, preparing them for school assignments.

## Cooking Creations

If you are creative and love to cook, this program is for you! Let your imagination stir up something wonderful. Impress your family and friends with your culinary magic. French toast, pizza, veggie wraps, quesadillas and more will be covered. **An additional \$24.00 food cost will be required.**

## Cricket

A fun action packed recreational sport based on the elementary rules of cricket. It's easy to learn so no previous knowledge or experience is required. Softball Cricket is used for instructional purposes. Check out the ACTION!

## Dance P13y

DANCEPL3Y Teens is more than just a high-energy, super-fun, grab-your-friends-and-fav-hightops kind of dance class - it's about learning simple moves from a mix of styles (Club, House, Hip Hop, Urban, Jazz/Funk, Krump, Street, Old Skool) and getting inter-ACTIVE with one another so that everyone in the class can bust a move to today's best music. Whatever you call it: Swagga, Style, SOMO...DANCEPL3Y is all over it. Our unique program pairs a playful 360-degree teaching style with a refreshing coaching philosophy: Be Positive. Be Fun. Be Yourself. So that each person can discover their own unique style and way of moving.

## Dodge ball

Join us for an active hour of fun playing dodge ball by the official rules. You will also learn variations of the game such as kings court, corner and all for one. This program is for pre teens who have a lot of energy and love the game of dodge ball.

## Drawing

In this course you will learn to understand drawing techniques, creating depth, shading and shadowing. Drawing will be done from still-life pictures and photographs. Through practice and correction you will create finished pieces of work in pencil, pastel and charcoal. **All materials are included.**

## Drumming

Our qualified instructor will lead you through basic drumming skills to enable you to play along with your favourite songs. Participants will learn on a seven piece portable unit. 4:1 student to instructor ratio will ensure one on one time in a small group setting. **Electronic Drums are provided at Milliken Mills and drum kits will be available at Angus Glen.**

## Economics Program

Economics is not all about money. It's also about businesses and products and how they work. Participants will come up with a product and will work together along with experienced instructor to market, sell and trade their product using fun money in their very own make-believe economic world.

## Fencing

This program will introduce you to the exhilarating sport of fencing. Lead by trained instructors, we will teach you a variety of skills and techniques in a fun and safe environment. **All equipment is provided.**

## Floor Hockey

Learn the basics of floor hockey including stick handling, shooting and passing.

## GameFusion Studio Beginner

GameFusion Studio is a series of courses where students learn to design and create fun, fully graphical computer games, right from the first class! For this beginner course, students will learn how games are designed and will be completing a multi-level maze game where characters can navigate, collect treasures, and find the exit. Students will be able to hone their inner game craftsmanship by designing their own custom game elements. A competition will be held at the end of the course to see who's game is the most fun to play! **No experience required.**

## GameFusion Studio Platforming 1

GameFusion Studio Platforming 1 introduces the concept of platform gaming, exploring topics of jumping and gravity and having a camera that follows the main character. Throughout the course, students will work towards a striped-down version of a Super Mario-like game, where the main character will earn points and defeat evil bosses along the way! **Requires GameFusion Studio Beginner.**

## GameFusion Studio Scrolling Shooter

GameFusion Studio Scrolling Shooter takes the maze game a step towards the concept of scrolling shooter, where the main object appears to move over a scrolling background. Topics such as automatic camera movement, artificial intelligence, projectiles, and alarms, essential to develop your own arcade-style game similar to the popular Space Invaders! **Requires GameFusion Studio Beginner.**

## Girl's Night Out

An exciting program for girls 11-14 years of age to have fun, develop friendships, and build self esteem. Activities may include movie night, cooking, makeovers, body image, laserquest, bowling and wellness.

## Girls Night Out- Cooking

A cooking program for girls 11-14 years of age to have fun, develop friendships and learn how to make delicious recipes. You will be involved in death by chocolate, international cooking, party pleasures and more.

## Girls on the Go

From basketball to volleyball to soccer this program is for the energetically inclined. Tons of sports to keep you active from head to toe!

## Girls Self Defense

This program is geared to females who are interested in learning how to protect themselves and deal with the most common attacks. The emphasis of the program is on prevention. You will learn to use avoidance, awareness and verbal techniques to defuse a situation.

## Glee - Musical Theatre

This class combines dancing, singing, and acting. Musical numbers from popular shows will be chosen, and participants perform at the end of the session.

## Guitar Lessons - Beginner

An introductory course offering the novice instruction in guitar through practice and theory. *An acoustic guitar is required by each student at every class.*

## Guitar Lessons - Intermediate

Students will have some knowledge of notes and chords and more advanced techniques will be covered including learning the entire fretboard including finger style and picking techniques. Participants will have an opportunity to play more advanced songs with ear training to transcribe tunes from CD's. Theory will cover major and minor scales as well as chord construction.

## Guys Night Out

An exciting program for guys 11-14 years old to try new and different activities, develop friendships and self-esteem. Activities may include recreational sports, movie night, games night, laserquest, bowling, cooking, rock climbing.

## Healthy Kids

Regular exercise is considered to be an essential part of a healthy lifestyle. 26% of Canadian children and youth are either overweight or obese. Get started! Join our activity hour, get moving and have some fun. This is a non competitive format for ages 8 - 11. The class will be lead by a certified group fitness/certified coach instructor.

## Hip Hop Dance - Level 1

Are you in tune with the latest hip hop moves? Do you want to learn how to dance like some of your favourite hip hop artists? This program is designed for those who love to dance.

## Indoor Soccer

PAN AM

This recreational-based soccer program is designed for both boys and girls interested in the game of soccer. Each session will consist of warm-up, fitness training, skill drills and a scrimmage. Join us for soccer excitement! *Shin pads mandatory to participate in program.*

## Indoor Tennis

PAN AM

This recreational tennis program is designed for youth interested in learning the game of tennis. Each session will consist of warm-ups, skill development and game play. *Tennis racquet required*

## Jazz Pre-teen & Teen Beginners

Through the teaching of basic dance steps and movements participants will develop simple jazz routines.

## Junior Leaders

This program is designed to develop basic leadership skills through hands-on activities and cooperative games. Interactive workshops may include communication, problem solving and teamwork.

## Lyrical / Contemporary Dance

Lyrical / Contemporary Dance combines the elegance of Ballet and intensity of Jazz and Contemporary Dance. The performer interprets and conveys the lyrics and emotion of the music through dance with the goal of developing grace, expression and fluidity. Students should have some jazz/ballet background prior to enrolling in this class. Classes will begin with a warm-up to stretch your muscles, centre floor work to strengthen technique ability and work toward leaps and turns across the floor.

## Magic

Learn advanced moves, misdirection, palming and professional techniques. Whether you wish to learn to do card flourishes, vanish cards, or make cards appear out of the air. *No experience required, bring your own playing cards and coins and let's get started.*

## Museum - Fun with Science and Technology: Renewable Energy

Join us to make a difference to the environment, learn new technology and improve your Science and Math skills! This course leads students to interactively explore renewable energy (Solar and Wind), and how we can use it in our everyday lives. Scientific topics include Battery Profile, Make a Motor, Ambient Conditions for Solar and Wind,

Technical Pilot Experiments, 1:10 Model Car Assembling and Testing, and ways to generate electricity. Students will work in groups so they will also learn about group work and leadership. Course material based on an international recognized STEM (Science, Technology, Engineering, and Math) education program. *This course is provided by EcoWatch Canada - Future Engineer Academy ([www.ecowatchcanada.org](http://www.ecowatchcanada.org))*

## Outdoor Beach Volleyball

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

## Outdoor Tennis

An Ontario Certified Tennis Coach will conduct a series of group lessons for Beginner and Intermediate tennis players. The new concept, 'Actions Method' as endorsed by Tennis Canada will be used to teach beginners the basic fundamentals of the forehand and backhand ground strokes, the volley and the serve. For intermediate players the progression strokes of the offensive and defensive lobs, the smash, plus game strategy will be taught. 'Fun tennis play is the name of the game!' \* *Bring your own racquet*

## Robotics 1 (Starter)

Students will begin learning basic Robotics theory and design concepts through robot building and programming on the computer. Robotics 1 (Starter) will build up students' logical thinking, reasoning abilities and problem-solving skills. Students will be asked to solve a series of challenges by exploring the functionality of their robots

and the programs they wrote during each class. Robotics 1 (Starter) is a hands-on program that will introduce basic robotics and programming with fun activities and in-class competitions! *No experience required.*

## Robotics 2 (Developer)

Building upon their experience from Robotics 1 (Starter), students will utilize a combination of sensory add-ons to build more complex robots in solving seemingly impossible tasks. Robotics 2 (Developer) will develop the students' ability to work in a team where they will design computer programs to control the robot. Students will face fun yet challenging problems, and will therefore receive enormous satisfaction as they complete each challenge. *Requires completion of Robotics 1 (Starter)*

## Robotics 3 (Advanced)

Students will integrate all the tools they have learned from level 1 and 2 to create robots to solve everyday problems. Building robots to work faster, more efficient and effective are the goals of Robotics 3. Students will be competing with their peers in exciting competitions putting their past learning to the test. May the best ROBOTEEER win! *Requires completion of Robotics 2 (Developer)*

## Rock Climbing

Are your kids climbing the walls? Send them to Armadale for fun and excitement on our climbing wall. Trained Instructors will teach participants the skills of rock climbing through trust activities, bouldering and climbing. *All equipment is provided.*

## Science Wiz Exploration

Explore the fascinating marvels of science through curious investigation and interesting experimentation. Have the chance to participate in a variety of activities like creating bubbling concoctions or slimy mush, to exploring volcanic eruptions and other fun science. This program is hands on!

## Table Tennis

PANAM

A recreational program which will provide an opportunity to play table tennis with your friends. Matches, round robins and basic instruction will be provided. *Table tennis bats are required.*

## NEW! Table Top Hockey

A Canadian all time favourite activity! Join us for one on one action playing the exhilarating game of table top hockey. Players will be matched up and compete in weekly tournaments.

## Tae Kwon-Do

The most practiced martial art world-wide. The art of Tae Kwon-Do is guided by the principles of self-respect, respect for others and non-violence. The student of Tae Kwon-Do is not only trained in the physical aspects of the art, but he/she must learn to develop self-control, courtesy, integrity, perseverance and an indomitable spirit.

## Ultimate Frisbee

Ultimate is a team sport played with a flying disc. The object of the game is to score points by passing the disc to a player in the opposing end zone, similar to an end zone in American football. It's an incredibly fun and active sport.

## Violin Lessons - Beginner

Every child can learn the violin! This program is based on the principles of Suzuki, taking a holistic approach to music-making that involves an active mind and healthy body. Children will be taught persistence, listening, observing and repeating through playing the violin. *Participants must bring their own violin*

## Volleyball

Join us for a night of recreational fun. If you are a beginner, please join us and we will teach you a few volleyball techniques.

## Yoga For Pre-Teens/Teens

Yoga exercises will gently strengthen the body, increase flexibility, improve posture, increase lung capacity, body awareness and self confidence. The course is designed for students at all levels of physical ability. *Wear comfortable clothing your own yoga mat to class.*

# Join Our Team! Volunteers Needed!

Volunteers for the City of Markham play an important role in the success of recreation programs. Volunteers are currently needed in Special Needs Services, Learn to Swim Lessons, and General Programs. Volunteering is a great way to get involved in the community, be part of a team, complete community service hours, and to gain experience for future employment. See "Join our Team!" on page 54 for details.

## ART - Portfolio Creation ✓ PAFLEY

This course will give art students the opportunity to develop the necessary skills for producing a winning portfolio! Students will create works in a variety of media, covering a wide range of art techniques. Both the elements and principles of design will be explored in order to encourage growth through self-critique, creativity, technical skills and visual problem solving. **Most materials provided. Classes are based at the McKay Art Centre with an opportunity to study the Gallery's collection.**

## Cooking for Teens

For the young chefs in the family! Quick, easy, fresh, delicious recipes and hands on instruction combined to make a fun learning environment. Join this cooking class and learn how to get the most out of basic ingredients while also learning about kitchen safety, knife skills and cleanliness.

## Essay Writing for Teens mpl

This program focuses on the full process of writing effective essays, developing critical thinking skills while converting analysis in to words. You will become familiar with common essay styles and approaches to writing them.

## Guitar Lessons - Beginner

An introductory course offering the novice instruction in guitar through practice and theory. **An acoustic guitar is required by each student at every class.**

## High Five - Healthy Child Development

High Five, Quality at Play program is committed to assisting children along the path of healthy child development. High Five has been designed to promote the safety, well-being, and healthy development of children. This one-day leadership course is mandatory for anyone interested in working for City of Markham summer camps and/or seasonal programs.

**NEW! Inner Tube Water Polo PANAM**  
See "Inner Tube Water Polo" on page 60.

## Karate-teen Latin Dance for Youth ✓

Emphasis on Salsa, with excursions into Rumba, Cha Cha, Merengue and Bachata. Participants will learn to move to and with, the rhythm and tempo of the music and apply the movements learned to the various dances listed above. With expected improvements in physical co-ordination, spatial intelligence and social etiquette, participants will also learn how to dance to the changing emotions and rhythms of a song and how to let go and allow their natural creativity to take over. Classes are progressive. Techniques cover American Style and International Ballroom. **All levels are welcomed and a partner is not required.**

## Leadership Program

This Leadership Program prepares youth to volunteer in recreation programs within the City of Markham. Youth will enhance and develop their leadership skills including, communication, teamwork, program planning and time management which will give

them the hands on experience of learning how to successfully deliver a program. Resume writing will be included in this program. Upon successful completion of the course, participants will have the opportunity for a placement in a City of Markham program.

## Look Your Best

Look and feel your best!. This workshop is geared to youth between 14 - 18 years who want to learn how to apply make up in a quick and professional way. Each participant will have an opportunity to get tips from Jin Jiang, professional makeup artist, and to try a variety of different make up including shadows, blushes, brushes and mascara. Come out and learn from the best.

## Mix Fitness Fun ✓

This program provides a fun variety of fitness classes for Teens such as, cycling, muscle conditioning, running, zumba and circuit training. Focusing on the quality of exercise experience to develop positive behaviours and healthy life style.

**MMA (Mixed Martial Arts) Fitness ✓**  
See "MMA (Mixed Martial Arts) Fitness" on page 62.

## Museum - Teen Pottery Wheel Throwing MUSEUM

Learn how to use the pottery wheel! Classes will focus on throwing on the potter's wheel. Techniques covered include centering, creating different forms such as bowls, plates, vases and mugs. We will also explore sculptural elements, handle making, surface decoration and glazing techniques. **No experience required. Includes all supplies and firing of two pieces.**

## Outdoor Beach Volleyball

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

## Public Speaking for Teens

Public speaking is a fear many young adults have. Communicating well is an essential life skill and vital for success in school, work and ultimately in life. Through non-threatening oral language exercises and drama activities, participants will develop self-confidence in their speaking skills. Participants will learn strategies for dealing with nervousness in order to become effective communicators.

## Teen Circuit

This class has been designed for teens 12 to 15 years of age. The class is set up in 'stations'; a specific exercise is performed at each station for a prescribed brief length of time. The format concentrates on cardio, strength and flexibility. The class is held in our well-equipped group fitness studio.

## Yoga For Pre-Teens/Teens

See "Yoga For Pre-Teens/Teens" on page 52.

## Youth Fitness

This program provides an introduction to fitness training principles, equipment demonstration and nutrition education in a fully supervised environment. Participants will learn safe and effective ways to exercise as well as have an opportunity to develop the basis of an active and healthy life style. They will have access to cardiovascular and weight training equipment.

# Join our Team! Volunteers Needed

**V**olunteers for the City of Markham play an important role in the success of recreation programs. Volunteers are currently needed in Special Needs Services, Learn to Swim Lessons, and General Programs. Volunteering is a great way to get involved in the community, be part of a team, complete community service hours, and to gain experience for future employment.

For more information on getting involved in our volunteer programs, please contact our staff using the e-mail addresses below:

### Special Needs Services:

## Markham Mayor's Youth Council

An accredited voice in municipal government, private industry and in Markham, the Markham Mayor's Youth Council is a catalyst for action and change.

The Youth Council is driven with the focus of raising awareness and cultivating a culture that celebrates youth.

Operated and propelled solely by youth, the Youth Council:

- Provides ideas for teen and pre-teen services;
- Manages the Markham Youth website;
- Upholds seats on regional committees; and
- Addresses various social issues that are important to today's youth.

For more information, please call at 905-477-7000 x3930

## IT'S COMING!

National Youth Week is dedicated to celebrating young people and the contributions they make to our community.

## Ballet Creole Dance Classes

Dance to the live bold rhythms of the drum with this Beginner Level ADULT Creole Cardio Dance Class. Learn dance exercises from a professional Afro-Caribbean dancer. Dancing to the LIVE DRUMS, the class combines the free-spirit of Contemporary Afro-Caribbean dance with the regiment of a fitness class. It offers a complete aerobic workout; improving your core strength, balance, flexibility, and endurance in a fun and sociable environment. The class offers a warm up, Contemporary Afro-Caribbean Dance exercises and a short dance combination. **Offered by the Flato Markham Theatre, in partnership with the renowned Ballet Creole Dance Company**, this eight- week session is designed for adults to get moving in a new way.

## Archery

This program is designed to teach adults basic archery skills and techniques. Qualified Instructors will introduce the fundamental skills of archery in a fun and safe environment. **All equipment is supplied.**

## ART - Acrylic Painting - Beginner

This course for the novice acrylic painter will introduce students to the unique 'forgiving' qualities of acrylic paint and allow them to experiment with a variety of techniques. Start at the very beginning and learn about choosing paints and painting surfaces and how to make the most of your paint and brushes as you work. Basic colour theory and colour mixing will be explored as well as creating glazes and textures. **Materials not provided.**

## ART - Acrylic - Mediums Exploration

Suitable for the beginner to intermediate acrylic artist, come explore and experiment with a variety of gels, mediums and pastes to create highly textural works on canvas. **Materials not provided.**

## ART - Acrylics - Intermediate

Each student in this program will develop techniques that permit him or her to express their individual and unique creative vision. Knowledge of the design elements and principles will cement this practice. The individual will progress at their own pace using a variety of subject matter and techniques. **Materials not included.**

## ART - Acrylics - The Basics and Beyond

Participants will be introduced to unique approaches using acrylic paints, mediums and varnishes. Beginner to experienced painters will enjoy exploring and experimenting with this versatile medium. Whether on paper, canvas or wood, two or three dimensional, realistic or abstract, participants will discover new approaches to self expression. **Materials not included.**

## ART - Drawing for Absolute Beginners

The perfect class for ones who have always wanted to learn to draw but were afraid to take the plunge! This class could be the springboard to further art studies in painting, design. Even if you have little to no instruction, you will learn to turn a blank page into your personal artistic statement as professional artist Glenn Bernabe teaches you the fundamentals of form, perspec-

tive, proportion, contour and composition. Students will use conte, charcoal and ink and be introduced to specific exercises designed to develop drawing skills. **No materials provided.**

## ART - Landscapes for the Avid Painter

Ideal for the beginner to intermediate artist, our professional artist will assist students with the development of techniques that capture the rhythms, colours and moods of landscape painting. Students will also learn how to use line, shape, colour, and texture and explore the principles of composition, balance and perspective. Artists will work in acrylic, oil or watercolour, while comparing the contrasting styles and techniques of working with two very different media. **Materials not included.**

## ART - Life Drawing - Beginner

Life drawing for the absolute beginner or the intermediate student, designed to help understand and apply the fundamental principles of drawing the human figure. Participants will explore gestural drawings moving from short to long and more sustained and expressive poses. Classes are based at the Gallery providing an opportunity to study selected drawings by F. H. Varley, one of the best portraiture artists in Canada. **An additional fee of \$50 is payable to the instructor on the first day of class to cover the expense of a live model for the course.**

### For the ART programs

Supply lists where applicable for programs at the Varley Art Gallery and McKay Art Centre can be found online at [www.varleygallery.ca](http://www.varleygallery.ca). Refunds must be requested 5 business days before the first day of class.

## ART - Mixed Media & Collage <sup>✓PRLEY</sup>

Mixed Media and Collage affords tremendous opportunities for artistic growth and creative exploration. Drawing materials, paints, papers and found objects will be manipulated and/or combined in the creation of a body of work. The principles of composition and design, surface quality, colour and value systems, imagery and concepts will be discussed to guide you in your creative process.

## ART - Oil Painting - Beginner to Intermediate <sup>✓PRLEY</sup>

This course for the beginner to intermediate artist is designed to help students develop creative by practising basic fundamentals of painting in oil. Students will be able to work from life and from photographic references. Classes will include visits into the gallery to study and discuss paintings on exhibit. Skills will be developed by creating value studies, sketches and practicing techniques as demonstrated by the instructor. Painting demonstrations are provided and students receive one on one as well as group instruction. **Materials not included and will be discussed and recommended on the first day of class.**

## ART - Photography for Beginners <sup>✓PRLEY</sup>

This introductory course by a professional photographer explores photographic techniques, and how you can express yourself through the camera, to share ideas and inner feelings. Participants will become familiar with composition techniques so your image will get the 'wow' factor and you will investigate how light affects form, colour and composition; how to choose the right shooting angle and create perspective; how to look at light; and how to best use light and shadow. Get to know the workings of your digital SLR camera to best utilize this unique instrument so you can capture that moment in time! **All supplies will be discussed in the first class so you need not purchase them ahead of time. If you have any of the following, please bring them: Laptop computer, tripod, flash, memory cards and stick, batteries, and charger.**

## ART - Photography - Intermediate <sup>✓PRLEY</sup>

This intermediate photography course is a continuation of the Photography for Beginners course. Students will use the knowledge gained in the introductory course to address specific topics in photography and expand their already existing knowledge. Students will be introduced to the history of photography and its development as an art form. Creative genres such as portraiture, landscape, still-life, creative night photography, documentary and street photography will be discussed in more detail and students will be lead through a series of hands-on exercises and take-home projects to further develop their portfolio. Students will also be introduced to the creative potential of using an off-camera flash. Each week a new topic will be addressed and the final class will include a portfolio review of each student's work. Students are required to have a digital SLR camera and one lens, as well as the following recommended supplies: camera battery and charger, memory card, access to a computer and photo editing application/software, USB stick and a tripod (if you have one). **All supplies will be discussed in the first class. \*\*Please note that students must have taken the Photography for Beginners class prior to registering for this course, or possess the equivalent knowledge\*\***

## ART - The Art of Printmaking <sup>✓PRLEY</sup>

This is one of a kind class where you will discover the mysterious world of printmaking, an art form that is almost lost and often misunderstood. You will be exposed to the artist Sarka Buchl-Stephenson's personal international print collection. Participants will learn the history behind printmaking and have hands-on experience in the process of relief and intaglio printing. Some of the techniques that participants will learn include: drypoint, mono-based printing, lino-cut and Styrofoam printing. You will have an incredible opportunity to visit the artist's studio and try your hand at printing using a professional printing press. The final project involves creating a series of personalized cards that will be sold at the Varley Art Gallery Gift Shop. **A materials fee of \$45 will be payable at time of registration.**

## ART - Portrait Intensive <sup>✓PRLEY</sup>

Portrait is an examination of character. But to be able to portray that effectively there are a number of factors that need to be taken into consideration for a portrait to be successful. This includes an understanding of the human face and figure, composition, light and shadow, drapery and colour. This course will build on those foundations that were learned in the Art of the Portrait, and test your ability to apply them. Using live subjects, extended poses will be used to enable the student to complete finished portraits as in-class exercises. Emphasis will be put on the actual set up of the subject and backdrop as well as the chosen pose. The poses themselves may last for two consecutive classes. This class is for students who have already taken a portraiture or figure drawing and want to hone their abilities of creating finished portraits. **No materials provided.**

## ART - Watercolour - Beginner <sup>✓PRLEY</sup>

Learn the basics of watercolour painting - colour, brush techniques, and other methods of applying the paint. Emphasis will be placed on solid drawing, composition, and colour theory. **No experience required. Materials not included.**

## ART - Watercolour - Sketch and Paint <sup>✓PRLEY</sup>

A course in drawing and painting for the absolute beginner. For four weeks, the emphasis is on learning the fundamentals in drawing such as composition, contour, proportion, form and perspective, and four weeks on painting in watercolour through focus on colour theory, mixing colour, brush work and composition. As well, if weather permits plein air sketching and painting will be part of this class. **Materials not provided. Classes are based at the McKay Art Centre.**

### Line Dance - Beginner

Learn the basics of footwork, including vines and shuffles in an easy-going atmosphere.

An assortment of music and dance rhythms will be taught to all levels. Wear comfortable clothing and smooth-soled shoes and get ready to have fun! *No partner required.*

### Line Dance - Intermed./Advanced

Ready for more of a challenge? Advanced/Intermediate line dance will challenge you with some new routines and fancy footwork. Be challenged, keep fit and have fun. *No partner required.*

### Line Dance - Intermediate

Progressing from the beginner class, intermediate students will learn additional footwork and new routines. *Prior experience is a must. No partner required.*

### Magic

Learn advanced moves, misdirection, palming and professional techniques. Whether you wish to learn to do card flourishes, vanish cards, or make cards appear out of the air. *No experience required, bring your own playing cards and coins and let's get started.*

### Meditation and Kung Fu for Health

Meditation helps you to purify your mind and depress stress. Brain's scans show that people who meditate regularly have less cognitive decline and brain shrinkage- a classic sign of Alzheimer's- as they age. Through meditation and Kung Fu practice, you can achieve both mental and physical fitness. This program combines tranquility and action together and participants may experience a different way to achieve wellness.

## MMA (Mixed Martial Arts) Fitness

Mixed Martial Arts includes many of the martial arts disciplines including Muay Thai, Boxing, Karate and Jiu-jitsu. This fitness program has been designed to incorporate many of the exercises used to prepare individuals for the MMA experience. **Please note that this program is non contact.**

## Muay Thai - Beginners Kickboxing

Muay Thai is referred to as the martial art of eight limbs as it effectively uses punches, kicks, elbows, and knee strikes. This class is designed for those who have an interest in 'kick' starting their Muay Thai journey. Participants will take part in a variety of traditional Muay Thai exercises as well as drills to develop proper striking technique from head to toe while also increasing endurance and strength. These techniques will be developed through a number of teaching styles such as: shadow boxing, focus mitts, kick pad work and non-contact reaction based countering. **\*Boxing gloves and hand wraps are provided.**

## Museum - Introduction to Pottery

Join us as we explore the wonderful world of clay in our NEW Pottery Studio! Beginners will learn all the steps from beginning to end of how pottery pieces are created. Participants will explore methods of hand building such as sculpting, surface decoration, slab building and coiling. Together with our professional artist instructors participants will also get to glaze their work before being fired and learn basic throwing techniques on the potter's wheel. **Includes all supplies and firing of two pieces.**

## Museum - Pottery Wheel Throwing

Learn how to use the pottery wheel! Classes will focus on throwing on the potter's wheel.

Techniques covered include centering, creating different forms such as bowls, plates, vases and mugs. We will also explore sculptural elements, handle making, surface decoration and glazing techniques. No experience required. **Includes all supplies and firing of two pieces.**

## Outdoor Beach Volleyball - Rec

What better way to enjoy the weather than hit the beach volleyball court. Instructor lead programming will facilitate warm up activities and fun game play.

## Outdoor Golf

Here is your chance to brush up on your golf swing before you go on your vacation or just improve your overall skills. The Markham Recreation Department is providing sessions of group lessons. **Please bring your own clubs.**

## Popular Science

This program offers a chance to become a Scientist and Explorer. Our programs spark the curiosity and include topics from modern science such as Cooking, perfumes, magic, shampoo and lotions. Adults and Seniors are engaged in exciting hands on activities, watch spectacular demonstrations and take home things that they have made themselves.

## Quick and Easy Make up for Women

Learn how to look your best! Join this 3 week workshop and learn how to apply make up in an easy natural way that will highlight your best features. Each participant will have an opportunity to try different make ups including shadows, blushes, foundations and brushes. Jin Jiang, professional makeup artist will lead the workshop. She is keen to work with women and teach them how to apply makeup quickly adding confidence to their everyday living.

## Reiki 1 Certificate Course

Reiki is a non-invasive laying on of hands healing technique in which you participate in your own healing. In this 8 hour course, the Reiki student learns to be a clear channel through which universal energy (ki) flows. Reiki energy allows you to heal physically, emotionally, mentally and spiritually.

## Retirement Income Products

How to create an Tax Effective income using Annuities, RIF's, LIF's, Pensions and Non Registered assets.

## Rock Climbing for Couples

What better way to get a super workout and spend a quality evening together. Communication, trust and bonding are all benefits associated with the sport of rock climbing. The program includes full instruction, climbing techniques and equipment. **No experience is required. \*Fee is per couple.**

## Serve and Volley Clinic

This clinic will focus on serving to the opponent and quickly moving towards the net to hit the volley across the court. The clinic will include learning the fundamentals of grips, proper footwork and aiming with strategy for ending point quickly. **Tennis racquet and proper tennis shoes required.**

## Tablet for Beginners

This course is designed for individuals who have little or no experience with Tablets. Topics include introduction to the Android operating system, internet use, email use etc. Classes are instructor-led and are conducted in a hands-on format.

## Table Tennis

A recreational program which will provide an opportunity to play table tennis with your friends. **Table tennis racquets are required.**

## March Break Lego Camp

A creative fun camp where kids can learn to build items using lego. Each day a new theme will be introduced and demonstrated on building something new and exciting using a variety of lego pieces. Other fun activities include games, sports and arts and crafts. *Please note that this program is not sponsored by the LEGO Group.*

## March Break Skating and Hockey Skills

The emphasis of this hockey skills development program will be skating posture, agility, stopping, edges, crossovers and backward skating as well as puck control, passing and shooting. This program would benefit beginner and house league level players. *Full hockey equipment must be worn. The class will be divided into groups based on age and ability.*

## March Break Soccer & Skating Camp

Soccer and skating, along with a variety of games, is the focus of this camp. Each day campers will alternate between soccer lessons and recreational skating.

## March Break Soccer Clinic

This skills development program will provide your child with 3 hours a day of soccer instruction. The emphasis on the program will be ball control, shooting, passing, soccer drills and scrimmage games. This program will benefit the beginner and house league level players.

## March Break Tennis Camp

Our March Break holiday tennis camp is geared to children who have a keen interest in improving and refining their tennis skills and game play. Participants will work with a professional instructor on ground strokes, serve and volleys, game play and game rules. Please bring a tennis racquet and water bottle and

small snack each day to the program. This camp program is geared to the participant who has participated in tennis lessons and plays the game. *It is not intended for beginners.*

## March Break - Volleyball Clinic

Participants will play volleyball and cooperative games throughout the program. Focus on drills, serves, bumps, volleyballs, game play and sportsmanship.

## March Sports Madness Camp

Come join our Sports Madness Camp! Campers will enjoy a day filled with a variety of sports like indoor soccer, badminton, tchoukball, and European handball. Other components will include recreational swimming, skating and a special event.

## ART - Art Exploration for the Curious Child

This fun and interactive week long program is designed for the creative and curious child. Kids will be introduced to artwork in our collection and on exhibit, learn how to look and talk about art and attend a rare visit of the vaults to see where the artwork is prepared and installed. This will spark their imagination in the studio where they will tackle challenging drawing, sculpture, film and installation projects. Developed for children with active imaginations and a keen interest in expressing themselves through an artistic medium, this camp is open to a limited number of spots. *All materials included.*

## Focus on Sculpture

Dress for mess and have fun working with with a variety of materials such as clay, plasticine and found objects to create 3-D masterpieces. Learn different techniques for creating forms, including coil, pinch and modelling methods. Improve spatial and tactile abilities, problem-solve creatively and ignite the imagination.

## So You Think You Can Paint?

Paint is the name of the game so show us what you got? Explore traditional and unexpected techniques, concepts and paint applications. Campers will create paintings that draw from historical and contemporary painters as resources and inspiration including Fred Varley and Alma Duncan among others.

## The Drawing Room

Kids are encouraged to let their imagination run wild! Projects may include perspective drawing, still life, nature sketches and visual memory exercises. Learn that a pencil isn't the only tool you can use to draw!

## The Art of the Selfie

In this fun and interactive program, campers work in digital format and mixed media to create artwork that reveal, question and express how they see themselves and the world around them. Create self-portraits, video journals and self-discovery boxes.

## Put Your Stamp on it: An Introduction to Design

This camp introduces campers to the elements of design. Kids will create their own stamp for Canada Post and then a poster incorporating images and text to advertise it!

## Puppet Story

Young artists will learn how to create unique puppets out of a variety of materials while exploring model building and pattern design. At the end of the program, put on a puppet show for all to enjoy.

## Drawing and Doodling

The perfect class for your young artist to explore the magic of drawing! Kids will create artworks that encourage putting pencil to paper to record the world around you. Drawing sharpens their observation and spatial skills and activities will include still-life, memory exercises and in-gallery sketching.

## Just Paint!

Examine various painting techniques and mediums. Campers will work in watercolour, acrylic and tempera paints to learn about the properties of each type of paint. Young artists will create a still life and an abstract painting.

## All about ME!

Share who you are and how you see the world. Young artists will create self-portraits, video artist statement and mini journals while working in a variety of materials.

## Sculpture Factory

Work in 3D! Design and create a sculpture using plastecine/clay and incorporate a variety of everyday materials. Learn techniques of relief and additive sculpture while improving dexterity and spatial skills.

## Museum - March Break Explorer Camp

Are you ready to explore the Museum this March Break? Throughout the week, campers will get a taste of what the Markham Museum has to offer within its 25 acres. From amazing machines to KEVA engineering challenges and from geocaching to creating unique works of art in our NEW Pottery Studio. Each day of the week is themed and filled with fun new experiences for both new and returning campers. *Before Care (7:30am-9:00am) and After Care (4:00pm-6:00pm) available.*

## Museum - March Break Fashion, Fabric and Fun

Calling all creative kids who have a passion for fashion! Throughout the week at camp children will explore our interactive Textile Studio and try their hand at basic weaving, sewing, and felting techniques. Campers will draw inspiration from the Museum's own textile and fashion collection to create their own fashion accessories. By the end of the week, these budding designers will get to show off their works at a fashion show. *Before Care (7:30am-9:00am) and After Care (4:00pm-6:00pm) available.*

## March Break Computers - My First Computer Workshop

Students learn to type and use basic features of Microsoft Word and Paint. Topics include: printing, saving, clip art pictures, font, drawing and educational games. Students will also have access to personalized online accounts to complete typing lessons, activities and games.

## March Break Computers - HTML5 Web Design-Advanced

Students learn to create complex web applications through step-by-step instructions using HTML5. Introduction to features that have been designed for the usage of modern websites on computers, smartphones, and tablets will be introduced. *Basic working knowledge of HTML is recommended.*

## March Break Computers - Keyboarding Beginner

Students learn the correct typing technique including the correct finger position on the keyboard, typing lower and uppercase letters, numbers and other characters without looking at the keyboard. In addition to lessons completed in class, students will have access to personalized online accounts to learn and improve their typing skills. The typing accounts contain lessons, exercises and exciting typing games tailored to each student's needs.

## March Break Computers - Microsoft Excel

See "Computers-Microsoft Excel" on page 37.

## March Break Computers - Microsoft Powerpoint

See "Computers-Microsoft PowerPoint" on page 48.

## Theatre - Markham Theatre Junior Stars

The Flato Markham Theatre Junior Stars program will allow your little budding performers to learn performance skills such as acting, dancing and singing in a completely inclusive, fun and friendly environment. They will be

directed in a by professional performing artists who specialize in younger talent. Above and beyond learning their lines, cues, blocking, songs, and choreography for the final performance, a variety of theatre techniques are explored on a daily basis, such as improvisation, tableau, dramatic movement, and more. This is a well-balanced program that also includes playtime, games, crafts, and other fun! Your child will obtain meaningful skills, make new friends, as well as build their confidence and understanding of teamwork. Junior Stars March Break Camp takes place at the Flato Markham Theatre and culminates with a live, fully staged show created on the prestigious stage of the Flato Markham Theatre. *Before & After Care available.*

## Theatre - March Break Theatre Camp

Flato Markham Theatre Discovery camp offers an exciting educational opportunity for youth to learn performing arts skills in a completely inclusive, fun and friendly environment. Throughout the one week session camper's work together to rehearse a youth oriented Musical Play that has been specially written for every camper to explore and develop their unique talents in acting, singing and dancing. This experience matches a professional theatre performance in every sense. Every camper will be responsible to learn his or her lines, cues, blocking, songs, and choreography. On a daily basis, a variety of theatre techniques are explored, such as improvisation, puppetry, dramatic movement, and more. This is an incredible developmental opportunity for building confidence, sense of self, speech, presentation and artistic skills. The staff is lead by experienced arts educators with years of professional performing experience. Drama March Break Camp takes place at the Flato Markham Theatre and culminates with a live, fully staged show created on the prestigious stage of the Flato Markham Theatre. *Before & After Care available.*

## Disclaimer

### Children's skating:

Children will be grouped according to their age and skill level. C.S.A. approved hockey helmets are MANDATORY.

**NOTE:** Bicycle and ski helmets are not acceptable. Ski gloves/mitts and warm clothing are required. Face masks are MANDATORY for those 5 years of age and under. Failure to arrive at class with proper equipment will result in non-participation. Participants must bring their own skates.

## Junior Introduction to Hockey

This course allows participants an opportunity to explore the game of hockey before committing to a team or league. The program will cover the basic skills according to the Canadian Hockey Association (C.H.A.). This program is available for male and female beginner players. **Participants must know how to skate.**

## Introduction to Hockey

See Junior Introduction to Hockey.

## Introduction to Hockey - Adult

This is an opportunity to explore the game of hockey at a recreational level. The program will cover the basic skills according to the Canadian Hockey Association (C.H.A.).

## Learn to Skate - Family Lessons

This beginner skating program is for the whole family. Participants will be taught various skills to increase their skating ability. **Families will be taught together by an Instructor. Fee is per person.**

## Learn to Skate - Preschool

A Beginners skating program designed to introduce basic skating skills to preschoolers. The children gain confidence in their skating abilities through various activities. Must be 3 by the start of the program.

## Learn to Skate

A beginners skating program designed to introduce basic skating skills to children. The children gain confidence in their skating abilities through various activities. Children will be grouped according to their age and skill levels.

## Learn to Skate - Adult

An introductory program for adults who wish to learn the basics of skating. C.S.A. **approved hockey helmets are MANDATORY.**

## Power Skating

Instruction is provided by qualified staff in power development, power strides, starting, stopping, lateral mobility and power drills. This is an excellent opportunity to increase your skating skills. **This is not a Learn to Skate class. Participants must be able to skate unassisted and have a desire to improve their speed and skating skills.**

## Power Skating & Hockey Skills

This program is specifically designed for adults who wish to enhance their skills in hockey and ringette. The course consists of warm-up activities, skating and stick-handling drills, and game play. The program is intended to maximize ice time for participants.

## Power Skating & Hockey Skills for Women

See Power Skating & Hockey Skills.

## OUTDOOR ICE SCHEDULE

Outdoor ice rink at Markham Civic Centre will open Dec. 1. Free skating from 10 a.m. to 10 p.m., seven days a week.

An natural ice facility is available at: **Toogood Pond.**

- **Red flag** means No Skating.
- **Yellow flag** means ice is of sufficient depth for skating.
  - Proceed with caution.
  - Skate at own risk.

All ice is available weather permitting. Skating hours are subject to ice/weather conditions. For more information, please call Community Services Markham at 905-415-7535.

## Important Considerations

- Wheelchairs welcome at all recreational skates.
- Occasional cancellations may occur due to schedule conflicts.
- Please allow 10 minutes of each hour for resurfacing the ice.
- Minimum age for Adult Shiny is 16 years (hockey helmets are mandatory).
- Family Stick & Puck is a casual way to practice the fundamentals of hockey: shooting, passing and basic stick handling. Hockey helmets are mandatory for this program (for both Adults and Children) and scrimmages are not permitted. This program provides an opportunity for children and their parents to play together. No children are permitted on the ice themselves and no adults permitted on the ice without a child. Family rate applies.
- For holiday public skating schedules, call the facility or check our website [www.markham.ca](http://www.markham.ca)
- C.S.A. approved hockey helmets are recommended for all recreational skaters.
- C.S.A. approved hockey helmets are mandatory for adult shiny.
- \* Family rate includes a maximum of 6 people. (No more than 2 adults, and children must be 15 years of age or younger.)

Unexpected free time? Check out a list of drop-in programs!

For all Drop-in Programs, participants are asked to arrive no sooner than 15 minutes before the start of the drop-in. No one will be allowed to register before this time. All Drop-in Programs run all the time except on Statutory Holidays. Participants are required to bring their own equipment. Food and drinks are not permitted in the gym. Please wear non-marking shoes. Proof of age

may be required for FREE youth drop-ins (please bring high school ID or other identification). Please call community centres for more information.

**For Group Fitness Drop-ins, please see page 78.**

# CITY OF MARKHAM FITNESS CENTRES

Markham is a leader in the municipal fitness industry, striving to provide members with the best available equipment and unmatched customer service. Our fitness centres are more than just gyms – they are wellness centres that encourage healthy living.

Markham Fitness Centres are accredited through the Canadian Society of Exercise Physiology (CSEP), the gold standard in exercise science and personal training.

## MEMBER BENEFITS

- Expert, knowledgeable staff
- A comprehensive fitness appraisal and counselling session
- A personalized exercise program
- **FREE access to:**
  - Group fitness classes across the City
  - Aquafit, lane and recreational swimming at any City-owned pool
  - All three fitness centres – Thornhill, Cornell and Centennial
  - Public skating at any City of Markham arena

## LOCATIONS

### Centennial Fitness Centre

8600 McCowan Road  
Phone: 905-294-6111 ext. 4338    [cfi@markham.ca](mailto:cfi@markham.ca)

### Cornell Fitness Centre

3201 Bur Oak Avenue  
Phone: 905-479-7753 ext. 4538    [cornellfi@markham.ca](mailto:cornellfi@markham.ca)

### Thornhill Fitness Centre

7755 Bayview Avenue  
Phone: 905-944-3790    [tfi@markham.ca](mailto:tfi@markham.ca)

## HOURS OF OPERATION

Monday to Thursday:	5:30 a.m. – 10:00 p.m.
Friday (September – May):	5:30 a.m. – 9:00 p.m.
Friday (June – August):	5:30 a.m. – 7:00 p.m.
Saturday and Sunday:	7:30 a.m. – 6:00 p.m.

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

## Cycle and Strength

PANAM

More than just a cycle class! A combined 30 minute cycle class followed by 30 minutes of muscle conditioning. Our classes are lead by certified cycle/group fitness instructors. Build stamina, burn fat, and strengthen glutes, quads, hamstrings and calves. **Please wear comfortable clothing, exercise footwear and bring a bottle of water and a towel.**

## Boot Camp

Our boot camp has been designed to elevate your heart rate with cardio, core and strength drills. This high intensity training will be sure to energize and assist with your own specific fitness goals. If you are ready to push yourself and train hard, our Boot Camp is for you! **Please note that equipment and drills will vary from location to location.**

## Bottoms Up

This challenging class is designed to firm and tone your lower body. You will use hand weights, body bars, exercise bands and stability balls to build lower body strength and core power. **Join the companion class 'Up in Arms' on Tuesday at 1:00 p.m.**

## Cardio Dance

Dance and work out at the same time. This is a hip and fun, high energy class that will have you dancing all the way home. From hip hop to salsa, burn those calories while learning new and funky dance moves.

## Cardio Kick Boxing

This is a high intensity cardio workout that combines boxing and kicking techniques with more traditional exercise moves. A safe, exciting, challenging program that will burn calories, build cardio-vascular endurance and muscle tone and strength while helping to improve coordination and balance.

## Cardio Mix

Mix up your cardio routine! This class is a mix of fairly intense hi/lo cardio of at least 40 minutes in length. The cardio segment may include such elements as traditional cardio, athletics, boot camp or kick boxing exercises. The remainder of the class is spent on total body conditioning, stretch and relaxation.

## Cardio Salsa

**No dance experience necessary!** This is a dance-based workout for beginners that includes salsa, cha cha, samba and Caribbean folk dance in the mix. You'll have so much fun; you'll forget that you are working out!

## Car-lates

This program (car-laa-teez) offers the best of two worlds - a gentle, low impact 20 minute cardio combined with the fabulous benefits of torso-based Pilates exercises. **Each participant must have completed Level I and II Pilates as prerequisites for this class. This is an advanced level II Pilates class.**

## Circuit Blast

Make the most of your time with this super effective routine. Move from one location to another within the class challenging your muscles and cardiovascular system. Improve your mobility, strength and stamina. This class consists of warm-up, a mix of cardio and strength training exercises.

## Core Strength and Stretch

Balance your way to a stronger body. Using proper technique with the BOSU and stability ball, you will target your essential core muscles to improve posture, alleviate back pain, improve your balance and be less prone to injury and falls.

## Core Yoga

Focusing on developing supple strength with an importance on abs, back, hips and pelvis. You will discover how to use your core to gain true power. A yoga practice that physically and mentally challenges you to connect to an inner power - reshaping your body and mind! Please note that this is not a beginner class.

### Cycle and Stretch

PANAM

More than just a cycle class! A combined 30 minute cycle class followed by 30 minutes of stretching. Our classes are lead by certified cycle/group fitness instructors. Build stamina, burn fat, and strengthen glutes, quads, hamstrings and calves. *Please wear comfortable clothing, exercise footwear and bring a bottle of water and a towel.*

### Cycle and Yoga

PANAM

Join us for a 40 minute cycle class followed by 20 minutes of yoga practice. Please bring your own yoga mat and water bottle.

### Cycle Fitness

PANAM

Ride your way to fitness. Our classes are lead by certified cycle instructors. Build stamina, burn fat, and strengthen glutes, quads, hamstrings and calves. *Please wear comfortable clothing, exercise footwear and bring a bottle of water and a towel.*

### Falls Prevention

Injuries as a result of falls are an ever increasing hazard within the aging population. This program is devoted to improving balance, stability, co-ordination, mobility and ease of movement, all of which are vital in the prevention of falls. Understanding how strength and core work contribute to each of these components will be a fun adventure. Come on in, and improve your balancing act!

### Fitness 101

Have you ever thought that you need to start a regular exercise routine, but don't know where to start? Or has your doctor recommended that you make some lifestyle changes? Well, this is the program for you! Supervised by CSEP (Canadian Society of Exercise Physiology), certified fitness staff, you will be introduced to exercise in a safe and supportive environment. You will learn the basics of what is required to maintain an active lifestyle and work towards your exercise goals whatever they may be.

### Forever Fit

We can be fit and vital at any age. This class is for those 55 years of age and older who are looking for a challenging workout in a safe environment. The cardio component will enhance heart and lung function. The class will help to improve balance, flexibility, bone density, power and coordination while increasing injury protection.

### Low Impact - Beginner

A great class for the novice or someone returning to fitness. This class includes a light to moderate cardio segment for at least 20 minutes. The class also includes a moderate muscle conditioning component and ends with a stretch and relax segment; burn calories, build muscle and improve flexibility. *Please note that the program held at Armadale Community Centre is women's only.*

### Low Impact - Intermediate

Suited to the more advanced participant. Cardio and muscle conditioning are more intense than in the beginner class. The instructor will provide modifications for all exercises.

### Lunch Time Exp - Pilates Challenge

This 40 minute class is for experienced Pilates enthusiasts only. Challenge your core with advanced level II exercises with the added challenge of some equipment. *Successful completion of Pilates I and II is essential for this class.*

### Lunch Time Mixer

Make the most of this efficient 30 minute class - boost energy, clear your mind and reduce stress. This class will challenge those muscles with a variety of conditioning and relaxation.

### Meditative Yoga

Yoga is a gentle way to exercise the body. Through this program participants will learn the art of breathing, relaxation and meditation. A large portion of this program will be dedicated to focusing and breathing.

## M.E.N.D. (Movement and Exercise for Neurological Disorders)

This specialized wellness/fitness class is for those living with or recovering from neurological disorders such as stroke, acquired brain injury, Parkinsons or MS. Our instructors are trained (T.I.M.E. training program) to provide exercise in a safe and supportive environment to help you reclaim your body and perform your daily tasks. The small class size will enable individual attention. Participants must be able to walk a minimum of 10 metres with or without an assistive device. **Pre-screening is mandatory. Please contact Carol Manning 905 477-7000 ext. 4344 for more information.**

## Mom and Babe Fitness

Calling all new moms! This is a fitness class for you and your infant (less than 10 months please). Each class provides postnatal exercises that are sure to increase your energy, improve muscle strength, flexibility and posture and provide an opportunity to connect with other new moms in the community. **Moms should be 4+ weeks postpartum (6 weeks for caesareans). All fitness levels are welcome. Please bring a Yoga mat to class.**

## Muscle Conditioning

This class offers a safe and effective strength workout (no cardio) for men and women which will build bone mass, increase muscle strength and improve muscle tone. Equipment such as body bars, stability balls, BOSU, hand weights and exercise bands is supplied and will vary according to location. This format is suited to all fitness levels.

## Muscle Works

This is a strength training workout for all major muscle groups utilizing hand weights, body bars, resistance tubing, stability balls, cardio circuits and individual body resistance to improve muscle and core strength. This muscle conditioning class includes some cardio. **Equipment will vary according to location.**

## Nia - Wellness Thru Movement

Discover the transformational power of joyful and purposeful movement. Nia blends an invigorating cardiovascular workout with global dance forms, martial arts, yoga, creative movement and powerful imagery. Blending aerobic exercise and conditioning and the therapeutic benefits of body integration therapies, this holistic fitness program creates a new sense of well-being for all ages and fitness levels. The course will be taught by a certified Nia instructor.

## Osteoporosis Exercise

Bone is living tissue and responds to exercise by becoming stronger. Two types of exercise maintain and build bone mass and density: weight bearing and resistance exercise. If you have been diagnosed with bone degeneration, this class can help you maintain and build bone mass.

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

### Pilates - Level I - Fund.

Pilates (Pi-laa-teez) offers a functional approach to strength and flexibility training with exercises created to strengthen abdominal and back muscles while developing pelvic stability and abdominal control. Pilates increases flexibility and strength, improves posture and coordination and harmonizes mind and body. Please wear comfortable clothing. **No footwear is worn during the class.**

### Pilates - Level II

*Pilates - Level I - Fundamentals is a prerequisite for this class.* A great class for intermediate participants. Develop greater strength, flexibility and coordination and build on the fundamentals learned in Level I.

### Pilates - Paced level

Work on the more technical aspects of your Pilates practice through the introduction of core foundation exercises and progressions from basic to more advanced programming. link breath and movement while addressing alignment and strength. This course is particularly appropriate for the older adult and those who enjoy more detailed, hands on application.

### Pre/Post Natal Fitness

Being fit throughout pregnancy and following delivery has so many benefits, from improving your energy level and promoting

healthy weight gain to having the strength and endurance required for delivery and carrying and lifting your new baby. This class format focuses on strength, endurance, and flexibility by incorporating elements of resistance training, aerobic exercise, Pilates, and Yoga. The instructors are Certified Pre- and Postnatal Fitness Specialists and can answer your questions about exercising safely during and following pregnancy. The class is based upon the guidelines of the Canadian Society for Exercise Physiology and the American Congress of Obstetricians and Gynecologists. **A medical questionnaire must be completed by your doctor before attending class. Please contact Carol Manning at 905 294-6111 ext. 4344 for the form.**

### Pure Cardio

Be sure to bring a full water bottle and be ready for an intense workout. Burn those calories with a variety of cardio moves such as cardio kick boxing, jump rope, Bosu and plyometrics. The class format includes sufficient warm up and cool down and appropriate stretching.

### Relax and Renew Yoga

Many people live in a chronic state of stress that affects their quality of life, compromises their body and leaves them vulnerable to illness and injuries. Yoga techniques such as conscious breathing, relaxation, subtle Yoga movements and meditation will be used

during this class to stimulate and sooth the organs, improve the immune system and release stress and tension.

### Relax and Stretch

Take some time to reduce your stress and improve your flexibility. It is extremely important to maintain muscle flexibility. This class will concentrate on all major muscle groups. **There is no cardio component in this class. (Please bring a blanket.)**

### Restorative Yoga

Restorative yoga poses are 'active relaxation' poses that are designed to enhance deep relaxation and promote proper alignment and healing for the whole body. The postures are held longer than other postures to allow the spine and body to realign itself and promote healing. Props, such as pillows, straps, blocks or blankets are used to support the body and allow for the release of stress and tension.

### Shimmy & Shake

Ladies this class is your B & B class (belly dancing and bollywood) exclusively for you - shimmy your way to a fitter you! This is a cardio based class with mild and more intense cardio segments with lots of pelvic movement! Join us for a fun, cardio-burning dance-based class.

## Stability Ball

Would you like to develop core strength and stability, improve your posture, improve muscle tone and definition and increase your mobility and flexibility? Join our stability ball class. Hand weights and exercise bands will also be used in the class. **Please note: If you are new to muscle conditioning, it is recommended that you attend our muscle conditioning class before advancing to our stability ball class.**

## Step Beginner

Experience this great cardio exercise format. Learn basic stepping. The class includes cardio and muscle conditioning components.

## Step Challenge

Variety, challenging choreography and a great workout in a fun environment, this class includes both cardio and muscle conditioning. **Previous step experience is necessary.**

## Step Dance

If you have step exercise experience and love to dance, you will enjoy this class. The traditional step format is enhanced with choreographed dance moves to give you a great cardio workout. This class also contains a muscle conditioning component.

## Step Interval

Have you mastered basic step moves and looking for a increased challenge? Join our step interval class and learn more choreograph and increase your intensity. This class alternates between choreographed step segments and cardio intervals, finishing off with muscle conditioning. **This class suits all fitness levels, but basic step experience is required.**

Now Available

## Drop-in Fitness Classes

Join us at your leisure for fitness classes throughout the City! Now you can **pay as you go** to select fitness classes. For a full schedule, visit our site at [markham.ca](http://markham.ca).

**Cost:** \$10.10 per regular fitness class, \$13.65 per specialty fitness class, purchase 10 tickets at a discounted price.

**Tickets can be purchased at the following community centres:**  
 Angus Glen, Armadale, Centennial, Cornell, Milliken Mills, and Thornhill

## Tough It Out, Girl!

Ladies, are you looking for a challenging workout that can show results? This total body workout, designed just for women, can reduce weight and stress and tone muscles through core conditioning, drills, circuits, strength training and stretching. Make the commitment to a better you!

## Tough It Out, Guys and Gals

Welcome guys and gals! This challenging total body workout, can reduce weight and stress and tone muscles through core conditioning, drills, circuits, strength training and stretching.

## Up in Arms

This challenging class is designed to firm and tone your upper body. You will use hand weights, body bars, exercise bands and stability balls to build upper body strength and core power. **Join the companion class and concentrate on the lower body in 'Bottoms Up' on Thursday at 12:00 p.m.**

## Walk Mix

Come in out of the cold and rain. Regular walking can help you lose weight, prevent or help control diabetes, strengthen bones, lower blood pressure, cut the risk of heart attack and stroke and fend off depression and anxiety. This unique class is located in a large indoor facility. Walking, traditional low impact aerobics and muscle conditioning are included in the class.

## Walking with Poles

Are you looking for a new full body cardio workout? When used with appropriate technique, walking with poles increases your cardiovascular workout by 25% and burns up to 400 additional calories. This class is an outdoor activity using high quality walking poles and with technique instruction by a certified fitness instructor. **Participants must be able to sustain a medium to fast walking pace for fifty minutes. Poles are provided and the program will be offered rain or shine.**

# Fitness Classes

Spring 2015

Please note that fitness club members do not use the class codes listed below, but should obtain their list from fitness centre staff.

## Yoga - Beginner

A gentle non-competitive approach to physical fitness utilizing strength, flexibility and stamina. Proper body alignment, breathing and relaxation techniques will also be taught throughout the program. **Participants must bring their own yoga mat to class. The classes at Markham Village, Sr. Centre, Centennial, Rouge, Milliken and Cornell offer the Hatha style.**

## Yoga - Intermediate

If you're ready to move onto some more challenging positions, yoga intermediate might be right for you. **Participants must bring a yoga mat and blanket to class. Hatha Style is taught at Milliken and Rouge River C.C.**

## Yoga - Beg/Intermediate

This class is for both beginners and intermediate participants. This combined class is good for people that are in between levels and is a great way to deepen your practice.

## Zumba

A fusion of Latin-inspired dance/fitness that blends music and dance into a workout that is great for both the body and the mind. Join us in this high energy cardiovascular workout that combines motivating music and a fun way to get fit. **No previous dance experience required.**

## Zumba Step

A fusion of Latin-inspired dance/fitness that blends music and dance with step into a workout that is great for both the body and the mind. Join us in this high energy cardiovascular workout that combines motivating music and a fun way to get fit. **No previous dance experience required.**

# FIT FOR HEART

It's our annual fundraiser for the Heart and Stroke Foundation

Saturday, April 11, 1:00 – 5:00 p.m.

Cornell Community Centre (3201 Bur Oak Dr.)

Registration opens at noon. Parking is free

Mark this date on your calendar for a fun afternoon with great exercise segments, prizes, incentives, refreshments, give-aways and a mini health fair—all for a great cause. All funds raised will be forwarded to the Heart & Stroke Foundation.

For details, please contact Carol Manning 905 294-6111 ext 4344, cmanning@markham.ca, mobile 647 300-0397

## Aquafit - Aqua Stretch

A program designed for gentle water stretching, range of motion exercises, muscle strengthening and relaxation techniques. Takes place in a warm pool with a water temperature over 90 degrees Fahrenheit.

## Aquafit - Slow & Steady Cardio & Stretch

This class is geared to individuals wishing to begin or get back into a program which would slowly develop your cardio conditioning in addition to a stretch class which allowing you to thoroughly stretch after your workout. The cardio portion would be in the large pool (84 degrees) followed by a stretch portion in therapy pool (94 degrees)

## Aquafit - Deep

Deep Water Aquafit is a water exercise class set to music and is open to individuals who are 16 years of age or older. Those under 16 years of age who display behaviour appropriate to the class may participate.

## Aquafit - Diaper Fit

A program designed for parents with babies. Floatation seats are provided so that parents can participate in a shallow water aquafit class and have babies within arm's reach. Babies must be able to sit upright on their own. This is a great way to get fit, have fun, and enjoy time with your child. For children who are not toilet trained, they must wear swimmer pull ups (e.g. Huggies, Gabby's.) These may be purchased at the pool. *No diapers, disposable or cloth, are permitted.*

## Aquafit - Older Adult

This is a low intensity water exercise class set to music. It is designed to meet the fitness needs of older adults with a variety of mobility restrictions and exercise needs.

## Aquafit - Oh My Aching Body

Recommended for people with arthritis, fibromyalgia, osteoporosis and related conditions and need to exercise in warm water. Surround yourself with the warm water in the Therapy Pool and do gentle stretches and functional exercises. Breathing and relaxation will be incorporated into the class.

## Aquafit - Hip & Knee

For people coping with hip & knee joint injuries or degeneration.

## Aquafit - Kick Butt Cardio

Fast paced cardio class while wearing flip-pers. *Comfort in deep water required.*

## Aquafit - Shallow

Shallow aquafit is a water exercise class set to music and open to all individuals 16 years of age and older. Those under 16 years of age who display behaviour appropriate to the class may participate.

## Aquafit - Shallow Ladies only

Ladies only - Shallow aquafit is a water exercise class set to music and open to all individuals 16 years of age and older. Those under 16 years of age who display behaviour appropriate to the class may participate.

## Aquafit - Shallow/Deep

Shallow/deep aquafit is a water exercise class set to music and open to all individuals 16 years of age and older. Those under 16 years of age who display behaviour appropriate to the class may participate.

## Aquafit - Water Pilates

This program offers participants the opportunity to strengthen abdominal and back muscles and work on flexibility while exercising in a shallow warm water environment. This aquatic exercise program improves pelvic stability and abdominal control while encouraging participants to work on harmonizing mind and body.

## Aquafit - Water Yoga

Learn basic moves to create the whole new aquatic experience that enables you to 'understand' the water. Focuses on techniques to improve posture, breathing, flexibility, core stabilization, coordination and muscular endurance using the soothing properties of the water.

## Introduction to Stand Up Paddle Boarding

Here is your chance to get introduced to the world of Stand Up Paddle Boarding (SUP) in the warmth & safety of an indoor

pool. Our introductory class will focus on giving you a solid foundation for your future SUPing endeavours in a FUN & safe manner. Each lesson is led by a certified PaddleFit Coach. Topics include: safety, basic gear knowledge, kneeling, proper paddling technique. *No previous paddling experience required but you should be comfortable in the water and able to swim.*

## Fitness - Stand Up Paddle Board

Here is your chance to get introduced to the world of PaddleFit and it's training program through our FUN and challenging fitness class in the safety & comfort of an indoor pool. Using a tethered SUP board as your floating platform, a certified PaddleFit Coach will introduce creative ways to improve your fitness through core strengthening, endurance and balance exercises. *Classes are designed to be accommodating of all skill levels but a comfort in the water and an ability to swim is recommended.*

 <p><b>Red Wrist Band</b></p> <ul style="list-style-type: none"> <li>Ages 5 years and under</li> <li>Must be accompanied by a guardian (15 years+)</li> <li>Must be within arms' reach at all time</li> <li>Ratio: 1 guardian – 2 children (no exceptions)</li> </ul>	 <p><b>Yellow Wrist Band</b></p> <ul style="list-style-type: none"> <li>Ages 6 – 9 years</li> <li>Must swim with a guardian(15 years+)</li> <li>Ratio: 1 guardian – 6 children (all in PFDs)* or 1 guardian – 2 children (no PFDs)</li> </ul>	 <p><b>Green Wrist Band</b></p> <ul style="list-style-type: none"> <li>Ages 6 – 9 years</li> <li>Passes facility swim test**</li> <li>May swim alone</li> </ul>	 <p><b>No Wrist Band</b> 10 yrs of age or older</p> <ul style="list-style-type: none"> <li>Unaccompanied</li> <li>It is always recommended to swim with a buddy!</li> </ul>
<p>* PFD: Personal Floatation Device ** The facility swim test includes, but is not limited to, swimming a minimum of 25 metres.</p>			

## What You Should Know

**Change Room Requirements** Children 7 years or older are required to use the change room of their own gender. If this is not suitable, please see facility staff to make alternate arrangements. Universal Change Rooms are available at the following pools only: Angus Glen, Centennial, Cornell, Thornhill Therapeutic Pool and Thornlea Pool.

**Serious Medical Conditions** Those with seizure disorders or other serious medical conditions should be accompanied by an individual who knows of their condition and is responsible for their direct supervision.

**What to Wear** Proper bathing attire required. This means clothing used for swimming only – no street clothes, shoes or undergarments. Children who are not toilet trained must wear swimmer pull-ups (e.g. Huggies, Gabby's.) These may be purchased at the pool. Disposable and cloth diapers are not permitted.

**Pool Rental** For more information about pool rental for birthday parties and other events, please call the Customer Service Representative at your local pool.

**Screening for Swim Levels** Are you unsure of which level is right for your child? If your child has learned to swim without instruction or has been out of lessons for a year or more, you can request a free screening from the supervisor at the start of any scheduled recreational swim.

**A Family** is defined as adults, plus children 15 years of age and under. (maximum 6 people, up to 2 adults per family).

**Individuals with special needs:** each individual is permitted to bring their caregiver to the facility. The caregiver will be admitted at no charge. Regular admission ratios apply.

**A caregiver** is a person 15 years of age or older.

No inflatable rings, tubes, water wings and/or toys are permitted during our swims.

## Drop-in Swim Descriptions

**Lane Swim** Open to all individuals 6 years of age and older, the pool is to be accessed for fitness swimming. Participants 6-9 years old that have completed the admission swim test (must be able to complete at least one continuous length of the pool unassisted), may swim independently. The pool is set up for participants to swim lengths of the pool. Lanes are set up as fast, medium and slow.

**Parent & Tot** The wading pool is open and accessible to a parent or guardian (15 years +) and preschooler up to 7 years old. The swim admission policy applies.

**Recreational Swim** Open to children and adults for recreational swimming. Swim admission policy applies.

**Splash Only** Our splash pad area is available for the public to use during specified instructional lessons located at Angus Glen and Cornell Community Centre. This area may be used by preschoolers up to 7 years old with their guardians (15 years +) The splash pad area is also a feature provided during our recreational swim times. Those wishing to use the splash pad area during recreational swim times will be required to pay admission.

**Therapy Swim:** Open to all individuals interested in accessing the Therapeutic Pool to do light water exercise or stretching in a warm water environment. The Therapeutic Pool is especially helpful for individuals with arthritis and fibromyalgia, because the warmth helps relax muscles and diminish pain and stiffness. This program is available only at our therapeutic pools.

For aquafit program definitions, please see page 80.

<b>Specialty Aquafit Senior (65 years+)</b>	\$6.00	\$52.82	—	—	—

Tickets are available individually or in quantities of 10. Tickets may be used at any City of Markham pool. ID may be requested to purchase or use senior admission.

**T**he Lifesaving Club of Markham (LCM) is a City club that engages youth in physical activity and participation in lifesaving sport. The club-based program focuses on keeping youth active in the community and building a sense of belonging. LCM members will develop lifesaving skills, and engage in active living through participation in regional and provincial competitions, and monthly social events.

A current LCM membership includes:

- Up to two (2) training sessions per week with a coach
- Access to all scheduled lane and recreational swims
- Free entry to in-house regional competitions

In order to register, you must hold a current membership. The cost of membership is:

<b>3-month Membership</b>	<b>\$188.05</b>
<b>Continual Membership*</b>	<b>\$56.21/month</b>

\* Monthly payment plans available with minimum 6-month contract commitment

## Preschool Swimming

### Parent and Tot 1 PANAM

▶ **Ratio: 12:1; Age: 3-12 mths.**

Spend quality time with your child while you both have fun, learn and socialize. Through structured in-water interaction between parent and child, we stress the importance of play in developing water-positive attitudes and skills. We provide Lifesaving Society Water Smart® tips on keeping your child safe in any aquatic setting. Designed for the 3 to 12-month-old to learn to enjoy the water with the parent.

### Parent and Tot 2 PANAM

▶ **Ratio: 12:1; Ages: 1-2 yrs.**

Spend quality time with your child while you both have fun, learn and socialize. Through structured in-water interaction between parent and child, we stress the importance of play in developing water-positive attitudes and skills. We provide Lifesaving Society Water Smart® tips on keeping your child safe in any aquatic setting. Designed for the 12 to 24-month-old to learn to enjoy the water with the parent.

### Parent and Tot 3 PANAM

▶ **Ratio: 12:1; Ages: 2-3 yrs.**

Spend quality time with your child while you both have fun, learn and socialize. Through structured in-water interaction between parent and child, we stress the importance of play in developing water-positive attitudes and skills. We provide Lifesaving Society Water Smart® tips on keeping your child safe in any aquatic setting. Designed for the 2 to 3-year-old to learn to enjoy the water with the parent.

### Preschool 1 PANAM

▶ **Ratio: 4:1; Ages: 3-5 yrs.**

We encourage the parent to participate until their child lets them know they can do it themselves (thank you very much). These preschoolers will have fun learning to get in and out of the water. We'll help them jump into chest deep water. They'll try floats on their front and back, and glides on their back while wearing a Personal Flotation Device. They'll learn to get their face wet and blow bubbles underwater. *Prerequisite: 3-5 years old.*

### Preschool 2 PANAM

▶ **Ratio: 4:1; Ages: 3-5 yrs.**

These preschoolers learn to jump into chest deep water by themselves, and get in and get out wearing a Personal Flotation Device. They'll submerge and exhale underwater. While wearing a Personal Flotation Device, they'll glide on their front and back. *Prerequisite: 3-5 years old and completed Preschool 1 or A.*

### Preschool 3 PANAM

▶ **Ratio: 5:1; Ages: 3-5 yrs.**

These youngsters will try both jumping and a side roll into deep water while wearing a Personal Flotation Device. They'll recover objects from the bottom in waist-deep water. They'll work on kicking and gliding through the water on their front and back. *Prerequisite: 3-5 years old and completed Preschool 2 or B.*

### Preschool 4 PANAM

▶ **Ratio: 6:1; Ages: 3-5 yrs.**

Advanced preschoolers will learn to do solo jumps into deeper water and get out by themselves. They'll do side roll entries and open their eyes underwater. They'll master a short (3-5 m) swim on their front and gliding and kicking on their side. *Prerequisite: 3-5 years old and completed Preschool 3 or C.*

### Preschool 5 PANAM

▶ **Ratio: 6:1; Ages: 3-5 yrs.**

These youngsters get more adventuresome with a forward roll entry wearing a PFD and holding their breath underwater for up to 10 sec. They'll work on longer front and back crawl swims, interval training and get a giggle out of whip kick. *Prerequisite: 3-5 years old and completed Preschool 4.*

## Children Swimming

### Family Swim Lessons PANAM

Tired of waiting around the pool for each one of your children to finish lessons at a different time? Want to do something other than come to the pool 3 nights a week? This unique new program allows you to bring all your children at the same time if they are in Swimmer 1-6 (*Swimmer 1 or 2 level at MMCC*). All participants will be screened on the first night to determine level placement. Classes may be multi-level and class size may exceed regular lesson ratios. *Children are to be between the ages of 6 to 12.*

### Ladies Only-Family Swim Lessons-Shallow PANAM

For females who require privacy. Instructors are female. Candidates will be grouped into classes according to ability. For levels Swimmer 1 - 3

### Swimmer 1 PANAM

▶ **Ratio: 8:1; Ages: 5-12 yrs.**

These beginners will become comfortable jumping into water with and without a Personal Flotation Device. They'll learn to open their eyes and exhale underwater, and gain the skills to confidently get objects off the bottom. They'll work on floats and moving through the water on their front and back. *Prerequisite: 5 years, beginner, non swimmer, or Preschool levels 1-4 or A-D.*

### Swimmer 101 - Ladies Only

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

You'll work towards a 15 to 25m swim on your front and back. You'll be able to do jump entries from the side and support yourself at the surface for 10 - 20 sec. You'll be able to recover an object from the bottom of chest-deep water.

### Swim All Year Lessons - Swimmer 1 PANAM

Classes run from September to May! Candidates registering for this level should be at the Swimmer 1 level (see Swimmer 1 description). Candidates will begin at Swimmer 1, and as they progress they will begin content from the higher levels. The instructor will progress the candidates through the material at their own pace - no transfers needed. Candidates can potentially complete multiple levels. *Prerequisite: 5 years of age.*

### Swimmer 2 PANAM

▶ **Ratio: 8:1; Ages: 5-12 yrs.**

These advanced beginners will jump into deeper water, and learn to be comfortable falling sideways into the water wearing a Personal Flotation Device. They'll be able to support themselves at the surface without an aid, learn whip kick, and swim 15-25m on their front and back. *Prerequisites: 5 years, Swimmer 1 or Preschool 5 or E.*

### Swimmer 201 - Ladies Only PANAM

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

Kick it up a notch by working towards a 50 to 100m swim. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 25m. You'll develop sculling skills and strengths over 10m, and show off your handstands in shallow water. *Prerequisite: Swimmer 101 - Ladies Only or Swimmer 2*

### Swim All Year Lessons - Swimmer 2 PANAM

Classes run from September to May! Candidates registering for this level should be at the Swimmer 2 level (see Swimmer 2 description). Candidates will begin at Swimmer 2, and as they progress they will begin content from the higher levels. The instructor will progress the candidates through the material at their own pace - no transfers needed. Candidates can potentially complete multiple levels. *Prerequisite: 5 years of age, Preschool 5 or Swimmer 1.*

### Swimmer 3 PANAM

▶ **Ratio: 8:1; Ages: 5-12 yrs.**

These junior swimmers will cannonball, dive and roll into the water. New bag of tricks includes treading water, handstands, in-water somersaults and swimming underwater. They'll work on front crawl and back crawl over short distances, and endurance swims of 25 to 50 m. *Prerequisite: 5 years, Swimmer 2*

## Swimmer 301 - Ladies Only PANAM

▶ **Ratio: 10:1; Ages: 5-15 yrs.**

No sweat (or at least none anyone can see), you'll be doing 200 to 300m continuous swims and sprinting 25m. You'll be front crawling, back crawling and breaststroking over 100m. You'll be sculling feet first and swimming 25m head-up. Whew! **Prerequisite:** *Swimmer 201 - Ladies Only or Swimmer 4.*

## Swimmer 3/4 Stroke Improvement PANAM

▶ **Ratio: 10:1; Ages: 6-12 yrs.**

Stroke Improvement classes are ideal for participants who need a little special attention on a specific stroke or skill to advance to the next level. If you have repeated a level more than once - give a stroke improvement class a try. **AIM: To improve strokes and skills so the participant can advance to the next level.** **Prerequisites:** *Swimmer 3 or 4.*

## Swim All Year Lessons - Swimmer 3/4 PANAM

Classes run from September to May! Candidates registering for this level should be at the Swimmer 3 or 4 level (see Swimmer 3/4 description). Candidates will begin at Swimmer 3 or 4, and as they progress they will begin content from the higher levels. The instructor will progress the candidates through the material at their own pace - no transfers needed. Candidates can potentially complete multiple levels. **Prerequisite:** *5 years of age, Swimmer 2 or 3.*

## Swimmer 4 PANAM

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

These intermediate swimmers will refine dives and stride entries. They'll wrestle with eggbeater kick, and master foot-first surface dive, and in-water back somersaults. They'll learn to scull and swim lengths of front crawl, back crawl, whip kick, and breaststroke arms with breathing. They'll cap it all off with endurance swims of 50-100m. **Prerequisite:** *5 years, Swimmer 3.*

## Fitness Swimmer PANAM

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

No matter what your age, Fitness Swimmer lets you set your own goals to improve overall physical fitness. Fitness Swimmer is a structured approach based on accepted training principles and practices including interval training, sprints and distance swims. **Prerequisite:** *Completed Swimmer 4*

## Swimmer 5 PANAM

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

These swimmers will master shallow dive entries, eggbeater kicks, and foot-first sculling. Surface dives will take them down to underwater swims. They'll refine their front crawl, back crawl, and breaststroke over 50m swims of each. Then they'll pick up the pace in 25m sprints and endurance swims of 100-200m. **Prerequisite:** *5 years, Swimmer 4.*

## Swimmer 5/6 Stroke Improvement PANAM

▶ **Ratio: 10:1; Ages: 6-12 yrs.**

Stroke Improvement classes are ideal for participants who need a little special attention on a specific stroke or skill to advance to the next level. If you have repeated a level more than once - give a stroke improvement class a try. **AIM: To improve strokes and skills so the participant can advance to the next level.** **Prerequisites:** *Swimmer 5 or 6*

## Swim All Year Lessons - Swimmer 5/6 PANAM

Classes run from September to May! Candidates registering for this level should be at the Swimmer 5 or 6 level (see Swimmer 5/6 description). Candidates will begin at Swimmer 5 or 6, and as they progress they will begin content from the higher levels. The instructor will progress the candidates through the material at their own pace - no transfers needed. Candidates can potentially complete multiple levels. **Prerequisite:** *5 years of age, Swimmer 4 or 5.*

## Swimmer 6 PANAM

▶ **Ratio: 10:1; Ages: 5-12 yrs.**

These advanced swimmers will rise to the challenge of sophisticated aquatic skills like compact jump entries, and eggbeater kick for 1 min. while changing directions. They'll develop strength and power in head-up front crawl or breaststroke over 25m. They'll easily swim 100m front crawl, back crawl, and breaststroke, and complain about the 4 x 25m sprints in interval training. The 200 to 300m endurance swim will be a piece of cake. **Prerequisite:** *5 years, Swimmer 5*

## Swimmer 7 – Rookie Patrol PANAM

▶ **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers continue stroke development with 50m swims of front crawl, back crawl and breaststroke. Lifesaving sport skills include a 25m obstacle swim and a 15m object carry. First aid focuses on assessment of conscious victims, contacting EMS, and treatment for bleeding. Fitness improves in 350m workouts and 100m timed swims.

## Swimmer 8 – Ranger Patrol PANAM

▶ **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers develop better strokes over 75m swims of each stroke. They tackle lifesaving sport skills in a lifesaving medley, timed object support and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock and obstructed airway procedures. Skill drills develop a strong lifesaving foundation.

## Swimmer 9 – Star Patrol PANAM

▶ **Ratio: 12:1; Ages: 5-15 yrs.**

Swimmers are challenged with 600m workouts, 300m timed swims and a 25m object carry. Strokes are refined over 100m swims. First aid focuses on treatment of bone or joint injuries and respiratory emergencies including asthma and allergic reactions. Lifesaving skills include defence methods, victim removals and rolling over and supporting a victim face up in shallow water.

## Lifesaving - Fitness PANAM

Teaches the importance of physical fitness in lifesaving. This award is designed for participants of all ages to learn how to measure, monitor, and maintain personal physical fitness for lifesaving emergencies. **Recommended for those who want to remain active in aquatics but do not meet the age requirement for the next level.**

## I Love Waterpolo PANAM

▶ **Ratio: 12:1; Ages: 6-15 yrs.**

Swimmers learn the theory and skills behind this competitive water sport in a fun, positive atmosphere. Through drills in ball handling, kicking, and stroke technique, participants improve their efficiency and endurance in the water, and practice their new skills in exciting and challenging water polo games. This group program develops teamwork, sportsmanship and decision making skills, while improving overall fitness levels and swimming strokes. **This activity is eligible for the Children's Fitness Tax Credit.** **Prerequisite:** *Swimmer 5.*

## Pre-Teen/Teen Swimming

### Teen 1 PAN AM

▶ **Ratio: 10:1; Ages: 9-16 yrs.**

You'll work towards a 10-15 m swim on your front and back. You'll do jump entries from the side and recover an object from the bottom in chest-deep water. Improve your fitness and your flutter kick with 4 x 9-12 m interval training.

### Teen 2 PAN AM

▶ **Ratio: 10:1; Ages: 9-16 yrs.**

Kick it up a notch working on two interval training workouts of 4 x 25 m kicking and front or back crawl. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 10-15 m. You'll be supporting yourself at the surface for 1-2 minutes, and showing off your handstands in shallow water. *Prerequisite: Completed Teen 1*

### Teen 3 PAN AM

▶ **Ratio: 10:1; Ages: 9-16 yrs.**

No sweat (or at least none anyone can see). You'll learn eggbeater, stride entries and compact jumps. You'll be doing a 300 m workout and sprinting 25-50 m. You'll master your front crawl, back crawl and breaststroke. Whew! *Prerequisite: Completed Teen 2.*

### Aquafit - Youth PAN AM

▶ **Ratio: 10:1; Ages: 12-16 yrs.**

Shallow aquafit is a water exercise class set to music and open to all individuals 12 to 16 years of age. *Prerequisite: Swimmer 3 or equivalent.*

## H4O Swimming

### H4O Swimmer 1 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 1" on page 87.

### H4O Swimmer 2 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 2" on page 87.

### H4O Swimmer 3 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 3" on page 87.

### H4O Swimmer 4 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 4" on page 88.

### H4O Swimmer 5 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 5" on page 88.

### H4O Swimmer 6 PAN AM

▶ **Ratio: 4:1; Ages: 5-12 yrs.**

See "Swimmer 6" on page 88

## Adult Swimming

### Adult 1 PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

You'll work towards a 10-15 m swim on your front and back. You'll do jump entries from the side and recover an object from the bottom in chest-deep water. Improve your fitness and your flutter kick with 4 x 9-12 m interval training. *Prerequisite: 16 years old, beginner non-swimmer.*

### Adult 101 - Ladies Only PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

You'll work towards a 15-25m swim on your front and back. You'll be able to do jump entries from the side and support yourself at the surface for 10-20 sec. You'll be able to recover an object from the bottom of chest-deep water. *Prerequisite: 16 years, beginner non-swimmer.*

### Adult 2 PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

Kick it up a notch working on two interval training workouts of 4 x 25 m kicking and front or back crawl. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 10-15 m. You'll be supporting yourself at the surface for 1-2 minutes, and showing off your handstands in shallow water. *Prerequisite: 16 years old and completed Adult 1.*

### Adult 201 - Ladies Only PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

Kick it up a notch by working towards a 50 to 100m swim. You'll be able to perform dive entries and demonstrate breaststroke arms and breathing over 25m. You'll develop sculling skill and strengths over 10m , and show off your handstands in shallow water. *Prerequisite: 16 years Adult 101 - Ladies Only.*

### Adult 3 PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

No sweat (or at least none anyone can see). You'll learn eggbeater, stride entries and compact jumps. You'll be doing a 300 m workout and sprinting 25-50 m. You'll master your front crawl, back crawl and breaststroke. Whew! *Prerequisite: 16 years and completed Adult 2*

### Adult Stroke Improvement PAN AM

▶ **Ratio: 10:1; Ages: 16 yrs+**

Stroke improvement classes are ideal for participants who have already completed our Adult 3 class or who already know how to swim. *The classes are designed to focus on improving participants strokes for fitness swimming or triathlons. Program is flexible so can be tailored to meet individual needs.*

## Swim at Your Convenience

Learning to swim has never been easier! With several options open, you are sure to find courses that suit your family's schedule. See details on pages 87-89.

### Family Swim

This new program lets you bring all your children between 6 and 12 to their swimming lessons at the same time.

### Different Session Dates

A great option to work around your needs.

### Drop in Lessons – All Levels

Want to take swimming lessons but can't commit to the entire season? Why not try drop in lessons?!

### Private Lessons

A great option for working on specific skills or getting more personal attention.

## Learn to be a Lifeguard and Swim Instructor

Becoming a Lifeguard is a great way to develop teamwork, communication, leadership, and earn money at the same time. Markham lifeguards also enjoy other benefits including a discount on fitness memberships, free access to drop-in aquatic programs and discounts on leadership courses.

Lifeguard and Swim Instructor positions are available throughout the year at all Markham Community Centres. Certification involves several prerequisite courses. These include: Bronze Medallion, Standard First Aid, Bronze Cross, Airway Management, National Lifeguard and Swim/Lifesaving Instructors. These courses are offered in a variety of formats. You can start courses in January and become certified and working by September. For more information, see pages 104-106.

## Swim at Your Convenience

Learning to swim has never been easier! With several options open, you are sure to find courses that suit your family's schedule.

See details on pages 87-89.

### Family Swim

This new program lets you bring all your children between 6 and 12 to their swimming lessons at the same time.

### Private Lessons

A great option for working on specific skills or getting more personal attention.

### Different Session Dates

A great option to work around your needs.

### Drop in Lessons - All Levels

Want to take swimming lessons but can't commit to the entire season? Why not try drop in lessons?!

# Private Lessons

Fee is for child only. Semi Private: \$30.50 per child per lesson

Swimming

## Lifesaving - Bronze Star

Excellent preparation for success in Bronze Medallion. Participants develop problem-solving and decision-making skills individually and in partners. Candidates learn CPR and develop the lifesaving skills needed to be their own lifeguard. Includes a timed 400m swim. **Prerequisites: 12 years (recommended)**

## Lifesaving - H80 Bronze Star

Same great program, with a smaller class size (just 8 participants per class). Excellent preparation for success in Bronze Medallion. Participants develop problem-solving and decision-making skills individually and in partners. Candidates learn CPR and develop the lifesaving skills needed to be their own lifeguard. Includes a timed 400m swim. **Prerequisites: 12 years (recommended)**

## Lifesaving - Bronze Medallion

Teaches an understanding of the lifesaving principles embodied in the four compo-

nents of water-rescue education: judgment, knowledge, skill and fitness. Rescuers learn tows and carries, and defence methods and releases in preparation for challenging rescues of increased risk involving conscious and unconscious victims of various types. Lifesavers develop stroke efficiency and endurance in a 500m timed swim. Course is examiner evaluated. **Prerequisite: Bronze Star or 13 years of age Course Text to be added at time of checkout/registration**

## Bronze Combo

This program is a combination of the Lifesaving Bronze Medallion, Bronze Cross and Standard First Aid Courses programmed into one course. This Crash course format is recommended for swimmers who have strong swimming skills and who need to complete these awards to advance to the National Lifeguard Service Award (NLS) program. **\*See individual program descriptions to understand course demands.\***

## First Aid - Emergency

Emergency First Aid is for people who want a general knowledge of first aid principles and the emergency treatment of injuries. Skills include: victim assessment, rescue breathing, CPR B Certification, choking, and what to do for external bleeding, heart attack, and stroke.

## First Aid - Standard

Standard First Aid provides comprehensive training covering all aspects of first aid and a CPR C Certification. Standard First Aid incorporates all of Emergency First Aid and is designed for those who require a more in-depth understanding of first aid including: legal implications of first aid treatment, spinal injuries, heat or cold injuries, bone and joint injuries, abdominal and chest injuries, burns, and medical emergencies. **Course text to be added at time of checkout/registration**

## Lifesaving - Bronze Cross

Designed for lifesavers who want the challenge of more advanced training including an introduction to safe supervision in aquatic facilities. Bronze Cross is the prerequisite for all advanced training programs including National Lifeguard and Instructor certification. Includes a timed 600m swim. **Course is examiner evaluated. Prerequisites: Bronze Medallion and Emergency First Aid or Standard First Aid. Please note first aid awards must be from one of the following agencies: Lifesaving Society, Canadian Red Cross, St. John's Ambulance, or Canadian Ski Patrol.**

## Lifesaving - Assistant Instructor

The Lifesaving Society Assistant Instructor Course prepares candidates to help certified instructors with swimming and lifesaving classes. Candidates are introduced to key principles of learning and teaching, and they master basic progressions. The Assistant Instructor course emphasizes the roles and responsibilities of instructors and their assistants. The course will incorporate the City of Markham Volunteer Orientation Workshop. This is an excellent stepping stone for candidates who hold a current Bronze Cross Award and who are working towards becoming a Swim Instructor. **Prerequisites: Bronze Cross & 14 years of age.**

## Volunteer Orientation Workshop - Aquatic

The Volunteer Workshop is mandatory for anyone wishing to volunteer in the Recreation Services Department. This workshop does not guarantee a volunteer placement, but rather prepares the potential volunteer for a placement. Specifically, the workshop prepares the potential volunteer with knowledge about the City, the department's program policies, roles and responsibilities of the volunteers. There is no cost for this program; however, participants must register. To register please use our Fast Track registration or our EZ Reg internet registration systems. Following the workshop, participants will be asked to complete a volunteer application form and submit it to the aquatic coordinator in the area in which they want to volunteer.

## Instructors - Swim and Lifesaving

The combined Swim and Lifesaving Instructor course prepares the instructor to teach and evaluate swim strokes and lifesaving skills. Through classroom learning and in-water practice, instructor candidates explore proven teaching methods; learning strategies and activities; a variety of stroke and skill drills; effective correction techniques; and evaluation criteria. Practice teaching is emphasized throughout. **This course includes certification in HIGH FIVE® Principles of Healthy Child Development. Prerequisites: 16 years of age, and current Bronze Cross (or higher) certification. The Swim and Lifesaving Instructor Combined Pac to be added at time of checkout/registration**

## Lifesaving - Pre-National Lifeguard

This course is ideal for those wishing to take their National Lifeguard certification in the near future. This course will help develop the endurance and the physical skills for the National Lifeguard program. **Participants must have finished Bronze Cross.**

## National Lifeguard

The National Lifeguard certification is Canada's professional lifeguard standard. National Lifeguard education is designed to develop a sound understanding of lifeguarding principles, good judgment and a mature and responsible attitude toward the role of the lifeguard. The National Lifeguard certification emphasizes prevention and effective rescue response in emergencies including first aid treatment. The National Lifeguard program is designed to prepare lifeguards to fulfill this role as professional facilitators of safe, enjoyable aquatics. **Course is examiner evaluated. Prerequisites: 16 years of age, Bronze Cross, and Standard First Aid from either: Lifesaving Society, Red Cross, St. John's Ambulance or Canadian Ski Patrol Alert Manual to be added at time of checkout/registration. You need to purchase a whistle.**

## Airway Management - AM

Airway Management certification provides senior and experienced lifeguards with specific knowledge and training in the use of oxygen, suction devices, oral airways and mask/bag-valve-mask (BVM). **Prerequisites: Standard First Aid.**

# Aquatic Leadership

## Lifesaving - Examiner Standards Clinic

Participation in an Examination Standards Clinic (ESC) will allow candidates to co-examine (with an experienced Examiner) awards they wish to be appointed to exam. After successful co-exams, completed training records and the approval of the LS Area Chair, the individual may then be appointed as an examiner. **Prerequisite: Instructor certification in the award the instructor wishes to be appointed to examine.**

## Lifesaving - Aquatic Supervisor Training

This course is designed for existing employees who wish to become Head Guard/Shift Supervisor. **Prerequisite: NL Award or Swim or Lifesaving Instructor and 100 hours of experience.**

## Lifesaving - Bronze Cross Re-exam

This exam is for individuals who could not attend their scheduled exam or for individuals who need to be re-examined. This is not for a recertification or for individuals who have not yet taken the Bronze Cross course. Examiners will incorporate instructional time before the evaluation of items.

## Lifesaving - Bronze Medallion Re-exam

This exam is for individuals who could not attend their scheduled exam or for individuals who need to be re-examined. This is not for a recertification or for individuals who have not yet taken the Bronze Medallion course. Examiners will incorporate instructional time before the evaluation of items.

## Lifesaving - SEE Auditor

SEE Auditor course for staff only. Pre-Req's: NLS Examiner OR AST OR NLS plus 100 hours experience as a Lifeguard

# Aquatic Leadership Recert

## First Aid - Standard Recert

**Prerequisite: Lifesaving Society's Standard First Aid (SFA)** Holders of Standard First Aid (SFA) certifications from other agencies may not recertify their certificate on a Lifesaving Society recertification course. You may only recertify with your original certifying agency. Please be advised that you may only recertify your SFA award once. After one recertification you must repeat a full SFA Course Recertifications must be taken within three years of a full standard first aid course. If more than three years have passed, you must retake a full course.

## NLS Recert

**Prerequisite: Previously National Lifeguard certified**

## Airway Management Recert

**Prerequisite: Airway Management and Standard First Aid (SFA)**

## Recert - Combo (NLS,AM,SFA)

This is a combination recertification course for those needing to recertify their National Lifeguard, Airway Management and Standard First Aid Awards. **The prerequisites are: NLS, AM & SFA (from the**

**Lifesaving Society)** Current Standard First Aid (SFA) award holders may recertify their Lifesaving Society SFA certification just once on a Lifesaving Society SFA Recertification Course not more than 3 years from the Standard First Aid date of issue. To renew SFA certifications subsequently, award holders must repeat the full SFA Course. Thereafter, individuals may renew by alternating recertifications and original courses.
